6 March 2017

This is to register my appreciation for a successful College festival NEXPLORA-2017 organized on 3rd and 4th March 2017. This smooth event became possible with the earnest efforts of the members of the Students' Union Advisory committee, Arts & Culture Society, Discipline Committee, Students' Union, Students Volunteers of various societies, members of the teaching and non-teaching staff and all the students of the College.

I thank everyone for all their hard-work in making this festival a grand success. Hoping for such cooperation in future as well.
