Principal's Report

1. Name of The College: Ram Lal Anand College

2. Major Activities and Achievements:

The Academic session 2020-21 remained productive despite the lockdown due to ongoing pandemic. While uncertainties persist, we remained focused on our ambitions and dedicated towards creating a culture of academic excellence keeping a regular dialogue with different stakeholders. The faculty smoothly made a transition to online mode of teaching. The College enhanced its IT support and infrastructure. The students and faculty were provided with G-Suite account facility with Institutional email IDs for online classes and to have Google classroom access. An **FDP on ICT Tools and LMS** was conducted for all faculty members before the start of academic session 2020-21 to facilitate online teaching covering all platforms including Google Meet, Google Classroom, Canvas, JioMeet, Zoom, Photo and Video Editing tools.

The pass percentage of outgoing batch 2017-20 was 93.1%. In 2020-21, a total of 871 admissions were done against 886 sanctioned seats in various programmes. An online Orientation Program for new students enrolled in 2020-21 was held on 20th November 2020 using the Zoom platform that was attended by more than 600 students and parents. For Open Book Examinations of final year students, all necessary information and advisories were regularly shared with students through a dedicated tab on the website, email and class Whatsapp groups. Students have been given remote access to Library Resources via NList membership so that they can have reading material access at home. For Visually Challenged students, the prescribed books were shared after being converted to VH readable E-Texts.

For curriculum enrichment, **the college offered 21 skill development certificate courses** for students (without any additional fees) in online mode to utilize the lockdown Period constructively. Also, there were a total of 749 certificate course completions including 13 specialised courses by students and faculty on Coursera platform.

For physical and mental fitness of students and staff, a course on **Yoga and meditation** has been running since 1st June 2020 in online mode. The **Human values, Ethics and Life Skills** course was also offered in online mode to all semester I students. Three new short term courses for preparation of Entrance examinations (CAT, PO, SSC, Civil services etc) were conducted by CCPC. Among other new initiatives, a **Book bank Facility with** a provision of complete set of

course books for needy students of all programmes has been financially approved by Governing Body. A **Gender Sensitization Committee** has been constituted under the staff council. Two new journals “Asmi” and “Journal of Human Values, Ethics and Life Skills” (multi-disciplinary) have been approved.

The college has also started an **Endowment Fund** under which donations of **INR 8 lacs has been received** from the college this year from stakeholders and public. The funds received will be utilized for the purpose of scholarships or awards for the meritorious students.

Long pending process of **Promotions of 36 faculty members** from Stage 1 to Associate Professor levels have been completed. No backlogs of promotion cases are pending. **3 members of Non-teaching staff** were granted financial upgradation under MACP, **4 Non-teaching staff have been promoted.**

During this academic session, **one International Conference, 3 National Conferences, 8 International Seminars, 4 National Seminars, 7 Alumni lectures, 5 faculty/professional Development Programs and 11 workshops** have been conducted.

An amount of **INR 24.54 lacs has been sanctioned to make the campus barrier-free** for students with disability. Installation of a 100KW Solar Plant on college roof top has been approved. A grant of **INR 50 lacs has been approved for development of Studio Theatre from Ministry of Culture, Government of India.**

In 2020-21, the entire admission process was conducted online as per the directives of University of Delhi. A total of 871 students were admitted in various programs against 886 sanctioned seats. The total number of student admitted- including the supernumerary seats under the Pwd/CW/Sports/ECA/Ward quota- were 926. An online orientation program for students enrolled in 2020-21 was held on 20th November, 2020 using the Zoom platform. In the orientation program, various faculties briefed students on academic programmes of study, extra curricular activities, research opportunities, extension activities and add on courses in the colleges. This was attended by more than 600 students and parents.

The Admissions to various programs in 2020-21 is as below:

Admission Counselling Committee 2020-21

Convener: Dr Seema Joshi; **Co-convener:** Dr Sudha Chaudhry; **Members:** Dr N K Pandey, Dr. Neelam Rishikalp, Dr. Narender Kumar, Dr. Shakti P. Rout, Dr. Salome John, Mr. Anil Bhatt, Dr. Pragya Shankar, Dr. Deepti Gupta

During the admission process, Admission Counselling Committee addressed student grievances and queries related to the admission process. On the part of students, most of the grievances related to documents verification, inclusion of physical education in best of four, status of admission, regarding fee payment and documents verification etc.

Alumni Committee

Convener: Dr. Deepti Bhardwaj; **Co-Convener:** Mr. Anil Bhatt; **Members:** Dr. Salome John

The Alumni committee of Ram Lal Anand College found itself wanting in several ways in the year 2020-21, considering the pandemic raged and suffocated people all over the world. However, the biggest achievement of the Alumni Committee in this year was to compile and prepare a database of the registered Alumni of the college and take an online feedback.

Alumni Feedback: The Alumni Committee of Ram Lal Anand College solicited Feedback from its alumni about the college. More than 90% alumni found the college environment to be better than 'good'. Most of the students found college infrastructure growing and in good condition. All the students except a few commented that the faculty and the non teaching staff of the college was good, very good and excellent. More than 75% students commented that Training and Placement in College was above the level of 'Good'. Almost all students found the college library and canteen; the two places of they regularly visit, to be above the level of 'good'. Similar feedback was given for the programme and the significance of they degree they undertook in college. Overall, almost all students rated the college above good. About 84% students express a feel of pride towards college. Students are eagerly waiting for the time to improve and return to college for an Alumni Meet, only one third of the feedback givers have been able to attend an Alumni Meet so far. More than 86% students wanted to contribute to the college in future, and more than 77% were willing to speak to the future batches in a series of lectures. About 60% students have expressed an ability to assist college in placement activities. Most departments held online Alumni interactions. For instance, the English department conducted two online lectures in 2020-21; one by Mr. Lalit Kashyap as the guest speaker on the topic 'Insights on post-graduate entrance and studying literature as a vocation'. He is an RLAC alumni, currently pursuing M.Phil at the University of Delhi. The next by Ms. Neha Seotra on

‘How To Use MLA Format’ on 12th of February 2020 at 2:00 pm. The commerce department organised a certificate course on ‘GST concepts and e filing’ and invited an alumni Mr. Avdesh Vashishth as a speaker in that course.

Library Committee

Convener: Dr S.C Dabas; **Co-Convenor-** Librarian; **Members:** Teachers Incharge of all departments

The Library committee allocated all available funds to different departments decided by the Committee members. Out of the budget allocation for purchase of books, a total 852 textbooks and 68 reference books were purchased this year and an amount of INR 6,25,680/- was spent. An amount of INR 15 Lacs was approved by GB for Book bank Facility with a provision of complete sets of course books for needy students of all programmes. For Visually Challenged, the prescribed books were scanned by Kibo Scanner and converted to VH readable E-Texts which were shared with students. The library staff was trained on Plagiarism Detection Software, URKUND. Students and faculty were given remote access to Library Resources via NList membership so that they can have reading material access at home in the time of pandemic.

Society for Differently Abled, Sugam

Convener: Dr. Ritambhara Misra; **Co-convener:** Mr N.K Panday; **Member:** Dr. Vandana Gandotra, Dr. Pratik Kumar, Dr. Ram Bagri, Dr. Suneel

The Society for Differently Abled Students of RLAC works towards enhancing the learning outcomes of PWD students and create a platform for bringing out and developing their potential. The Society, with collaboration with other societies and committees- continuously encourages students to come forward to give wings to their creativity. The Society also organises events and

activities so that the students can exhibit their uniqueabilities and creativity. They are encouraged to break the barriers whatsoever in their path. It also takes up the issues faced by the students in the process of learning and resolves as far as possible to ensure a hassle-free learning environment for all itsstudents.

The students run it under the guidance of faculty members. In addition, The Society addresses the challenges faced by specially-abled students. It spreads awareness about their constitutional right to cope with the realities of everyday lives by motivating them from time to time. In this academic session, under the guidance of Dr Ritambhara, SUGUM organised two online events: The poetry competition on 22nd Feb'21 and a Logo making competition on 6th June'21. The student members of this Society enthusiastically took part in thesecompetitions. The audience was amazed by witnessing the exceptional talents of the students. The society also organised an oreintation program for the 1st Year PWD students on 12th Jan'2021. Furthermore, the students were equipped with access Angel players to facilitateasmooth teaching-learning process with the sudden shift from offline to online teachingmode under the ongoing crisis. Dr Ritambhara organised an online demonstration of howto use the Angel Players. The students were highly benefited from the workshop conducted on 2nd April'21.

Creative Writing Society, Abhivyakti

Convenor: Dr. Ritambhara Misra; **Co-convenor:** Dr Archna Gaur; **Members:** Ms. Sakshi T Khanna, Dr. Surender Kumar

ABHIVYAKTI, the Creative Writing Society of Ram Lal Anand College, is a society that embodies the true spirit of writing. Throughout the session, the Society has actively worked to spread the love for writing and bringing a positive approach towards the world of storytelling, poetry writing, etc. With the coronavirus forcing the world to move to online platforms, the Society held regular weekly review sessions, every Saturday to increase the interaction within members and provide feedback to each member on the piece of writing they wanted reviewed, for both English and Hindi. Due to the ongoing coronavirus pandemic, the review sessions were conducted online on the Google Meet Platform, providing the members an opportunity to

receive honest feedback and revise their work. The society also organized various competitions and events throughout the year.

