Glimpse about the sessions organized during 2019-20

In today's dynamically changing market building an effective career strategy becomes imperative. Objective of the Career Counseling and Placement cell (CCPC) of Ram Lal Anand College is to provide resources, guidance and assistance to the students to pursue their career goals. It provides awareness on higher studies, self employment and job opportunities. The cell takes adequate steps in identifying the current demands of the industry and prepares students towards this need. Adequate emphasis is given for soft-skill development complementing the regular academic performance since we identified a gap in students.

CCPC organized a number of career guidance and Soft-Skill development activities throughout the year by inviting speakers from industry associated with the subjects being taught in the college so that they could impart them subject specific guidance. CCPC invited Shawrya Mehrotra, Founder and CEO of Metvy to give a seminar on Entrepreneurship and startups, Mr. Aman Dhatarwal a motivational speaker on Youtube with more than 25 million viewers for a seminar on Importance of Internships and Placements, Mr. Sajid Hussain - Founder StepUp Analytics (8 years experience on Machine learning) and Mr. Prem Dalai – member (7 years industry experience and IIT Kanpur Alumnus) for a career counseling seminar on Data Science, Machine Learning and Artificial Intelligence, Dr. Garima Gupta, Associate Professor, Faculty of Management Studies for an interactive career counseling session on career in Management and Mr. Dhananjay Kumar (Alumni) who is pursuing his Masters in International Studies at Warsaw School of Economics.

CCPC also organized a one-day workshop by Mr. Gautam Gambhir - CA & Founder MasCom and Mr. Sahib Chawla - Co-Founder MasCom Soft Skill Development and Employability Enhancement Workshop and a five session certificate course on soft-skill development by Mr. Gautam Gambhir - CA & Founder MasCom which covered topics like communication skill, Personality Development, Resume making+Problem Solving, Group Discussion and Team Building & Leadership.

CCPC also organized a number of off campus and on campus placement and internship drives by various companies like CVENT, OYO, NICL, Sharekhan, Chegg India, Dash Star, Adinath Probuilt Pvt. Ltd. - Angel Group, WEGILE and Amazon. A total of 24 students got placements.

Students were also informed about some important internships like MOEF&CC internship for geology, CSIR internship for Microbiology and Geology students. One student Aman Gupta from Geology got selected for prestigious MOEF&CC internship. Five students from Geology got selected for CSIR Online Internship. Many students from Microbiology also got selected for CSIR Online Internship.
