

About the College

Ram Lal Anand College is a NAAC accredited college with a B++ Grade. The college ambience provides for holistic growth and development of the students.

The alumni of the college are well placed in various multinational corporates and government sector at senior positions in India and abroad.

Why go for an MBA?

Studying an MBA degree forces you to get out of the comfort zone. You'll explore the latest business trends, apply the newest management tools and techniques, and challenge yourself to improve your business, teams, and collaboration. The abilities you develop are also the best tools you have to adapt to the unavoidable change of industries, the marketplace, and the ways people do business.

About the program

The coaching classes are being organised for students of RLA to help them prepare for CAT.

The students will be prepared from the scratch, covering all the sections that come in these exams.

All the cost of this program will be beared by the college and is free for all the RLAC students.

The CAT course will enable the aspirants to take admission in several reputed B- schools. The same concepts are tested by other management exams like XAT, MAT, IIFT, SNAP etc

About CAT

Common Admission Test is the most famous entrance exam for getting into MBA. The CAT Score allows the candidate to be eligible for most of the best B-Schools in India including the IIMs which hold the CAT Exam.