The Society held an Inter College Bilingual Prose Writing Competition De Coeur on 30th January, 2021. With a diverse pool of almost 93 participants from various colleges like Motilal Nehru College, Delhi School of Journalism, Hindu College, P.G.DAV College, Maharaja Agrasen Institute of Management Studies, Bhimrao Ambedkar College, Indraprastha College for Women, Ashoka University, etc. the intense competition was conducted in two rounds. Due to the ongoing pandemic, the competition was held online on Google Meet platform. The participants were shown two videos and asked to submit their prose, based on the two videos. The 15 participants selected in the first round were asked to recite their submitted pieces for Round 2. The event was a celebration of various thoughts coming together, without any language barrier.

An online 30 hours Certificate Course in Creative Writing English was also organized by the society from 15th January, 2021 to 5th March, 2021. The course was divided into 2 hours class each Friday and Saturday. Dr. Kiran Mishra, a media professional with over 23 years of well-honed experience in the field of Creative Writing, was invited as the speaker. The course covered various aspects of Creative Writing, namely story writing, developing plot, characters and setting, poetry writing, prose writing, descriptive writing, use of imagery, figurative language and stylistic devices, editing and rewriting, etc. The course was taken up by over 100 students, enhancing an engaging and interactive learning experience.

The society organized a Bilingual Prose and Poetry Writing Competition on the occasion of Azadi Ka Amrut Mahotsav on 12 April, 2021. The inter college competition was based on the Role of Women in India's Independence struggle. With the need to look back and remember the role women played in the Independence struggle, the competition served as a medium to invoke respect for women and their role in the society. The society also organized an Open Mic Event for the students of Ram Lal Anand College, on 10th May, 2021 as a path to escape from the negative effects caused by the rising cases of corona virus on the mental health of the students. The event allowed the participants to express themselves freely, without any pressure of winning, through any form of creativity, like poetry,

storytelling, singing, stand-up comedy, ghazal, etc. to provide a platform where the participants could share their thoughts and feel less alone. The event served as a platform for a positive change in the mindsets and feelings of the participants.

Throughout the 2020-2021 session, the society members actively participated in various creative writing, poetry and prose competitions organized by colleges of University of Delhi, showcasing their creativity and bringing home various accolades from these competitions, be it in English or Hindi.

Rupali Sindhu, a third-year student of BA(Hons.) English won the first prize in a creative writing competition organized by Bhaskaracharya College of Applied Sciences. Geetu Katyal, a second-year student from BJMC, also bagged first prize in a photography and storytelling competition organized by Gargi College. Junaid Alam, a second-year student from BA(Hons.) Hindi, received third prize in Kavita Pratiyogita, a Hindi poetry competition organized by Swami Shradhanand College. Various other members, received special mentions in competitions organized by colleges like Jesus and Mary College, etc.

The society has also collaborated with Panned Pals, an online community which represents young writers, to conduct an online event in June- July, 2021. The event will offer a platform for young writers, singers, dancers, etc. to showcase their talent and win exciting prizes as well as gain exposure.

Abhivyakti has worked to improve the skills of its own members as well as provide a platform for all budding writers to express themselves, without the language barrier. The members aim to work hard and learn more in the future.

Debating & Quiz society (English), Awaaz

Convener:Dr. N.K Pandey, **Co-Convener:** Dr. Urvashi Kuhad. **Member:** Mr. Taha Yasin, Dr. Nupur Tyagi, Dr. Nidhi Yadav

The year 2021 was, unfortunately, not any different in terms of logistics and functioning for most societies than what was hastily adopted in the year 2020, owing to the Covid-19 pandemic.

However, Awaaz, as an organization, did present its familiar spirit of grit and determination even as the modus operandi remained confined to an online platform. The productivity of the society was sustained by regular meetings, discussions, deliberations and proposals for various events throughout the year. As events are the primary mark of productivity to elements that lie outside the society, attached below is a quick summary of all events hosted by Awaaz during the year 2020.

Verbatim 2.0 (February, 2021) Given the great reception and feedback that the first edition of Verbatim (held in February 2020) had received, there were always plans to introduce the second edition of the same event in order to cater to the voracious appetite the debating community at the University of Delhi has always held. The mode of the event was seamlessly switched to online for the same, and the results were there to see, with an overwhelming 200 registrations in less than 3 days. Over 50 participants were presented with slots, and the event began at 11 AM, on the Teleconferencing Platform 'ZOOM.' The event was divided into 2 rounds, wherein the preliminary round was modelled around the structure of 'Just a Minute' (JAM) competitions. Participants were each given a unique topic on the spot, and were asked to speak on it for a minute. The second round commenced after lunch, with 20 participants proceeding the next round: a conventional debate followed by a round of interjection. The winners were adjudged and presented with cash prizes.

EVENTS UNDER THE AEGIS OF AMRUT MAHOTSAV

Elocution (August 2021) India's 75th Year of Independence was celebrated with much pomp and fanfare across the country. Keeping in mind the guidelines set forward by the Ministry of Education as well as the University of Delhi, a three-pronged strategy was adopted, with the commitment to organize three events within a span of two weeks. The first of them was Elocution: A Conventional Debate Competition on 23rd August, 2021. The event was based on the theme "Role of media in the evolution of democracy since independence". It was held via Google Meet. The event witnessed an overwhelming response with over 50 registrations from students of different departments and semesters. Each participant was allotted a topic, based on the given theme, 24 hours prior to the event. The event was judged by the convenors of the society. Around ten to fifteen participants turned up on the day of the event. Each participant turned up with well-prepared speeches and presented with immense confidence. The purpose of organising the event was to provide the students with an opportunity to enhance their public speaking skills and give them exposure within the comfort of their homes. The purpose was met well, with the great response given by the students.

Tryst with Destiny (August 2021) the second event followed up and was organized on the 26th of

August, 2021. 'Tryst with destiny' was the timeless speech given by former Prime Minister Nehru on the eve of Independence. Stealing a page from Nehru Ji's book, Awaaz organized an extempore speaking competition where participants were to present a speech on a given topic which was given to them just a minute before. However, to provide the participants with an idea of the purview of the topics, a theme, namely- 'India at 75: World Conflicts'; were released prior to the competition. The esteemed judges Dr. Urvashi Kuhad and Dr. Nupur Tyagi time and again kept our participants motivated. The event was organised on Google Meet with the anchors starting the event and subsequently judges stirring up enthusiasm in the participants. Following, the brilliant and surprisingly informative extempore session, Mrs. Urvashi Kuhad congratulated all the participants and Mrs. Nupur Tyagi commented upon the sagacity of the topics. The results of the competition were announced on Awaaz's Instagram handle. Speakasia(August 2021) The third event, Speakasia was held on the 31st of August, at 3:00 P.M, with the topics being intimated to the participants with a preparation time of 24 hours. Despite a low turnout, the event still managed to garner a lot of positive feedback due to the quality of the debate that ensued amongst the participants, drawing praise from the judges. The participants were given a choice of three topics, ranging from patriotism to the analysis of historical achievements of the socially repressed classes in India.

Quiz Society (Hindi), Aaroh

Convenor: Mr. Deepshikha Kumari; **Co-Convenor:** Dr Sakti P Rout; **Members:** Mr Pratik Kumar, Dr. Shalini Swami

ECA comprises of specific societies which are involved in various fine arts like music, dance, public speaking etc.

ILLUSION- The Western Dance Society

Illusion, the western dance society of Ram Lal Anand College was instituted in the year 2017 under the guidance of choreographer, Mr. Manish Kumar. The society provides a platform to showcase the passion towards dance through various western dance forms. The team has also inculcated various dance forms like: Bollywood, Urban, Hip-hop, Jazz funk, Popping and many more which has helped them grow and enhance their dance skills. The society adapted to the new living during the pandemic and carried out the Orientation & annual Auditions of the freshers on Google Meet in the month of December. Following the efforts in the past years, a huge number of students came up for the Auditions and the best 17 were selected. The society carried out various virtual & physical workshops under the guidance of their former Choreographer, Mr. Manish Kumar. For the flourishing of the society, the team arranged physical and virtual meetups & practice sessions for the team so that the freshers could have a strong connect with the team. Despite the pandemic challenges the society managed to

participate and represent Ram Lal Anand college in the cultural fests of various institutes such as: St Xavier's, IMI Delhi, Maharaja Agrasen, XLRI Jamshedpur and Shiv Nadar University. The team also collaborated with Penned Peeps to organise a dance competition at Personal level. The society also gave their full participation for the event "Azadi Ka Amrut Mahotsav" organised by the Delhi University by sending dance videos on patriotic songs. The office bearers Yashika Goyal (President), Siddhant Popli (Vice President), Abhimanyu Singh (Treasurer), Preeti Rawat (Secretary) have worked really hard to elevate the name of the society and college to greater heights along with other team members. INARA- THE FINE ARTS SOCIETY

The motto of Inara, the fine arts society of Ram Lal Anand College, is to make art meaning. In recent years, it has gained a well earned reputation not only within the college but across Delhi University. From traditional painting to digital painting, sketching to crafting to quilling, every

member hold expertise in their own set of art from which has always brought forth uniqueness and creativity in the society.

