Principal's Report

Good Morning Everyone!

I feel privileged to extend a very warm welcome to distinguished guests, my teaching and non-teaching colleagues and my dear students to the 55th Annual Day of Ram Lal Anand College, which is a celebration of growth of college, and achievements of students and staff in the current academic session. It has been a very fulfilling academic year for all of us.

On this occasion, we are honored to have with us our esteemed **Chief Guest, Dr. Ramesh V. Sonti, Director, National Institute of Plant Genome Research**. I take this opportunity to share with you, his endeavors and experiences. Dr. Sonti completed his PhD in the area of bacterial genetics from the University of Utah, USA. He did post-doctoral research in plant genetics at the Massachusetts Institute of Technology, USA. He worked as Chief Scientist and Group Leader at the CSIR-Centre for Cellular and Molecular Biology in Hyderabad before joining the present assignment as Director, National Institute of Plant Genome Research. His research interests are understanding the mechanisms in plant-pathogen interactions and marker assisted selection in rice improvement.

Dr. Ramesh Sonti is a recipient of the most Prestigious **Shanthi Swarup Bhatnagar Award** in Biological Sciences in addition to the National Bioscience Award and J. C. Bose fellowship. He is an elected fellow of Indian National Science Academy, National Academy of Sciences, Indian Academy of Sciences, National Academy of Agricultural Sciences, and Telangana Academy of Sciences. Dr. Sonti and his collaborators have jointly developed and popularized an Improved disease resistant rice crop variety, Samba Mahsuri, for which they have received the CSIR Award for S & T Innovations for Rural Development (CAIRD)-2014 and the Biotech Product Process Development and Commercialization Award-2016 by Department of Biotechnology, Government of India. Under his dynamic leadership, NIPGR has received a large amount of funds for research and infrastructure development. The institution is achieving new milestones and touching new horizons in the field of plant research.

His perseverance, far-sightedness makes him a true role model and a guiding force for all of us. Sir, we are fortunate to have you with us today in the college.

I also heartily welcome Honorable, Chairman Governing Body Prof. Binay Kumar, Professor at the Department of Physics & Astrophysics, University of Delhi. Prof.

Binay Kumar is an eminent, internationally renowned Scientist and a teacher since 1992 with more than 150 research papers and review articles in high impact International refereed Journals (Citations: ~2700; h-index: 29; i10-index: 80). His Research Interests include Crystal Growth, Nanoparticles, Ceramic, Piezo-/Ferroelectricity, Energy Harvesting, Sensor & Communication Devices. He has handled 6 Major Projects with more than Rs.3 crores of funding from DST, DRDO and UGC and R & D Grants from Delhi University. He is known as a great mentor and kindhearted guide among his students. Our College has been greatly benefitted under his leadership and support and is growing day by day. **Sir, we are indeed honoured by your gracious presence on our 55th Annual Day.**

We are blessed to have amongst us, Ms Lalita Nijhawan, Director Nijhawan Group and a great social worker focussing on gender equality and girl education. India. Ma'am, we welcome you heartily on this occasion. Now, I take great pleasure in presenting the Annual Report of our college for the session 2018-19

Ram Lal Anand College was established in 1964 by Eminent Lawyer of the Supreme Court of India and a Great Visionary **Shri Ram Lal Anand Ji**. It started with just two pass courses, B.A. and B.Com. and now offers **fourteen** Undergraduate courses in all the three streams, i.e. Humanities, Commerce and Science and **One** PG course in Hindi. Our college is fully funded by the UGC and is maintained by the University of Delhi.

During the current academic session 2018-19, **815** students were admitted to different courses and a total of **2100 students** are presently enrolled in all the three years put together. This year with the special efforts of admission committee and Equal Opportunity Cell, we could enhance the tally of PwD students to 11, providing free education to all of them. The college has been the partnering institution with AICTE to provide education to J & K students under Prime Minister Special Scholarship Scheme (PMSSS). The College admitted 6 students this year under this scheme. University of Delhi selected our college as the **screening cum selection centre** for admission to undergraduate UG programmes to all DU colleges on the basis of Quiz under ECA Category.

