NOTICE

Department of Geology, Ram Lal Anand College in collaboration with the Association of Polar Early Career Scientists (APECS) is organizing talks by Prof. N. C. Pant (Dept. of Geology, Delhi University) and Mr. Raghu Ram (Sr. Geologist, Polar Science Division, GSI) on "Polar Studies in the Services of Mankind" on 22nd September 2017 at 2.00 PM in the College Amphitheatre.

The changing climate in our mother Earth is a great concern during recent times. Ice covered Polar Regions has a great role to understand this. The talks will be informative and interesting in terms of increasing knowledge about the Arctic Region.

All the teachers and students are invited to attend the talk to get its benefit.
