ABOUT US

'Vasudha' is a youth-driven organization led by the students of the college who aspire to learn about and improve the environment. The club under the direction of Dr. Parul Gaur (Convenor) and Mr. Arvind Patel (Co Convenor), intends to protect and restore nature and fund ideas for a better future. The purpose of this club is to create opportunities for the personal, academic, and professional development of its members and to mobilize students with problem-solving skills to make the planet greener and cleaner. We believe in action and not talk. The club recognizes bringing change and therefore warmly welcomes new hands to the service because it matters to bring change.

'One person trying to save the planet is one less person trying to destroy it!'

"एक के करने से क्या फरक पड़ता है?
लेकिन एक-एक के करने से बहुत फरक पड़ता है।"