I would like to share with you the **achievements of our students, faculty and staff**:

At the end of 2018, **599** students appeared in the University final year examinations. I am very happy to report that the pass percentage was **91.8 %** out of which **59 %** students obtained I division and **31%** obtained II division. A comparative analysis of results with all neighbouring and many popular colleges shows that the students of our college are outperforming all of them.

This outstanding academic performance of our students is very well reflected by receiving a number of academic scholarships/fellowships from various Institutions/organizations. The Prestigious DST Inspire fellowship of Rs. 80,000 per annum has been awarded to 8 students of our college this year. 7 students have received scholarships each of Rs 1 lakh per annum with full fee concession under J&K PMSSS scheme, five students of North East got UGC Ishaan Uday scholarship @ Rs 54000/- per annum. 25 students got scholarship under different state and central Government schemes. Six students of Department of Microbiology got a fellowship of Rs 2500/- per month under DBT sponsored extramural research Grant. Nikhat Parveen of BA (Hons) Pol science I Year got a scholarship of Rs. 9000 from World Brotherhood organisation. In all 130 students received such scholarships.

In addition to the above scholarships, the college also provides financial assistance to the needy and academically deserving students. **Rs. 2,69,000/-** has been disbursed to a total of **52** students as financial aid in this academic session. 39 students were given full fee concession. 404 SC/ST students were exempted from paying tuition fees this year.

The laurels brought by the students were not restricted to academics only. Their performance in co-curricular activities and sports was equally outstanding and commendable. A total of 15 prizes were won by the students of ECA Committee in inter-college competitions of arts and crafts, dance and music. Priya Kumari was awarded second prize in Painting competition at the renowned annual festival of IIT Bombay. Hitesh Taneja received III prize at International Day for preservation of Ozone Layer, organized by Ministry of Environment, Forest and Climate change. 10 prizes won by the students of debating society in national and Inter-college competitions. Shreya Uttam of BJMC was awarded third prize of Rs 11,000/- in a national debate competition in which 54 students from 11 states participated. The students of Quiz and Chitra society also won 15 prizes at

various competitions. In all more than 60 prizes were received by the students under above categories.

NCC cadets represented the college under 7th Delhi battalion in various National Events and Camps such as OTA SSB COURSE, CM RALLY, THAL SAINIK CAMP and PARASAILING CAMP. Many of these cadets were selected as the best performers during these camps. Gourav Sinha, NSS volunteer was selected to attend ten days NSS Adventure Camp in Himachal Pradesh and pre-Republic Day camp of North Zone in Rajasthan. He was one of the five NSS Volunteers selected from Delhi region. Another NSS volunteer Keshav Goyal was one among the ten students from all DU colleges who was selected for the National Integration Camp held at Mohali Chandigarh.

6 medals were won by our sports students in inter college tournaments in Judo and Boxing. 3 students were selected to play at All India University level in Judo and Ball Badminton. Shubham our best sportsperson won Gold medal in Judo in Khelo India National Youth games held at Pune. These sports star students were felicitated by the college through cash incentives and full exemption from payment of college fees.

The Quality of Higher Education is ensured by those mentors who strive hard to acquire new knowledge and act as role models for their mentees. Their achievements have far reaching impact on the delivery and transfer of knowledge.

It's a pleasure for me to share that a total of 6 Research proposals were submitted to ICSSR under IMPRESS Scheme for funding by our faculty this year. One Research Proposal entitled "**Study of varied complexities of North East region and role of National Cadet Corps to integrate it strongly within the national mainstream**" submitted by Dr. Sanjay Kumar Sharma as Project Director and Dr. Rita Jain as Co-Project Director was successfully approved for funding of Rs. 4.99 lakhs for one year. The other submitted proposals have cleared the stage II of the selection process and are under consideration. Mr Vinay Kumar of Department of Economics has received a research award under DAAD Exchange Programme to University of Buenos Aires, Argentina. Dr Parul Gaur of Department of History obtained an amount of Rs. 67000 from ICSSR to present her research paper in International Conference at Oxford University Church, Oxfordshire UK.

Dr Ravish Lal of Department of Geology got INQUA award of 1400 Euros to present his research paper in the 2019 congress held in Dublin, Ireland.