Inara means to illuminate and the team of 31 members have actually personified this meaning through their hard work, creativity, active participation and achievements. We actively participated in many inter college art competitions and the team bagged second prize in art exhibition competition organised by Ramjas College. During the first wave of COVID, when there was a lot of panic and anxiety everywhere, Inara made a super fun video “don’t brush challenge” to lift up the spirits of everyone. The response to that video was amazing and it had over 300 re-shares on Instagram. Since then, the team has continuously been working on posting new and value-enhancing and creative content on their social media handles.

We conducted auditions on 18th January 2021, and were able to select 13 participants as members of the team and could infuse a lot of fresh talent into the society. We collaborated with Logyify India where all members participated actively and one of the team members, Shruti Aggarwal bagged 1st position in the competition.

ANDAAZ- THE INDIAN MUSIC SOCIETY

ANDAAZ, the one and only anchoring society of Delhi University stands proud and determined with the notion of more confident and unparalleled youth, who is unafraid and possesses the power of spontaneity to talk on every topic given to him/her.

For the session 2021-21, the world was engrossed with the grief of the pandemic, but we very sportingly took a step further and were successfully able to help the aspiring Anchors to master the art of public speaking and anchoring by requesting a video consisting some Golden tips and tricks, from the very finest Anchors: G D Sayal and Nishant Parmar. AndaaZ launched its new series ‘Andaz Apna Apna’ where our very own members shared their hands on experience, which they gained while being on that big stage which is feared by many, in APNE APNE unique ANDAAZ. The purpose of this series was to start a conversation, we aimed to reach out to all of the aspiring anchors in the comfort of their own home and share our lived experiences which might encourage them to go on that stage!

Moving forward with the vagabond, Season 2 of Andaaz Apna Apna was all about anchors interacting with us directly! We curated a list of Anchors and Public speakers who took over our Instagram handle of a day. One had a sneak peek into the lives of the anchors for a whole day, interact or catch them live exclusively on ANDAAZ's Instagram.

1. Anchor Sagar Duggal
2. Anchor GD Sayal
3. Anchor Amisha Gupta
4. Anchor Sneha V Singh

We were successful enough to organise the first ever Anchoring Workshop covering every domain and aspect of public speaking and content writing by Ms. Anjilee Istwal (Associate Anchor and Editor, NDTV),

Mr. Shashank Singh (Anchor and Senior Editor, NDTV) and Ms. Amisha Gupta (Emcee and Public Speaking Event, "Manch-E-Staan", that received so much love and appreciation throughout the country in the form of participation.

DEPARTMENT OF COMMERCE

Teacer In Charge: Dr Nupur Saboo, **Society Convenor:** Ms Misha Sabreen

The session 2020-21 started with lockdown due to worldwide pandemic Covid-19. The classes, exams, conferences, society's activities, seminar, certificate courses and workshop have been shifted from offline to online mode. This is an unique and exceptional year for all of us.

A webinar titled *Financial Planning to navigate in uncertain time* was organised on 27th June 2020. The speaker of this session were Dr. Amit Kumar Singh and Dr. SunainaKanojia.

An online certificate course *The Investing in Stock Markets* was started by the Department of Commerce. The classes were taken by 3 resource persons: Dr. Amav Kumar (Assistant Professor, Ramanujan College), Ms. Leena Goel (Investment Consulting Analyst & CFA Level 3 Candidate) and Mr. Karan Sharma (Industry expert on Stock Markets, ex-CRISIL). This

course will provide an understanding of the basics of investing and would equip to make investment decisions on your own, by selecting an appropriate investment instrument, as per your risk and preferences. The duration of the course was 30 hours (ranging from 6th July - 26th July).

Online teaching began with taking classes in online mode on 10th August 2020 with the support provided by the college by conducting FDP on online teaching. Admission and orientation program was conducted first time through online platform. Department has conducted a 30-hour online certificate course on “GST concepts and filing of Returns” which started on 19th September 2020. Resources person are CA Suvek Mathur and C A Avdhesh Vashishth.

KA-CH!NG - The Commerce Society of Ram Lal Anand College organised the following events:

STOCK O’CLOCK

To start its successful journey, *KA-CH!NG* hosted its first event on the 8th of February, 2021. **STOCK O’ CLOCK - THE STOCK MARKET EVENT** was initiated with the motto of spreading awareness about the basics of stock market and understanding stock markets as part of a broader system of all asset classes, markets, & instruments. Dr. Nupur Saboo, the head of Commerce department began the event by addressing the gathering. In this event, Mr. Harsh Goela, co-founder of the Goela School of Finance, Stock Market trainer, Investor and author started by introducing stock market to the students with his enthusiastic approach.

MIND THE GAAP

As the journey continued, *KA-CH!NG* hosted its second event on the 4th of March, 2021. The CA Conclave was initiated with the motto of spreading awareness about Chartered Accountancy. In this event, CA Mudit Yadav, the founder of My Success Coach, a renowned keynote speaker and author of the book ‘Belvincible’, started by introducing Chartered Accountancy and elaborated on how to get placements in Big4s. He was followed by CA Manobhav Verma who further went on explaining about other courses that can be pursued along with Chartered Accountancy.

KA-CH!NG organised its Annual Commerce Fest - ZEUS 2.0 on the 8th and 9th of April, 2021. Despite being on the virtual platform, the event gained a lot of participation. Four (4) commerce inclined competitions namely: Kaching Premiere League, Master the Mie, Quizpicable & Mark your Market were organised. Each competition was divided into two rounds i.e. prelims & final round. The enthusiastic participants and the hard work of the team made this event a huge success.

PLANT‘O’ROPAN

Keeping in view the CO VID situation and the rise in global warming, **KA-CH!NG** initiated a plantation drive on the 26th of April, 2021. The motto of the event was to make each day - ‘The Earth’s Day’. The entire department was invited to participate in the same and was obliged to sow a sapling in their respective locality, or at their homes itself. We are proud to announce that all the members of the society completed this task successfully.

After a prolonged lockdown last year, we all tried to make this year a fruitful year for the students of our department by providing the opportunity to learn and engage in the co-curricular activities from home. All the members of the society with the support of the teachers worked hard to make the events successful. Altogether, the session facilitated learning and enhancement of the skills of the students, along with inculcating the social and moral values in them.

Student Council Elections (2020-21)

The new academic year brought hardships and challenges due to wide spread COVID 19. The time had finally come to transfer the leadership of the Geology department society Terre-X into the worthy hands of the fresh batch. Aman Gupta, the former President, and Anulekha Prasad, the Acting Secretary, placed the legacy of Terre-X society in the skilled hands of their successors who were elected by virtual voting held on 24th July 2020. A team of nine office

bearers under the leadership of Akash Nair as President was elected for session 2020- 2021. To guide and supervise the society an Advisory Committee was formed consisting of all faculty members.

The foundation of a splendid series of events conducted by Terre-X throughout the academic year was laid by the Teacher's Day Celebration on 5th September 2020. Considering the tough times, a 'Virtual Meet and Greet' was organized on Google Meet at 6 PM. The entire ceremony was planned by the newly elected council of Terre-X. All the student members and deemed faculty members of the Geology Department, alongside the venerated alumnae, attended the virtual celebration. The event commenced with a welcome speech by Akash Nair, President of Terre-X. On behalf of all the students, few alumnae and final year students shared their cheerful experiences with the faculty and thanked them for being a beautiful steer in times of need. To pay homage to our beloved teachers, students recited a beautiful Sanskrit shloka. A small video was presented which embraced the merry moments of our teachers with the students. The event was concluded with a gratitude speech by a student member of the society.

Fresher's Welcome Ceremony "Fresher's Welcome" in any college is an event that every student eagerly awaits. 22nd November 2020 was a memorable day for our society as we welcomed the new blood with enthusiasm and laughter. The event was held online through Google Meet and started at 1:00 pm sharp. The program started with the formal welcome of all fresher's to the Department of Geology of Ram Lal Anand College and also to the society, Terre-X, by the President Akash Nair. This was followed by the introduction of the faculty members of the department and the office-bearers. The freshers were then invited to introduce themselves one by one. Once the introductions were over, a virtual tour of the department was given to the new members, acquainting them with the classes and labs. Pictures from previous field trips and events were shown to showcase the kind of work done and to motivate the members to look forward to future activities. The Vice- President Aviral Srivastava proceeded to share the future goals of the society and the department at large along with extending a warm welcome again to the freshers. This concluded the Virtual Fresher's Welcome for 2020.

