

Ram Lal Anand College
B.Sc. (Hons) Geology Gold medalists during last 5 years

Kastur Parida (2017 – 20 Batch)

Kastur, an amazingly hardworking person with her diligence and persistence was a natural gold medalist of the University of Delhi for B. Sc (Hons.) Geology in 2020. Having got all India 9th rank in IIT JAM, she secured admission in IIT Mumbai. There, through campus selection, she acquired the post of Geologist in Cairn India Ltd.

Akash Nair (2018 - 21 Batch)

Akash, bagged the Delhi University Gold Medal for B.Sc. (Hons Geology) in 2021. He secured 52nd rank in JAM 2021 and joined IIT Kharagpur for Master's course in Geophysics. There too he maintained edge over his peers and bagged the 1st rank. Being overall topper in all the PG courses of his batch in IIT Kharagpur, he was awarded the President's Award presented by Honorable President Draupadi Murmu. Currently Akash is pursuing PhD in the University of Alberta, Canada.

Priyanshi Pande (2020 - 23 batch)

Priyanshi, a keen learner from 1st yr onwards, never got deterred by the fact that major part of their undergraduate course was completed in online mode. She showed her curiosity and remained interactive in the class all the time. She bagged Delhi University gold medal for B.Sc. (Hons) Geology in 2023. Currently, Priyanshi is pursuing M.Sc. in Geology from University of Delhi.

Akansha Rawat (2021-24 Batch)

Akansha, a silent multitasker has always known clearly about her interests and priorities. Apart from being a good student, she has been active in various co-curricular activities of the department. She secured Gold medal in B.Sc. (Hons.) Geology in the University of Delhi, 2024. Having secured good rank in IIT JAM she got admission in IISER Pune, where she is currently pursuing her Master's degree.