In this session, our faculty has published 18 research papers/articles in highly reputed and refereed journals, 6 books and 14 chapters/e-modules. Faculty members have presented 33 research papers in various International and National Seminars/Conferences. 5 faculty members have attended three weeks refresher/orientation courses. One PhD student has been awarded PhD degree under the guidance of Dr Rakesh Kumar, Associate Professor in Hindi and three more PhD students have been registered under Dr Rakesh Kumar, Dr Sanjay Kumar and Dr Archana Gaur of Department of Hindi. Six office and library staff attended upgradation training programmes conducted by the colleges and University of Delhi.

I would like to take this opportunity to brief you about the key developments and new initiatives taken by the college during the year

This year we are able to fulfil a long standing requirement of UGC i.e. accreditation of the college by National Accreditation and Assessment Council (NAAC). The college has been **Accredited by NAAC and got a CGPA of 2.84 with grade of B++**. Two major features of the college identified by the Peer Team were 1) the Staff and students along with the Principal work as a cohesive group and 2) Green and clean campus and very aesthetically maintained. I extend my heartfelt thanks to all the students, faculty and staff involved in the preparations of NAAC evaluation for showcasing our strengths and setting an example of team work. The college is taking all necessary steps now to achieve a better score in the next cycle.

Our college was selected as one of the five **Nodal Centres in Delhi by NSS Directorate** to host District Youth Parliament (DYP) competition to select the best ideas of youth for the future development of our Nation, a thought of our honourable Prime Minister.

A new **Centre for Human Values, Life Skills and Ethics was established in the college** which has started a non-credit 40 hours course on Human Values, Ethics and Life

Skills for Ist year students.170 students have attended this course and will be awarded a certificate soon.

For enhanced learning experience of students and faculty, Ram Lal Anand College enrolled itself as **Local Chapter** for MHRD sponsored National Program on Technology Enhanced Learning (**NPTEL**) and appointed Ms. Sweeti Yadav, Assistant Professor, Department of Mathematics as single point of contact (SPOC). A total of 731 students and 18 faculty members of ten departments enrolled in different courses on NPTEL and 105 students registered for certification exams and 52 successfully completed the courses in first phase. Rupendra Yadav of BSc (Hons) Mathematics topped in Linear Algebra course on NPTEL. This is a very promising beginning in the direction of curriculum enrichment and we will certainly see more enrolments next year.

The college has started regular in-house training programs for faculty and non-teaching staff from this session. Four Faculty Development Programme on "**Writing Research Proposals and Addressing IPR Related issues**", "**Quality Assurance in HEIs: Reorienting Teaching-learning Paradigm", "Emotional Intelligence**", and **HADOOP** were conducted. A total of 142 faculty members from RLA and other colleges have been benefited through these programme. One **Training Program** entitled "**ICT tools for Beginners**" was organized for non-teaching employees of different colleges and universities. 35 staff participated in this programme.

Alumni Association of college has been formally registered under the Societies Act this year. The Association organized its first Alumni meet which was attended by Around 120 alumni. From the corpus fund collected from Alumni registrations, Alumni Merit scholarships of Rs.3000 each have been started for toppers of all programs and this year 31 scholarships have been awarded.

Three Add on Skill development certificate Courses in association with industry were successfully conducted. These are "Hospitality and Tourism Management" in collaboration with Nijhawan Group, "Hindi Anuvad" in collaboration with Hindi Anuvad Parishad and "Data Analytics" (SQL, advanced Excel and R programming) in association with Step Up Analytics**. 110 students have been trained in these industry/job oriented skills.**

Out of the first batch of certificate course in Heritage and Tourism Management last year, 75% students got placements in tourism industry. The college highly appreciates and extends its gratitude to Mr Ankush Nijhawan, Director, Nihjawan Group and TBO Company and his team for their efforts in providing logistics for hands on training and placements as per our MoUs terms and conditions.

In order to promote academic cooperation and to provide a platform for students to enhance experiential learning and hands on training **Five MoUs have been signed by the college in this year with the following: IQAC of ten Colleges in Delhi (IQAC Cluster), S M Sehgal Foundation, Molitics, Amar Ujala Publications Limited and with School of Open learning, University of Delhi**

As part of MoU signed last year under "Science Setu" program with THSTI, 25 students of Microbiology participated in conference in "Immunocon-2018" and 11 students participated in a three-day lecture on "Overview of Cellular and Molecular Immunology". Five students were selected as summer interns at THSTI.