Continuing the legacy of Terre-X students of the Geology Department organized the second edition of the annual fest VASHANKH. This year VASHANKH was organized on 6th and 7th March 2021.

The Inaugural Ceremony VASHANKH'21, the two-day fest of Terre-X, the Geological Society of Ram Lal Anand College, University of Delhi was organized from 6th to 7th March 2021. The event began at 11 AM with a 40-minute, long inaugural ceremony conducted via Google Meet. The inauguration commenced with a formal welcome of the dignitaries and all distinguished participants across the globe. The welcome address by President Akash Nair was followed by a ceremonial procedure of lamp lighting to invoke the blessings of Goddess Saraswati. Thereafter, it proceeded towards an introduction to the department of geology, in which the president befittingly listed the plethora of opportunities, the hands-on experience with laboratory equipment and the extensive knowledge of fieldwork imparted to the students by an experienced faculty. VASHANKH-21 was formally inaugurated by Principal Dr. Rakesh Gupta and he applauded the Society for its enthralling activities. He further went on to remark that the Department of Geology has become the college's flagship department where all other societies look upto. Towards the end of the ceremony the society president detailed the various competitions to be held under the banner of VASHANKH'21.

As a part of VASANKH'21, an International Webinar Series was conducted by Terre-X on 6th and 7th March 2021, through online platforms, Zoom and YouTube live. The event received more than 500 registrations from different parts of the world, including the United States of America, United Kingdom, Germany, Chile, and Sri Lanka.

Webinar-1

The first session of the series was conducted on Saturday, 6th March 2021 at 5:00 PM (1ST) by Prof. Maurice E. Tucker (School of Earth Sciences, University of Bristol, UK) on the topic: Fossil viruses and the roles of viruses in the Earth Science. The session began with a welcome speech by President, Akash Nair. Thereafter, Prof. Tucker started the one-hour session by introducing viruses, bacteria and bacteriophages and their significance in the field of geology. He also talked about the experimental precipitation of minerals through viruses and their fossilization. A twenty-minute question and answer session was conducted after the talk which was moderated by Joint-Secretary of Terre-X, Ms. Gargi

Tripathi. The session was concluded by the Treasurer of Terre-X, Ms. Manika Rawal by reciting a Sanskrit shloka praising mountain ranges of India and a vote of thanks by Ms. Gargi Tripathi.

Webinar-2

The second webinar of the series was conducted on Saturday, 6th March 2021 at 6:30 PM (IST) by Prof. Nigel Hughes (University of California, Riverside) on the topic: Reconstructing the Pre-Collision History of The Himalayan Region and Its Implications for the Himalayan Uplift and Erosion. Prof. Hughes in his early days was the student of Prof. Maurice Tucker who was the guest of honor of the first webinar of the series. Hence, this initiative of Terre-X became a medium for student-teacher reunion.

The session began with a welcome address by the Social Media Head of Terre-X, Rahul Bhandari. Henceforth, Prof. Nigel Hughes delivered his intriguing talk about 'Himalayan Uplift and Erosion'. He discussed some of the basic aspects of evolutionary history of the 'Crown of South Asia'. As the webinar proceeded towards an end, Mr Hughes with the help of research data demonstrated, how 16 Ma years ago, and the lower Himalayas were uplifted and thus exposed to erosion. The talk was followed by a thirty-minute Question and Answer session modulated by the Treasurer of Terre- X, Manika Rawal. The webinar was concluded by Rahul Bhandari with a vote of thanks wherein, he reminded Prof. Hughes of his fond memories of Shanti Niketan.

Webinar-3

The third session of the webinar series was organized on day two of VASHANKH'21. It was conducted on

Sunday, 7th March 2021 at 5:00 PM (IST) by Prof. Ashok Sahni (Professor emeritus, Department of

Geology, Panjab University) on the topic: Dinosaurs of India: Dead but Well. The Social Media Head, Rahul Bhandari started the webinar with a welcome speech and passed the mic to Prof. Ashok Sahni. The webinar revolved around dinosaurs that were once present in India. As the webinar proceeded towards its end, Prof. Sahni highlighted some factors which led to the

extinction of the dinosaurs and the Cretaceous-Tertiary Mass Extinction. Apart from that, fossils of different dinosaurs like Rajasaurus were presented. The talk was succeeded by a Question-and-Answer session modulated by the Treasurer of Terre-X, ManikaRawal and was concluded by Rahul Bhandari with a vote of thanks.

Webinar-4

The last session of the series was conducted on Sunday, 7th March, 2021 at 7:00 PM (IST) by Dr. Robert B. Finkelman (Research Professor, Department of Geosciences, University of Texas, Dallas, USA) on the topic: Prospects of Medical Geology and Health Impacts of Uncontrolled Coal Fires in Jharia Region. Akash Nair, President of Terre-X started the session by welcoming Dr. Finkelman and the congregation. Dr. Finkelman initiated the talk by connecting geology, environmental science, and public health to a single discipline. Dr. Finkelman addressed that the health and well being of humankind are intimately tied to the quality of air, water, and soil, all of which are influenced by the regional and local geology where a population resides with the help of several case studies. He also presented the health impacts of uncontrolled coal fires in Jharia region. Dr. Finkelman concluded the talk by mentioning the importance of researches in the field of Medical Geology. The one-hour talk session was followed by a forty-minute question and answer session which was moderated by the Joint secretary of Terre-X, Gargi Tripathi. The session was concluded with gratitude speech by Gargi Tripathi, followed by a Sanskrit Shloka recitation by the Treasurer of Terre-X, Manika Rawal acknowledging the beauty of Indian rivers.

During VASHANKH 2021 various competitions were held such as the quiz, poster, photography and essay writing. Many students from various colleges/University and Institutes participated in these events.

Posterozoic-The Poster Presentation Competition, was hosted during VASHANKH'21. Posters could be made in teams of two or by a student alone and was open to all students of undergraduate and postgraduate programmes in geology across the nation. Cash prizes worth Rs. 3500/- were distributed among the winners. The posters were to be made on the following topics:

Geology: The Minuscule That Upholds the Economy, Space Geology: Distant Yet Near, The Sixth Mass Extinction: A Possibility

The competition was conducted in two rounds: Preliminary round and Final round. Various universities across India participated enthusiastically, with teams sending in some beautifully made posters on the given topics. Five out of these were then shortlisted, which were to be presented in front of a jury in the final round. The final round was conducted through Google Meet on 7th March 2021. The jury included Dr. Sarbari Nag and Mr. Atish Aman, who judged the entries based on visual appeal, creativity and geological content. The five posters selected for the final round were:

Geology: the minuscule that upholds the economy by Jyoti Jangra, Space geology: distant yet near, by Angelin Mariam Binny, the sixth mass extinction: a possibility by Sanjana Kumari, Space geology: distant yet near, by J.G. Goukula Krishnan, the sixth mass extinction: a possibility by Nandini Shahi. The posters were thought-provoking and flawlessly presented by the honourable jury members, the three winners decided were:

Ms. Sanjana Kumari, the first position.

Ms. Jyoti Jangra, second position.

Ms. Nandini Shahi, third position.

Photoblende-The Photography Competition was conducted; all undergraduate and postgraduate students were eligible for the competition. The photograph and its geological description (location, date of capture and the scale of the photo etc.) were cumulated by Google form, from 28th March to 4th April 2021.

The contest witnessed a zealous participation from numerous colleges across the nation. The judgement criteria were visual appeal judged by Mr. Atish Aman and geological content judged by Dr. Sarbari Nag.

Ms. Spandita Kundu from JIS University secured 1st position with her picture of systematic joint developed across the quartzite mylonite rock. Mr. Dipayan Bhattacharya from JIS University secured 2nd position by sending the picture of superposed folding. Ms. Khushi Kamalakar Kadu from Shivaji Science College bagged 3rd position by sending the picture of marble cliffs.

Quizquake- As a part of its two-day fest Terre-X organized Quizquake, an online quiz competition. Both undergraduate and postgraduate students from various renowned institutions participated with zest. A total of 22 teams competed against each other in this ultimate test of wit. The Preliminary stage was conducted on 6th March (Saturday) from 12:00pm to 1:00 pm. Each team of two members attended several questions simultaneously on different Google Meet. More than five google meets were organized hand in hand, modulated by different quizmasters and timekeepers. The preliminary stage comprised of three rounds: Round 1- “Guess the Country”, Round 2- “Multiple Choice Questions” and Round 3- “Rapid Fire Round”.

Points scored by each member of the team was added in the final points table and the result for the first round was computed. Top five teams from the preliminary stage contended against each other in the Final Stage of Quizquake on 7th March (Sunday) from 11:30am to 1:00pm. It was conducted via Google Meet.

