### 4. Documentary Screening on Permaculture Date: 3<sup>rd</sup> April, 2023

Hirav-The Green Campus society of Ram Lal Anand College organised a permaculture documentary screening event on 3<sup>rd</sup> April 2023. Theme of the

documentary was permaculture which simply means- the development of agricultural ecosystems intended to be sustainable and self-sufficient.

The Documentary was very enlightening insightful and it taught how the process of agriculture can be made nature friendly without intoxicating our soil.

Around 55+ students attended the event and gained knowledge about an interesting and sustainable type of farming which will be game changer in the contemporary scenario of chemical based farming which harms the land and ultimately the living beings.

So a big thanks to all the participants and all the best for your future endeavours.