With the dedicated efforts of Infrastructure Committee, a number of infrastructural projects have been completed and handed over including **Renovation and extension of Library into one of the best libraries of University of Delhi** and **Colleges, Administrative** office, **Accounts office, amphitheatre and laboratories.** A herbal Garden has been developed near the canteen to promote Indian Ayurvedic system of medicine. Organic waste composting machine has been installed in the college and waste segregation is being practiced. The college laboratories were enriched with latest computers and other equipment. The landscaping of the college lawns has been completed. The college exterior has been completely transformed, students are enjoying the enhanced visibility of the college and proudly sharing the pictures on the social media. A number of places in the college have become selfie points.

A number of upgradations have been done in the library. **INFLIBNET** has been subscribed by the college for remote accessibility of reading material to students and faculty. OPAC system has been made functional for an easy access and location of books in the library. **Kindle section** has been opened for digital reading of books. More than two

lakh books have been uploaded on the Kindle devices. A dedicated reading room for PwD students with books in brail and for faculty has been made functional in the library.

Some quality initiatives recommended by IQAC of the college have been instituted. One such initiative was **Bimonthly Cleanliness Drive** involving one department at a time to inculcate a sense of responsibility amongst the students. Under this initiative, departmental faculty and students participate in campus cleanliness drive according to a schedule prepared in advance. An encouraging number of 55 faculty members and more than 500 students participated in these drives. The Academic and green audit of the college has been done. Many of their recommendations have already been implemented.

Another important initiative is the start of granting **Seed money to fund Small Research Projects** to faculty members from college resources. The guidelines for this will be formulated by Research and IPR cell of the college. The college will be providing seed money and facility to students and faculty to develop their innovative tech ideas into a prototype.

With the mandate of Govt of India to promote innovations and Startup culture, Centre for Entrepreneurship and Technology Development (E-Cell) under its business incubator scheme, invited **innovative ideas/business plans from students** for new startups. This year we received 10 such proposals from students which were evaluated by Mr Digvijay Singh the COO, India Angel Network. Shubham Raj of B.Sc. (Hons) Computer Science has been selected for Best Startup Idea 2019 award carrying a cash prize of Rs. 5000 along with mentorship and incubation support. Before doing this, more than 10 founders of various new and successful startups were invited to share their experiences with the students.

175 students were selected this year for summer internships out of 250 students participated in the two days Internship Fair organized by Career Counselling and placement cell of the college. A total of 57 students from different departments completed summer Internships in 2018 at various institutions during May-July 2018. A large number of students were hired by companies like Amazon, Intellicon, etc. through campus placements.

As an index of growth and prosperity of college, I would like to proudly share that a total of About **24 lakhs of funding** has been generated by the college this year from non-

government (sponsorships) and government sources other than UGC, for organising various activities.

In addition, long pending outstanding dues of property Tax of SDMC of Rs 60 lakhs as on 31st March 2004 were cleared after continuous persuasion of UGC. Similarly, a long pending grant due since 2015 of Rs 52 lakhs in support of Department of Geology was received from UGC after lots of liaisoning. 7th Pay commission for teaching and non-teaching staff has been implemented.

RLA College is committed to inculcate moral values, a sense of responsibility among the students and their holistic growth. To achieve this goal college organised several activities on social issues under dedicated NSS unit, NCC unit and many staff council committees. Some of these activities are awareness rallies or events on cleanliness, cancer, conservation of water, Second Anniversary of Surgical Strike, spinal injuries, voter awareness, 15 days educational camp for the children of **our adopted** slum in South Moti Bagh, a Week Long Self Defence Training for girls, North East integration programme under "Ek Bharat Shreshtha Bharat", panel discussion on issues of PwD and reservations, Ahimsa rally on 100th Kasturba Gandhi Death Anniversary, commemorating the 100th Anniversary of Jalianwala Bagh massacre and seminar on Nationalism, Patriotism, Human Values and gender equality and other issues**.**

Union and its Advisory Committee in association with Arts and Culture Society and North East Society. The festival showcased the outstanding talent of the student participants from 20 colleges of University of Delhi in various competitions like western dance, choir, battle of bands, folk dance, street play, quiz, debate, photography, videography, etc. The role of elected office bearers of the Students Union in the college functioning through various committees was very positive and commendable.

