PRINCIPAL'S REPORT

I am pleased and extremely proud to present the 2019-20 Annual Report for Ram Lal Anand College highlighting the key achievements over the past year. This session (2019-20) the college adopted the New Learning Outcome Curriculum Framework (LOCF) in all programmes as prescribed by University of Delhi. The session started with an orientation programme for the new students and parents on 20th July 2020 organised in three separate sessions which saw an enthusiastic participation of 900 attendees.

In March 2020, when the college was closed as a measure to contain the spread of the novel coronavirus, the process of teaching and learning, including assessment methodologies, was the first to be affected by this closure. However, I was amazed to see how our college teachers readily adopted the online teaching mode so that students don't suffer and education continues. All syllabi were completed through this online mode utilizing Zoom, Google Meet, Webex etc. Faculty also readily switched to LMS like Google Classroom and Canvas for sharing study material and conducting assessments/ quiz. All departments created a dedicated email id through which they shared e-content and other information with students during lockdown. I sincerely appreciate the hard work of the entire faculty and staff. This pandemic actually transformed the age old, chalk and talk teaching model which was primarily by most teachers in Pre-covid times. In this time of crisis, Students Faculty and Non-teaching staff also engaged themselves in capacity-building by organising as well as attending online short term certificate courses, webinars and training programs.

I would like to acknowledge the tremendous leadership of our Governing Body Chairperson, Shri Daya Prakash Sinha, Chairman, Governing Body. Daya Prakash Sinha, is retired IAS officer, currently also serving as the national convener for BJP Cultural Cell and vice-president of Indian Council for Cultural Relations (ICCR). He is well known Hindi plays director, writer, dramatist, for plays Samraat Ashok, Seedhiyan, Katha Ek Kans Ki, Itihas Chakra and Rakt Abhishek. His theatrical works translated into many languages have been published and staged for almost 50 years.

I congratulate him on being conferred Padma Shri Award 2020 under Arts and Culture Category by Government of India for his illustrious contribution for decades to the field of Hindi theatre.

In all it was a great experience and the society was grateful to host participants from colleges across Delhi NCR. The society not only organized competitions, but also participated in various competitions organized in the debating circle like Parliamentary Debate, MUN's conventional debates, memorial debates etc. The members had a first hand experience of the intense and powerful debating competitions organized in and around Delhi. The members also represented the society and college in prestigious competitions like Debutant'19- PD organized by IIT Delhi. Many of the members chaired and participated in various MUN's such as Hindu and St. Stephens. Various meetings were conducted within the society to polish on the debating skills. The members indulged in mock sessions to sharpen up their skills and help each other grow in their art.

The society also envisioned on organizing the first MUN in Ram Lal Anand College. The preparations were already in progress when the great pandemic hit us all, because of which the event has been put on hold. Though saddening for us but we are ever determined to hold the event once these difficult times clear. Keeping such hope and determination high, we promise to work hard and grow in our art with the developing time to achieve greater accomplishments and be a guiding light for future debaters of the society.
