

# RAM LAL ANAND COLLEGE

Benito Juarez Rd, South Campus,  
South Moti Bagh, New Delhi, Delhi 110021

## ABOUT

Ram Lal Anand College is a fully University maintained institution administered by a statutory Governing Body as per university ordinances and legislated by Executive Council of the University of Delhi.

Established as an institute of higher learning in 1964, RLA College embodies the ideal of a public funded higher educational institution with an emphasis on inclusivity, integration, quality and social equality. The College works with the motto "Shraddhawan Labhte Gyanam" which implies those earn knowledge who work for it with dedication. Traditionally, in our college mentoring of the students starts from the day of admission in college and goes on until much after their graduation. The experience and knowledge of the teachers instills values of honest behavior, planning for a holistic growth and aspiring for a clean and healthy future for one and all. In the times of cutthroat competition, we teach our students to look out for fellow humans, respect national unity and global harmony, learn new concepts quickly and effectively, and finally, to complete the cycle of give and take by reciprocating and returning to the world.

## CORE VALUES

The core values are a set of principles that guide the practice and development of curriculum, faculty, students, and staff. Our college is dedicated to meet the expectations of the community we serve through the following core values.

### ETHICS

To provide a learning environment that encourages responsibility, and socially acceptable behavior which respects the dignity of all stakeholders.

### INTEGRITY

To uphold the highest ethical standards in all practices both at the personal and at the intuitional level.

### QUALITY EDUCATION

Provide educational programs that lead to the acquisition of knowledge and skills necessary to achieve information literacy, career advancement, personal enrichment, leadership, and service to the community. To ensure that the quality service is achieved our college assesses practices, policies, and procedures on an ongoing basis to strengthen the overall effectiveness of curriculum, instructional delivery, and operations.

### RESPECT

The college recognizes the expertise of all college members by encouraging and individual and collective contribution.

## INNOVATION

The university provides space for research and innovation at undergraduate level through innovative projects. Each year, our college applies for and is allocated a number of innovation projects that involves a number of students and teachers. Our institution encourages each department to participate in every possible opportunity that involves innovation.

## EQUAL OPPORTUNITY

To provide equal opportunity to all sections of students, our college has an Equal Opportunity Committed (EOC) to look after the interest of all students throughout the year.

## CULTURAL FREEDOM

To provide an environment for the students to experience cultural activities as they nurture in their appreciation for the diversity of ideas, both inside and outside the classroom.

## SAFE AND HEALTHY ENVIRONMENT

We promote a safe and healthy environment where all stakeholders can flourish personally, socially and professionally with obligations to co-exist and help each other as part of the institution.

## DIVERSE

The college recognizes the expertise of all college members by encouraging and individual and collective contribution.