SPIC MACAY RLA Chapter organized a musical concert by one of the top soloists of India Pt. Shubhendra Rao with Sh. Pranshu Chatur Lal. His music was a great experience and instilled the value of Indian Culture in the minds of students.

Many seminars/workshops were organized to enrich the students with recent advances in their respective fields and connect with Eminent Personalities and Academicians. Being a long list of events, a few are being mentioned here. **Department of Microbiology**

organized a **National Seminar** on "**Probiotics: Ameliorating the Burden of Lifestyle diseases**" through a funding support of Rs 1,00,000 from Probiotic Association of India. The Department of Political science collaborated with Indian Institute of Public Administration for conduct of a one-day National Consultation/workshop on "Ambedkar's **thoughts on Socio-Economic Transformation**" and got a partial funding of Rs 25,000 for the same. Department of Computer Science organised a national seminar on **Ethical Hacking in collaboration with ICT Academy**.Gandhi Study Circle organized a national seminar entitled "Understanding Gandhi" for which it got funding support of Rs. 55,000 from Gandhi Smriti and Darshan Samiti, Rajghat, New Delhi.

Department of Physical Education organised a fitness camp for students and staff of college for awareness of physiological parameters BMI, Body Fat etc. **I am proud to share the observation of this fitness camp that more than 85% of students were found healthy on these parameters.** A **painting workshop** for students entitled "For the love of Art" was held with the themes like Indian culture, women empowerment, yoga and Meditation and Village sports. These paintings have been placed on the walls of Arts and Culture activity Hall in the central lawn and have become the centre of attraction and have been appreciated by all the visitors to the college. 3-day Yoga Work shop on the International Yoga Day, one-week theatre workshop and many one day seminars were conducted by almost every department, cell and society.

A large number of eminent personalities from various walks of life and great academicians were invited to motivate and guide our students. Some of them are Dr Mahesh Sharma, MP Rajya Sabha; Prof Achyutanand Tiwari, ex-Vice-Chancellor, Makhanlal Chaturvedi University, Bhopal; Prof Bhagwan Lal, Chairman, National Commission for Backward Classes; Prof Binay Kumar, our honourable chairman; Ms Lalita Nijhawan, GB Member and Director, Nijhawan Group; Prof Ramamurthy, National Chair, THSTI, Prof Sushma Yadav, VC, Bhagat Phool Singh Mahila University Haryana; Prof Sheela Reddy, Ambedkar Chair, IIPA; Prof Sachidanand Joshi, Director, Indira Gandhi National Center for Arts, Delhi; Dr Thokchom Meinya, Loksabha MP, Manipur; Ms Monika Arora, Advocate, Supreme court.

Field trips were conducted for students of various departments to enhance curriculum-delivery and bring a practical perspective to classroom teaching. This year students were taken to various Institutions/Industries like Yakult Industry, IARI PUSA, National Seisemic Centre, IMD Delhi, Atomic Mineral directorate, Babasaheb Dr B.R. AMBEDKAR Memorial, Delhi and various sites of cultural and historical significance in Rishikesh, Chittorgarh, Udaipur, Datia-Jhansi-Orchha Belt of Madhya Pradesh, Dalhouise, Dharmshala, etc.

Editorial team of the college including faculty and students has worked hard to bring out a wonderful edition of magazine '**Samdrishti** which will be released soon. The other two publications of the department of Hindi Patrakarita Evam Jansanchar '**Sambhav**' and '**RLA Samachar**' are important means to providing the handson training experience to our students and will also be showcased. The college is in the process of getting these periodicals registered for ISBN number.

I greatly acknowledge the **Discipline Cum Anti Ragging Committee** that worked throughout the year to maintain discipline and a peaceful environment in the college.

I would like to extend my gratitude towards all our talented **teachers** and hardworking **non-teaching colleagues** for their year round hard work and dedication without which any of the above achievements would not have been possible.

An event of this dimension cannot happen overnight. I thank the very motivated and dedicated **Function Committee** members who have worked very sincerely to organise this function and also to the Student Award Committee to decide Best Students of the year based on their Academics, research and performance in extracurricular and extension activities in three years of undergraduate program.