The final stage constituted two rounds viz. the first round or “MCQ round” and the second round or the “Rapid Fire Round”. After a cut-throat competition, the winners were announced in the award ceremony via Google meet. Quizquake was won by team Shivaay-Shubham Singh and Nitin Nandan from IIT(ISM) Dhanbad. First runner up was team The Terrasaurs-Vedha Bhasin and Anthony Rozario from St Xavier’s College, Mumbai. Team Amethyst-Shrutik Boricha and Sayali Patil from St Xavier’s College, Mumbai, claimed the title of second runner up. Cash prize worth Rs. 6000 was distributed amongst the winners.

An essay writing event was conducted for students of class 9th to 12th at a national level. The students were asked to write an essay of 200-250 words on any of the following 2 topics: Early Earths: The Mystery or the Answer or Humans: Creators or Destroyers. The essays were collected via Google Forms, from 28th February to 3rd March 2021. The Certificates of Participation were provided to all the participants.

The Closing Ceremony of VASHANKH'21 the annual fest of TERRE-X, The Geological society of Ram Lal Anand College, University of Delhi officially ended on 7th March 2021 at 8:40 pm (1ST). The closing ceremony was held through the online video conferencing platform Zoom. The Vice President Aviral Srivastava of the society concluded the ceremony by extending his gratitude to the Principal Dr. Rakesh Gupta and the esteemed faculty of the department for their constant support and being the backbone of VASH ANKH'21. Finally, the

Vice President proposed the vote of thanks to the audience and VASHANKH'21 the online fest of Terre-X officially came to an end.

Two B.Sc. (Hons) Geology Alumni Talks took place under the banner of Terre-X this year. Owing to the pandemic, these talks were held virtually via Google Meet. Shravya Srivastava (batch 2014-2017), who is currently pursuing PhD at the Hughes Lab, Earth and Planetary Sciences, University of California, Riverside, U.S.A. interacted with current students, sharing her experience during college days and her journey from RLAC to University of California USA. Ms. Shravya talked briefly about her current research concerning the Paleozoic marine life of trilobites under which she is attempting to put morphological variations of North American trilobites in the context of sequence stratigraphy to test different hypothesis on the effects of deposition history on morphological variability and phylogenetic ancestry of trilobites. The talk was followed by a small interactive session and many students put forth their questions regarding the subject matter to Shravya. The talk ended with a vote of thanks from Gargi Tripathi, Joint Secretary of Terre-X. Abhimanyu Chauhan from the batch of 2009-12, who is currently working as a project scientist in the Indian Meteorological Department talked about his time during his college years and how his decisions impacted his life in the long run. He talked about the reasons he chose Geology as his subject and how it influenced his life. He also shared his first internship experience and the amount of workload they had doing those things. He told the current students to not lose hope in these tough times and be focused on the future. He shared his past work experience with ISRO and the multiple projects he handled there. He taught the students how to use the Bhuvan portal which was made possible by the efforts of ISRO scientists. Apart from imparting knowledge about Remote Sensing as a profession, various other geology professions were also touched upon by Mr. Abhimanyu. The talk was followed by an hour- long interactive session in which students asked him about his life and his achievements. Towards the end, Abhimanyu lauded the efforts of his teachers mainly Dr. Prabhas Kumar Pande and Dr. Sarbari Nag for never losing faith in him and inspiring him to be the best at whatever he turns his mind to.

On 5th June 2021, the occasion of World Environment Day, Terre-X, the Geological Society of Ram Lal Anand College, University of Delhi invites you to a talk on 'What can I do for the

environment in the Anthropocene?’ by Prof. Bharat Dahiya on the occasion of World Environment Day 2021.

Prof. Bharat Dahiya is an Extraordinary Professor at the School of Public Leadership, Stellenbosch University (dubbed as the ‘Harvard of Africa’), Stellenbosch, South Africa, and a Distinguished Professor at Urban Youth Academy, Seoul, and Republic of Korea. He is also a Founding Board Member of the recently launched World Smart Cities Economic Development Commission under the World Business Angels Investment Forum, Miami, USA.

Student Achievement:

Ms. Kastur Parida final year student of B.Sc. (Hons) Geology, Ram Lal Anand College secured highest marks in the University of Delhi in Geology. She was awarded the University Gold Medal and certificate in the 97th Convocation ceremony which was held on 27th February 2021.

To promote the geosciences, the American Association of Petroleum Geologists Foundation (AAPG) distributes grants every year for several activities that support the preservation of data, training and career enhancement for current and future geoscientists. The AAPG Foundation’s L. Austin Weeks Undergraduate Grant program annually awards deserving undergraduate level geoscience students and student-led geoscience associations with \$500 grants. In the Academic year 2020-21 two students of B.Sc. (Hons.) Geology got selected as a grant recipient for the 2021L. Austin Weeks Undergraduate Grant Program.

DEPARTMENT OF HISTORY

Convenor: Dr. Rakesh Kumar (HS); **Co-Convenor:** Dr. Devendra Kumar

The academic year 2020-2021 will forever be remembered for the shift to remote learning in the month of March 2020 due to the outbreak of the Covid-19 pandemic. When the novel Coronavirus was declared a pandemic by the World Health Organization, the department in consultation with the guidelines issued by the University of Delhi switched to virtual teaching. The department follows a dedicated academic calendar which includes different activities like webinars/seminars, panel discussion, monthly lecture series, heritage walks, talk, tours, and trips to historical places. However, all departmental activities were mostly conducted online.

The online induction program was organised at the level of the department for all first-year students on 18th November 2020. The program was intended to familiarize students with the departmental calendar, rules of internal assessment, and other important facilities available in the department. Several new initiatives were taken up during this historic year with digital transformation in teaching and learning. The Department started a certificate course in Disability Studies wherein, more than a hundred students, research scholars, and faculties participated from different universities and colleges of India.

One of the major achievements of the department in the year 2020-21 is the beginning of the monthly lecture series in February 2021 under the banner of a departmental society named 'Tawarikh*'. Under its monthly lecture series, the inaugural lecture was delivered by Prof. Arvind Sinha, Retired Professor, Center for Historical Studies, School of Social Science, JNU New Delhi on 'Major Issues in the Transition Debate from Feudalism to Capitalism in Europe' on February 22, 2021. In the same series Prof. B.P. Sahu, Professor, Department of History, University of Delhi spoke on 'Texts, Archaeology and Shifting Frontiers of Early India' on June 21, 2021. The lectures were very informative and provided the participants with enormous knowledge of European history and Early India. The department has used a digital platform to organise a national webinar in collaboration with 'Sugam' (a college Society for differently-abled students) on 'Inclusion and Disability' on 3rd April 2021. Shri. T.D. Dhariyal, Formerly, State Commissioner for Person with Disabilities, Government of NCT of Delhi, Delhi; Dr. Bipin Kumar Tiwary, OSD, Equal Opportunity Cell, University of Delhi and Faculty at Department of Political Science, University of Delhi and Dr. Chitra Kataria, Chief at Rehabilitation Services, Indian Spinal Injuries Center, Vasant Kunj, New Delhi had delivered lectures from their area of specialization. The department has also organized a virtual national webinar in collaboration with college Equal Opportunity Cell on 'Disability in 21st Century: New Possibilities and Challenges' held on July 25, 2021.

Faculty members counselled students one to one in the pandemic times to address their concerns under the mentorship scheme and it helped many students to overcome their psychological/emotional predicaments. Remedial interaction, on the other hand, was also conducted to help students to refine their understanding of concepts and perspectives.

DEPARTMENT OF MATHEMATICS

Convenor: Mr. Kapil Kumar; **Co-Convenor:** Mr. Sandeep Bhatt

Department of Mathematics is one of the newest Departments of Ram Lal Anand College, being introduced in 2017 and since, has never stopped moving forward. The Department always aims toward pursuing activities enhancing interest in Mathematics and in the creative expression of mathematical ideas among students under the mentorship of teachers along with the interaction of eminent personalities of the teaching field and industries. The basic idea is to inculcate not only intellect and creativity among the students but also to make them realize their field of interest which plays an important role for becoming a productive member of the society.

In recent years, the Department of Mathematics has organized a skill enhancement Certificate Course on the topic “LaTeX: The Mathematical Typesetting Software” for all Ram Lal Anand College students. It has been completed successfully through online mode from 9 January to 21 February 2021 by the resource person Dr. Kuldip Singh Patel from the Department of Mathematics IIIT (International Institute of Information Technology), Naya Raipur, Chhattisgarh.

The Mathematics Society “Infinity” organizes the annual mathematical fest “IMPLOSION” every year. The mathematical fest “IMPLOSION 2021” was organized this year through online mode.

Department of Political Science

Convenor: Dr. Kshama Sharma; **Co-Convenor:** Dr. Triranjana Raj

2020-21 academic session was certainly the most challenging one due to the global pandemic and the department tried to innovate accordingly. As across the world virtual space redefined scores of things similarly the academic pursuits also changed course.

Political Science department in collaboration with Law Department, BPS Mahila Vishwavidyalaya began the session with a five day E-Workshop on the theme ‘Research

Methodology and Data Handling’. Faculties and students from various institutions participated and contributed towards shared learning from 28th May to 1st June 2020.

