

WEBINAR ON RECENT HR TRENDS IN THE INDUSTRIES

“TRAIN PEOPLE WELL ENOUGH SO THEY CAN LEAVE, TREAT THEM WELL ENOUGH SO THEY DON’T WANT TO”, With this Quote from Sir Richard Branson, the webinar on “**Recent HR Trends in Industries**” organised by BMS Department on 3rd April 2022.

The importance of an effective HR in the success of any firm is ubiquitous, financial resources may be the lifeblood of a company but human resources are the brains. Human resources are not what we do it is the thing that drives our business.

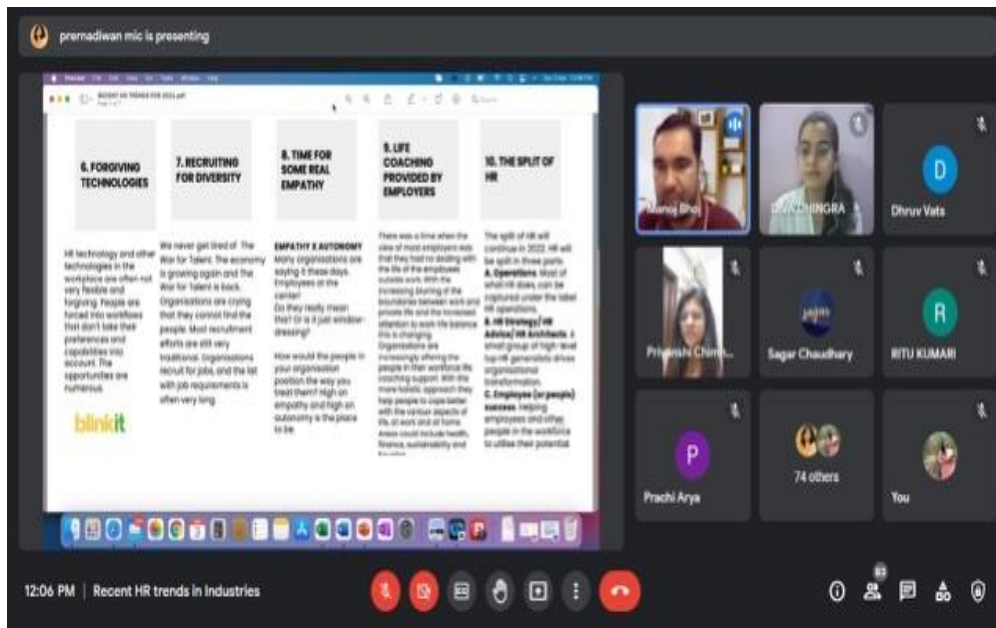

The speaker of the session was **Mr. Manoj Singh**, a Human Resource professional with more than 9.8 years of hands-on experience as HR Generalist and Business partnering role. He is currently working as a senior human resource manager for North and Central India in Blinkit.

Mr. Manoj Singh made the session quite interactive and open to questions. He shared the process of the change his company went through From Grofers to Blinkit. Also talked about successful execution of the idea of making the company almost synonyms to Grocery to taking the delivery system of products of daily use and groceries in India to a whole new level with a 10 min delivery benchmark. He described HR trend model in relation to his Company Blinkit and explained many vital terminology of HR Management. Session was attended by 80 students.