I would also like to extend heartfelt gratitude towards the **Chairman and all the members of Governing Body** for working in the direction of strengthening and augmenting the college facilities and guiding us in all our endeavours to take this institution to newer heights.

In the end, I congratulate and give blessings to our two **Best Students of the year**, one from sciences and other from Humanities and commerce who have showcased remarkable talent and dedication in academics and extracurricular activities in their respective

undergraduate programs. This year onward the best student awards will be bestowed in the memory of our beloved Ex-principal Dr D K Pabby who was a great teacher, philosopher, and a gentle and kind philanthropist and was instrumental in starting these awards. The Awards will carry a cash prize of Rs 20,000/- each, a plaque and a certificate. The cost of the award will be met from the interest returns of Rs 8 lakh donated by Ms Pabby to the college. The students and staff of the college are highly grateful for this kind act of Ms Pabby and family.

I also congratulate all the students who have excelled in academics and are about to receive prizes shortly. I wish all the best to our students for semester end examinations scheduled in the coming months May-June.

I thank you all for your patient listening.

Dr Rakesh Kumar Gupta,
Principal

Enactus, a team of 52 student members from various departments of the college including Statistics, Mangement Studies, Political Science, Commerce, English and Computer Science.

The team holds two projects currently:

1) Paper pencils project -**Roopantaran** which was initiated in November 2018, sustainable model to manufacture and market pencils made out of Newspapers. This project is in collaboration with Family of disabled (FOD- a non-governmental organisation for the upliftment of especially abled people).

- Sustainable entrepreneurship model handled by the team is the paper straws project-SAARANG. This is designed to manufacture paper straws in collaboration with FOD. The training session of the community for the production of straws is

held time to time as per the availability of students and community. The project is still under the early stages of development.

The team has participated in many B-plan competitions in various colleges and has managed to get orders from various offices and companies in Delhi. Also, the paper pencils have been widely accepted by people as the team sees massive optimistic results from places it has been putting up stalls like Sri Venkateswara college, Pragati Maidan etc. Recently a stall was also put up at DPS Vasundhara in their School PTM.

- Enactus organized a donation drive for the victims of Kerala floods on 7th August 2018, the team won appreciation from everyone at college (52 students and one faculty Member)
- Two -day recruitment drive for members in August 2018 which saw participation in large numbers. This led to the welcoming of new members on board by organising an orientation programme for the entire team.

Minutes of Third IQAC meeting

Meeting date: 11 July, 2018 at 11 am

Attendees: Dr Rakesh Kumar Gupta, Principal and Chairman IQAC; Dr Prerna Diwan, Coordinator, IQAC; Dr S.C. Dabas, Dr Rakesh Kumar; Dr Sanjay Kumar Sharma, Dr Mukta Dutta Majumdar, Dr Neena Mital, Dr Pradeep Sharma.

Dr Rakesh Kumar (Department of Hindi), Dr N.K.Pandey, Ms Ritu Kalra expressed their inability to attend the meeting.

Agenda Item 1: The chairman opened the meeting by welcoming the members and the coordinator presented the Action taken report.

Agenda Item 2: Quality initiatives to be taken for the coming session 2018-19

a. After detailed discussion, It was decided that since Chinese and Japanese languages are in high demand in current scenario and are not being offered in neighbouring colleges, the college can start certificate courses with prior approval from GB. To begin with, a certificate course can be started in session 2019-20 followed by introduction of diploma course in session 2020-21 along with certificate course in self-financing mode. The classes can be scheduled on weekends with visiting faculty members from university of Delhi departments. For these courses **Dr K. G. Tyagi and Dr Alankar will be Coordinator and Co-Coordinator respectively.**

b. It was decided that **IQAC** will organise two days FDP on Modern/ Innovative Methods of Teaching in this session. This will cover acess/utilization of E-resources, LMS, lecture recording, ICT tools etc. **Dr Prerna Diwan, Dr Kusum Gupta and Dr Salome John** will be involved organising this event. The chairperson informed the house that a FDP has already been scheduled in

September/October 2018 on "Emotional Intelligence" in association with ICT Academy. **Dr Vandana Gandotra** will be Incharge for the same.

c. **IQAC** will also conduct One Day Training Programs for Non-Teaching Staff covering the following topics:

- GeM: Government E-marketplace
- E-Tendering/procurement
- Medical Reimbursement Rules and Guidelines
- Administrative works
- Professional Ethics
- Gender sensitivity and sensitivity towards PWD and weaker sections of society.