An e-symposium on the theme ‘Urban & Rural Governance: Issues and Challenges’ was organized jointly by the Political Science Dept, RLAC and Adamas University, Kolkata on June 13 th 2020. A wide ranging discussion followed the keynote address delivered by the eminent speaker. Students were aptly taken through the journey of the way the concept of governance evolved over the last few decades and especially what has come to shape our wider understandings of urban and rural governance specifically with regards to migrations, urbanization and sustainable development.

Building on this strong foundation the department organized the next event with more collaboration. From 21st Sept to 27th Sept the department in collaboration with Teaching Learning Centre, Centre for Human Rights Studies & Dept of Political Science, Ramanujan College, DU organized a weeklong Faculty Development Programme under the flagship programme of Ministry of Education, Govt of India titled ‘Pandit Madan Mohan Malviya National Mission on Teachers and Teaching’. The FDP was focused on the core theme of ‘Transforming Governance in India: Issues and Concerns’. Eminent academicians, experts and specialists from various backgrounds addressed multiple sessions and a very large number of faculties and scholars participated in various discussions and academic activities for the whole week. A truly interdisciplinary event it turned out to be hugely successful with accolades flowing in from various quarters.

To cater to the growing demands for learning soft skills by the students, the department organized a three months long Certificate Course titled ‘Training on Experiential Learning & Soft Skills Development in

Policy Sciences’ from 2nd Nov 2020 to 31st Jan 2021. Students enthusiastically participated in this co- curricular programme and gained immensely in terms of preparing for their future pursuits and endeavours. The course aimed to train students towards the growing professional requirements and also tried to focus on inculcating the much required soft skills like innovative thinking, problem management, stress and emotional management, leadership, teamwork, communication, etc.

A four-day undergraduate bilingual symposium titled ‘What is Politics: Theorizing the Political’ (राजनीति एवं राजनैतिक का सैद्धांतिकरण) was organized from 21st to 24th Dec 2020 specifically keeping in focus the requirements of the new students who joined department in the 2020-21 session. As these students began their university life through online classes so this webinar tried to give them ample opportunity to learn about the foundations of the discipline through bilingual interactive sessions.

The department has always been keen to make students participate in research activities. Due to the limit this year of activities confined to only the virtual space, the department innovated by engaging students to do web based research on the thematic of Environment, Development & Democracy (पर्यावरण विकास एवं लोकतंत्र). A large number of students formed their own virtual research teams and deliberated on the choice of topics and issues. After days of focused research finally on 25th Feb 2021 the students presented their findings in the symposium organized on the same thematic. Case studies on Assam Floods, Aarey Forests (Mumbai), Uttarakhand ecological disasters, Bhopal Gas Tragedy, Yamuna pollution, Ghazipur landfill site, Mitti Bachao Aandolan, Water Crisis in Gurgaon, Agrarian crisis, Nuclear Plants were thoroughly debated, discussed and analyzed by students in the daylong symposium. Students also prepared short films, slogans, poems etc to generate awareness among the youth on the grave issues related to the themes.

The department dutifully regularly designs events and programmes around gender based issues and concerns. This year on International Women’s Day on 8th March 2021, the department organized a keynote lecture by Prof. Sheetal Sharma from the Centre for European Studies, Jawaharlal Nehru University. She spoke at length on the topic ‘Understanding Gender in International Relations’. As needful the theme encouraged students and faculty members to interact on various sub-themes and many debatable queries were discussed threadbare.

Department of Physical Education

Physical education is defined as “education through the physical”. It aims to develop one’s physical competence and knowledge of movement and safety, and their ability to use these to perform in a wide range of activities associated with the development of an active and overall

healthy lifestyle. Sports plays a prominent role in all round development of a student's life. Along with traditional academic pursuit, students should spend time engaging in games and sports too. A curriculum which reflects physical education as a subject would be an additional benefits to the student in students future endeavours.

Due COVID -19 outbreak, the whole world was in a cognitive disarray and our educational institutes, faculties and students were equally impacted. To face the challenges of Covid crisis, the Department of Physical Education of Ram Lal Anand College empowered itself with rich and wide curriculum and activities. Physical education and practitioners of the discipline transformed themselves into essential health professionals during this pandemic period because they can give their guidance in the field of physical health and use their expertise for societal benefits towards healthy India.

Considering the concept of being "physically fit" in the pandemic session, online Yoga classes/sessions were organised for teachers, students and staffs of college. The teaching and non-teaching staff of the college was equally impacted by the crisis and coping with the health issues pertaining to pandemic. During this ongoing covid-19 pandemic and to live through this lockdown period, yoga is one of the best thing to adopt as a lifestyle habit. It also helps us build a strong physical, mental and spiritual health system.

To update the staff about the lifestyle and weight management as well as nutrition and immunity as an important tool for overall health, the department in association with internal quality assurance cell (IQAC) organised a two day interactive webinar on 23rd June and 24th June 2020, which was very informative and fruitful. The webinar was very effective and beneficial where Dr. Rakesh Tomar discussed about various parameters related to health and importance of physical education in a broad spectrum.

In a nut shell, we all should consider physical education as field of expertise where can be used for the preventions and coping with the pandemic. It is also proved in many researches that person with co morbidities have higher risk of mortality than the fit one. And fitness can be achieved only by physical education and its implications.

DEPARTMENT OF MICROBIOLOGY

Convenor: Dr. Vandana Gupta; **Co-Convenor:** Dr. Kusum R Gupta

The Department of Microbiology (henceforth, the department) walked into the 31st year of its establishment at Ram Lal Anand College. During the Academic year 2020-2021, the department continued its long legacy to innovatively enshrine knowledge and ignite critical scientific thinking among students. In its second year of recognition under the Star College Scheme of the Department of Biotechnology, Government of India, the department organised online summer internship programs which benefited many students who were actively involved in this internship. Department has running grants of about 80 lacs under the able leadership of Dr. Prema Diwan and Dr. Rakesh Kumar Gupta. Dr. Vandana Gupta was conferred with “International Distinguished Women Scientist award” for superior performance in Microbiology Conferred by Center for Professional Advancement, Vijayawada, Andhra Pradesh. Owing to the ongoing COVID-19 pandemic, many online events were organised by the department:

1. An Alumni lecture (July 3rd 2020), where Dr. Prateek Arora (Batch 2011) Postdoctoral fellow at University of Bem delivered a talk on “Polarity establishment in the developing zebrafish epidermis” and also counsel the students on the different career options.
2. An online departmental orientation (18th November 2020) to orient the new students about the program and various activities of the department.
3. Two certificate courses under the co-ordinatorship of Dr. Prema Diwan and Dr. Shalini Swami: A 30 hrs course on ‘Scientific Writing & Research Ethics’ (13th July to 7th August 2020) to equip the students with the crucial aspect of communicating science and a 40 hour online course on ‘Python in Biological Sciences’ (16th January to 11th April 2021) with participation of around 70 and 32 students across different universities respectively.
4. Dr. Vandana Gupta initiated a social outreach campaign UDISHA: An HPV Vaccination Initiative in January 2021, which aims to create awareness about Human Papillomavirus, which causes 6 types of cancers and the vaccines available. Anurag Singh (3rd yr) and Abhilash Jeas George (2nd yr) are the members of the core team.
5. E-poster making competition on the topic ‘Recent Advances in SARS-CoV-2: Prophylaxis/

- Therapeutics/ Diagnosis’ (28th January 2021). Saumya Samridhi (RLAC) won this competition.
6. A two days National Workshop entitled “Molecular Docking in Drug Design” (31 st March and 1 st April 2021) on using bioinformatics softwares: InstaDOCK and SeeSAR. The webinar was delivered by Eh. Imtiyaz Hassan, Assistant professor at Jamia Millia Islamia; and Dr. Girinath Pillai, Director and Chief Scientific Officer at Zastru Innovations. The program was attended by 216 participants on Day 1, and 233 on Day 2 including students and faculty members from different universities across the country. All the participants were also provided with a two-week academic license of SeeSAR.
 7. One week Faculty Development Program under the convenership of Dr. Salome John entitled ‘Biosafety, Bioethics and IPR’ (August 24th to 28th, 2020) with learned speakers from India and abroad. This FDP aimed to orient the faculty towards guidelines for biosafety, GMO research, radiation safety, and protection of IPR through patenting.
 8. NIPGR and THSTI organised a webinar series for our students under the ‘Science Setu’ program. Scientists from NIPGR including Dr. Gitanjali Yadav, Dr. Manoj Prasad, Dr. Senthil-Kumar Muthappa, Dr. Aashish Ranjan, Dr. Senjuti Sinharoy, and Dr. Gopaljee Jha delivered talks on different aspects of plant sciences. Dr. Krishnamohan Atmakuri, Dr. Amit Pandey, and Dr. Rajesh Kumar from THSTI delivered talks on ‘Disease biology and innovative molecular intervention strategies.’
 9. Articles, review papers and book chapters written by students of the department found space in International journals of repute and other international print. Anurag Singh, Bhawna Sharma, Fardeen Shahanshah, Simran Preet Kaur worked on different aspects of COVID-19. Anushka Sharma, Anurag Singh, Lalit Mohan, Priya Bhatia, Shreya Kapoor, Simran Preet Kaur, Tanya Srivastava worked on chapters highlighting the Industrial Applications of Soil Microbes. While Priya Bhatia, Anushka Sharma, Abhilash Jeas George, D Anvitha, Pragya Kumar worked on antibacterial activity of medicinal plants against ESKAPE pathogens.

