

## **OUR CONSTITUTION - QUIZ**

Statecraft, the Political Science Department Society of Ram Lal Anand College, University of Delhi, organised a two-day thematic quiz on ***Constitution of India*** on 24th and 25th January, 2022 from 10:00 AM onwards. This bilingual quiz, spread over as a two-day event, was held online over Google Meet.

Especially, this quiz was organised to commemorate India's 73rd Republic Day, under the mentorship of our honourable Principal Prof. Rakesh Kumar Gupta, TIC Dr. Triranjana Raj, Society Convenor Dr. Kshama Sharma, and event coordinator Dr. Alankar. Particularly, the event was aimed to nurture constitutional values among students and aid their understanding of Indian Constitution, sections of which are duly part of BA Hons Political Science curriculum of University of Delhi.

The preparations for the quiz began early on in January with the formation of a full-fledged Organising Committee comprising of selected students from the department; Adya V Minaxi, Amit Koli, Anuj Choudhary, Mansvi Bangarh, Monifa Noor, Piyush Ranjan, Pranav Khosla, Ritika Pandey, Sachin Yadav, Sania Khan, Shashank Upadhyay, Shivam Yadav and Siddharth Sharma. The quizmasters designed the elaborate quiz spread over sixteen (16) rounds, each pertaining to a different aspect of our Constitution. The challenging questions were not put in any confusing manner for participating students but in such a way as to make them gather future interest in studying our Constitution in-depth. It goes to immense credit of the Organising Committee members who prepared posters, set up rules, and divided quiz rounds amongst themselves along with praiseworthy translations in both English and Hindi, with varying levels of difficulty to make the final quiz interesting and insightful for all participating students.

On the days of the event, the quiz proceeded smoothly each round was moderated by a different member of the Organising Committee. The 190 questions spread over the rounds ranged from the history of Constituent Assembly formation to its well-known debates (*CAD*), technical aspects of the Preamble, Fundamental Rights and Duties, Elections, Parliament, Judiciary, President, Schedules & Parts, Amendments, contemporary developments and a lot more. The questions were mostly in multiple-choice answer format yet some were kept open-ended as well. Many questions were also posted along with audio, video and pictographic clues and background.

The response to the event was quite enthusiastic with about 46 students answering various questions along with 70+ other inquisitive participants. The satisfaction level of students with the overall event was reflected in their responses to the online feedback forms, which hinted at an overall positive response from the participants, and an excitement for more such upcoming events.

The event came to a successful end with a reading of the ***Preamble*** on 25 January 2022.