Dr Prerna Diwan and Dr Sanjay Kumar Sharma will be Coordinator and Co-Coordinator respectively for this event.

d. Additionally, a 5 day workshop for Non-teaching staff on ICT tools will be organised in this session by IQAC. **Dr Prerna Diwan and Ms Nupur Tyagi will be Coordinator and Co-Coordinator respectively for this event.**

e. Committee decided to introduce Human Values and Life Skills courses for students of I year to be offered in semester II. For this one or two periods per week will be allotted. **Dr Rita Jain and Dr Sanjay Kumar Sharma will be Coordinator and Co-Coordinator respectively for this course** and they will decide all the modalities and curriculum for the same.

f. It was decided that for Mentorship scheme, all students will be assigned mentors by the **Principal**. Each Faculty member will be assigned 16-17 mentees from other departments and 7-8, final year mentees of their department. This will take care of career counselling that is the requirement of III year students. A register will be provided to all teachers to maintain the

records of mentor-Mentee Meetings and remedial classes. **Dr Mukta Dutta Majumdar** will be Incharge for this scheme.

g. A meeting of **IQAC Coordinator** with the last year's and present society conveners/department TICs will be convened regarding report writing for the events/activities conducted.

h. It was decided that **CCPC** should explore the possibility of coaching classes for entrance examination on weekends between 9-1 pm by calling teachers/Experts from outside or from the college. These classes will run in self financing arrangement with prior approval from Governing Body.

i. Members apprised the house that steps need to be taken to improve the documentation and record keeping for academic, administrative, research and extension activities on a regular basis. It was decided that a proforma for report writing be provided to all teachers by **IQAC**. Since it is difficult to get data from students who graduated, hence all students of III year will be asked to register for College Alumni Association by submitting a form with all their details including mobile no, email id, permanent and corresponding address to the college office. A form will also be filled by the students at the time of collection of degree certificate, with all details including their current affiliation and exams passed/appeared for updating their previous information. It was also decided to add an amount of Rs 500 / as alumni registration fees in III year fees.

j. Steps will be taken to properly maintain Faculty conference/s and publication records with proofs on a regular basis. A detailed record of payments made to faculty members to present papers in conferences will be maintained yearwise by the office. A separate list of publications be prepared each year for papers in UGC listed and non-listed refereed journals along with impact factors. Book publications/chapters be categorised under national and international publishing Houses.

Agenda Item 3: Any other Matter

Following decisions were taken.

a. It was decided to hold atleast two **Parent-Teacher meetings** in coming session, in Oct/Nov and Mar/April for odd and even semester respectively. For this detailed department wise schedule will be displayed on college website well in advance and information will also be sent to parents by SMS. **Dr Kusum Rani Gupta and Dr Parul Gaur will be Coordinator and Co-Coordinator respectively for these events.**

b. A fresh proposal for introduction of B.A. (Hons) Economics will be submitted to the University. **Dr Rakesh Kumar and Dr Sunenyana Sharma** have been assigned the responsibility to prepare this proposal on the lines as was earlier recommended by GB in its meeting held on 20October 2015.

c. A new **high efficiency scanner** will be purchased for office to digitalise all documents. All GB meeting minutes till date will be converted into digital formats

d. A **Sports Facility Development Committee** was constituted to prepare a plan for next 5 years identifying new games for which facilities can be developed. **Dr Pradeep K Sharma, Dr Sanjay K Sharma** and **Convener, Infrastructure committee** will be members of this committee.

e. The **departments** will be asked to write and submit proposals to various granting agencies to organise National/ International Seminar/ Conferences/ symposia in the college. The department will also be asked to conduct atleast one Alumni and current students interaction per semester by inviting well established Alumni of the college.

4

f. The **office** will be asked to prepare a complete list of students admitted in I/II/III year from 2017-18 onwards with their admission forms, Class XII certificate and category certificates scanned and stored in digital format, subitted to IQAC for verification. If possible registration forms may be directly downloaded from DU portal to save the information in digital format.

g. Results of the session 2017-18 will be analysed by the **Coordinator, IQAC** and first ten positions in University of Delhi in all three years will be identified and documented.