Students participated in various intercollege, national and international events as listed below and brought laurels to the department.

Nikhil Gupta was awarded an Inspire Scholarship under Scholarship for Higher Education (SHE) and Chanuka Nisalanka Wijewardana was awarded the Nehru memorial scholarship scheme for international students by Indian council for cultural relations (ICCR).

Pritika Baranwal was shortlisted for presenting the idea in ‘Nature Hack For Clean Air Hackathon’ organized by Clean Air Asia India.

Priya Bhatia was awarded “Best Speaker” for National Level Microbiopodium Contest organized by Government Institute of Science Aurangabad.

Poorvi Saini and Ananya Grewall presented a poster entitled ‘In Silico approach for identification of potential plastic degrading bacteria’ in an International conference “The World Microbe Forum 2021” organized online by ASM and FEMS on 27th June 2021.

Anchal Dhiman secured 2nd position in a Quiz competition organised by Rotary club of DSC; 3rd Position in MicroQuiz organized by MSI; and winner of the Brain Over Binge competition organized by Kirori Mal College.

Extension and Outreach

National Service Scheme (NSS Unit of RLAC)

Program Officer: Dr. Rita Jain

Office Bearers: Parveen Kumar-President (Political Science), Saijal Bajaj-Secretary (Statistics), Sneha Gupta, Mudit Arora, Lokesh, Kanav Kukreja, Shivam Choudhary, Sarthak Mehta, Nandani Kashyap and Dimple Kumari.

This year, NSS has been very active in developing the personality of student volunteers and preparing them for future through various community services.

NSS Program Officer, Dr. Rita Jain led the team NSS in 2020-21. Under her guidance, on 10th October'20, NSS team of RLA formally welcomed the volunteers for session 2020-21 through an orientation program with an aim to achieve the goal at making a better society. Despite the challenge in conducting effectual and worthwhile programmes and activities via online mode amidst the pandemic, NSS RLAC under the guidance of our principal, Dr. Rakesh Gupta and our Program Officer, Dr. Rita Jain been successful to maintain its established dignity.

From an insightful session on Online Safety in collaboration with YOLO, to a heartfelt talk on Tree Plantation by Dr. Santosh George G; from celebrating Diwali with Best out of Waste theme, to capturing the Emerging Life around you; from an informative Anti-Drug Campaign talk by Dr. Rajiv, to having an awareness program on Violence Against Women by Ms. Chandni Khanduja, the team of NSS witnessed overwhelming participation from all the volunteers.

Shortly after the fresh admissions in the college for the academic year 2020-21, NSS RLAC had its new recruitment. Out of 150 registrations, 70 new volunteers were added to

the team. A team of 120 NSS volunteers were then ready to contribute to the community service and to sincerely follow the motto of NSS.

The NSS volunteers, Lokesh and Gaurav also participated in State Level Youth Festival which was organized by Directorate of Education, Government of National Capital Territory from 1st January' 21 to provide Youth with a stage to showcase their talent from Narrative Poetry to Creative Writing.

NSS RLAC also organized a donation drive in the college campus from 18th January'21 to 25th January'21. The vision of the drive was to connect with the less fortunate through clothes, books, stationaries, etc. All the generous donations received under donation drive were handed over to UMEED NGO by our program officer, Dr. Rita Jain. The exchange took place in the presence of UMEED founder, Mr. Subhrajeeet Gautam on 3rd February'21.

On 25th January' 21, NSS team celebrated the National Voter's Day by organizing a pledge taking ceremony followed by a digital poster making event to mark the foundation day of Election Commission of India with the main objective to educate and encourage young voters to vote during elections.

NSS also organized an intra-college prompt writing competition on 30th January'21 with exciting cash prizes for top three positions. With the given prompt as a start, stories woven during the event highlighted the need for social change. The event was successful with registration from more than 100 students. The entries under this event covered various genres and the words of participants reflected an ocean of thoughts whose waves hold the calibre to brew a tsunami.

The series of events, from quiz to slogan writing, to road safety symbol making, organised from 8th February'21 to 10th February'21, affirmed the commitment to spread awareness about how to avoid accidents and injuries while on the road under the theme SADAK SURAKSHA, JEEVAN RAKSHA while observing 'National Road Safety Month, 2021', formally launched by our Honourable Prime Minister Shri Narendra Modi.

To mark the occasion of International Women's Day, female NSS volunteers took part in the Fit India Walkathon organized by the Ministry of Youth Affairs and sports at Jawaharlal Nehru Stadium, Delhi on 8th March'21. The event was graced by the presence of Mr. Kiren Rijiju, Honourable Minister of State (Independent Charge) for Youth Affairs and Sports. The volunteers marched around the stadium enthusiastically.

Our Honourable Prime Minister Shri Narendra Modi had launched a program Azadi ka Amrut Mahotsav to mark the 75th Independence Day. So, NSS RLAC also celebrated this joyous event by organizing an event where volunteers narrated the historical saga behind monuments and also inspiring stories related to them.

The first-ever annual festival SANKALP 2021 with the theme Volunteerism: An Inspiration in Action was organized by NSS RLAC from 11th April 2021 to 12th April 2021 via online mode. Two competitions were held under the fest with exciting cash prizes. Sanrachna: The Storytelling Competition where participants were provided with a platform to express themselves through a story they created, and Treauropedia: A

Quizzing event. The later was a team event, in which participants were quizzed on their knowledge about 'Social and Historical figures of India'. An informative talk session by Ms. Anupama Datta (Editor- HelpAge India Research and Development Journal) was organized followed by closing ceremony and announcement of results. The closing ceremony was graced by the presence of our honourable Principal Dr. Rakesh Kumar Gupta. The fest turned out to be successful with more than 400 registrations from various institutions all over the country.

During this pandemic, NSS Unit of Ram Lal Anand College has also taken many initiatives to provide mental relief to the volunteers, their families and all other youths associated with it. NSS started a helpdesk for blood, plasma and bed availability in DELHI-NCR region via the college website and various social media handles. The volunteers have been continuously active and have spread awareness by busting the myths in regard to vaccination drive; every week many digital and handmade posters were made and shared by the volunteers to motivate and create awareness about Covid appropriate behaviour. Many videos, posters spreading awareness about COVID 19 were uploaded on the college website.

While awareness plays an important role, the results are achieved by execution. The unit organized a 15 days Yoga camp in collaboration with Yoga and Meditation society to celebrate the 7th International Day of Yoga. Volunteers learned the art and benefits of Yoga from Yoga Gurus Shishir Pokhriyal and Rahul Bhadotiya. Under the initiative of Ministry of Ayush (Govt. Of India), Patanjali Yogpeeth, Heartfulness Institute and many other reputed organizations, volunteers from NSS RLAC took part in a 100 days programme, Yoga for Unity. While these examples represent less than a fraction of initiatives, NSS RLAC as a team, have conducted numerous workshops and webinars so that the young volunteers indulge themselves in a healthy way of life in the later stages.

NSS RLAC had tried to touch every aspect of important occasions like Constitution Day, National Youth Day, Makar Sankranti, Basant Panchami, World NGO Day, No Smoking Day, World Heritage Day, Earth Day, World Health Day, National Safety Day

and the like to spread awareness and to reflect the essence of selfless service by underlining the very fact that the welfare of an individual is ultimately dependent on the welfare of society on the whole.

ENACTUS

Convenor: Dr. Neena Mital

Under the able guidance of honourable Principal, Dr. Rakesh Kumar Gupta, and convener Dr. Neena Mital, ENACTUS held its first ever society fest: BITZOPIA in the year 2021. Keeping in mind the covid situation in the country, the event was held online. The covid situation in the country was alarming, every individual was going through one thing or the other as it was taking a toll on both mental and physical health of individuals. So owing to these conditions, the objective of the fest was to provide an enriching experience to all our participants.

It was a two day event where a Business Conclave was hosted on June 26th, 2021. The speakers were invited from various backgrounds and are on the top of their league. The students had the pleasure of learning from talented and experienced speakers like Kunal Kapoor, Founder and VP (Homeflic Wegrow), Neeraj Walia, MD and CEO (Montblanc India), Kriti Singhal, Co-Founder (The Education Tree), Taran Singh, CEO (Melvano), Samantak Bhadra,

Founder (The Sound), Aakarshan Sethi, Co-Founder (Startup Scholar), Shawrya Mehrotra, Founder & CEO (Metvy) and Susmita Das Gupta, Founder and Chief Ideator (Smart Ideas) who were present to guide young entrepreneurs in the most efficient and useful direction. More than 100 unique students attended our online Business Conclave session.

On June 27th, 2021 the society hosted a Business Plan Competition where teams from all over the country took part and the projects had the great opportunity to be judged by Anuj Batra, Co-Founder (Andromedia Maritime Solutions & EV Startup) and Sivesh Kumar, Founder & CEO (Startup Monk) and Mentor (Startup India). More than 75 teams entered the competition and 10 were ultimately shortlisted who went on to compete for the Best B-Plan. Overall the event saw great footfall and was a great learning opportunity.

Agenda Item 2: Action Taken Report for decisions taken in 6th IQAC meeting was presented (**Annexure 2**), and approved.

Agenda Item 3: Quality Initiatives for Session 2020-21

a. Certificate Courses: The college has so far offered and successfully completed 12 certificate courses during the last academic session including the Lockdown Period. For those courses offered during the lockdown period in online mode, no course fee was charged from RLA students. However, the students of other institutions were charged Rs. 1000/-. Four certificate courses, Hindi Translation (Third Round), Software Editing for Media reporting, LATEX HTML for Mathematics students and Disability Studies will commence from January 2021. Another certificate course on Data Analytics has been proposed for the current session by Dr Seema Gupta. Dr Seema Gupta will also follow up the Course on SPSS with Dr Suneyana Sharma, Department of Economics who was previously assigned the responsibility to start this course. Department of Microbiology and IQAC will be offering a Certificate Course entitled 2

“Python Programming for Biological Science” under DBT Star College Scheme in the Even semester of academic session 2020-21. Dr Prerna Diwan will also follow up on the Certificate course on Advanced techniques in biological Sciences assigned to Dept of Microbiology. The certificate courses in foreign languages Japanese and Chinese are continuing this session under Self-Finance Mode with sufficient enrolment of students.

b. Value added courses: Yoga and meditation course has been running since the start of lockdown (Since 1st June 2020) and will continue in online mode till the college opens for physical mode of classes. Gender Sensitization Committee will plan a value added Course/Training/Workshop on Gender Equality and Empowerment with Dr Shruti Anand as Coordinator. The Schedule for value added course on Human values, Ethics and Life Skills has been prepared for session 2020-21. The classes for the same will start from 5th December 2020 in online mode for all I semester students enrolled. Short term courses for preparation of Entrance examination (CAT , PO, SSC etc) has been proposed and recommended by IQAC. The CCPC along with BMS faculty will identify the resource persons for logical reasoning sessions, language, analytical ability, etc. will start these courses during the coming semester.

c. Diploma Courses in Chinese and Japanese Languages: These could not be started in this session 2020-21 due to insufficient number of applicants. Department of South Asian Studies, University of Delhi has been requested to take necessary steps to restrict number of candidates enrolled in other colleges so that the interested candidates get distributed in all centres.

d. Endowment Funds and New Prizes for students: The college has started an Endowment Fund under which donations from the college stakeholders and public will be accepted. The funds received will be used for the purpose of scholarships or awards as per the wishes of donor or the requirement of the students. Four retired faculty members have donated under Endowment Funds. Mr O P Sharma, Retired faculty of Department of Commerce has donated Rs 4 lacs, the annual interest generated from this, will be utilised for “Pandit Budh Ram Sharma Best Student Award in Commerce and Management Studies” (in memory of his father). The selected student will be awarded cash prize of Rs 20,000 along with trophy and certificate. Wife of late Shri M C Gupta, Retired Faculty, Department of Commerce has contributed 2 lacs to College Endowment Fund. Mr M S Verma, Retired faculty Department of Commerce and Dr R K Aggarwal, Retired faculty Department of Economics have each contributed 1 lac to Endowment Fund. The interest earned from the endowment funds will be utilised for student 3

scholarships. The college will try to register this fund with Dept of Income tax so that necessary provisions of tax exemption may be applied on these donations and donors can derive tax benefits. As per the suggestion of IQAC Expert Member, Mr Santosh, Appeal for Donations to the endowment fund will be put up on website for all stake holders to get wide publicity.

e. Best Practices 2020-21: The departments will be requested by email to give their suggestions for the same.

Agenda Item 4: Presentation of Annual Report 2019-20 and discussion on Proposed

AQAR 2019-20: IQAC Chairperson presented key highlights of the Annual Report 2019-20 appended as Annexure. Regarding the development of AQAR 2019-20, the Chairperson requested IQAC coordinator to seek information from all faculty members and to initiate the process. He also suggested to constitute IQAC subcommittees and to schedule meetings with departments to do physical verification of documents for 2017-18, 2018-19 and 2019-20.

Agenda Item 5: Quality Initiatives during Lockdown: The IQAC Coordinator apprised the house of various quality Initiatives taken by college during Lockdown (Even semester Academic session 2019-20 and ongoing odd semester Academic session 2020-21) as given below:

a. Teaching-Learning: During lockdown faculty switched to online mode of teaching using Zoom, Google Meet, Hangout in March 2020. The College also purchased Zoho subscription for a month for hosting webinars for enhanced learning. The students were sent e-resources/e-books by the concerned teachers through a dedicated departmental email IDs. The students and faculty were further provided with G-Suite account facility with Institutional email IDs for attending online classes and to have Google classroom access. FDP on ICT Tools and LMS was conducted for all faculty members before the start of academic session 2020-21 to facilitate online teaching. Modules on online platforms including Google Meet, Google Classroom, Canvas, JioMeet, Zoom, Photo and Video Editing tools were covered in this FDP. The faculty have been given option to get laptops issued from college if required, for online teaching and meetings. All faculty Meetings including staff council, committees were conducted online. The remedial/doubt classes were also conducted by faculty in the best interest of students from 15th to 18th May 2020. 4

b. Internal Assessments: All assignments/quizzes/presentations were taken online on Google classroom. The Internal Assessments uploading and grievance resolution, were managed through online modes. The faculty members were sent excel sheets to fill IA marks, and after uploading pdfs were shared with faculty for verification and then shared on website for students. All queries of students received via dedicated mail account were addressed timely.

c. Examination: The University conducted theory Open Book Examinations for final year students of 2019-20 batch. A dedicated tab of Examinations was created on college website. All necessary information and advisories were shared with students through this tab on website, and through email and class Whats app groups. Dr Devendra Kumar, Department of History was nominated as Nodal Officer for the Open Book Examinations. College made arrangements for students interested to use IT infrastructure of college during OBE. Faculty members counselled and guided the students before OBE to ensure students have stress free examinations. The college office shared all downloaded question papers with students through email and class Whats app groups. The discrepancies in OBE evaluation were also resolved by college by getting the pdfs of answer scripts of students evaluated and sent to university for updated result declaration in a timely manner. The Practical examinations were also conducted through online assessment and evaluation process.

d. Curriculum Enrichment: A number of Webinars, e-workshops, online certificate courses are being conducted for students. For the certificate courses conducted, our college students were not charged any fees.

e. Student Support: The students have been provided with facility to get Provisional, Bonafide student certificates and any other certificate through online mode. Students have been given remote access to Library Resources so that they can have reading material access at home. The books prescribed for B A (Hons) I year and B A programme III year were scanned by Kabo Scanner and converted to VH readable E-Texts and shared with Visually Challenged students. The concerns of students and parents were addressed through series of meetings held with Principal and departmental faculty online. Students were also given access to Counsellor/Psychologist for dealing with Psychological issues during lockdown and they have faculty mentors also to discuss their issues. Online Counselling was done for Admission Seekers. The contact numbers of Help desk and Grievance Committee members for admission 2020-21 related queries were displayed under dedicated tab on “Admissions 2020” on homepage of college website as well as in the e-prospectus. The college made provision for 5

payment of annual fees in 2/3 instalments in case of financial issues of any student due to ongoing pandemic situation. All fees including admission and examination fees are being collected through digital transactions.

Online Orientation for new students enrolled in 2020-21 was done on 20th November 2020 using Zoom platform that was attended by more than 600 students and parents. The time-tables were displayed through website and the choices for 14 GE courses and AECC were also taken from students using google forms displayed on website.

f. IT Infrastructure: The college has subscribed to Zoom Pro package for one year along with subscription for large meeting of 500-1000 participants for hosting seminars and conferences. Two ACT fibrenet connections for Hi-speed internet and wi-fi have been provided in the office to have un-interrupted connection.

Agenda Item 6: Process of Faculty Promotions: Chairperson apprised the house that eligible faculty members have submitted their applications for promotions to college office. Promotion process from stage 2 to stage 3 have been completed in Department of Hindi and Computer Science. List of experts for Screening cum Evaluation Committee members for promotion are awaited from University for departments of Physical Education, Political Science, English and History. Dr Rakesh Kumar, Hindi requested the chairperson to send a formal mail to get UGC listed Journals from June 2018-June 2019 as it was not available on their website and is required for calculation of points for promotion criteria.
