Dear Students

CONGRATULATIONS

The Student's Union Annual Festival of the college 'Nexplora-18' has been successfully celebrated with all enthusiasm, vigor and happiness in association with our Arts and Culture Society. The office bearers of Student's Union and the student ambassadors of various Extra-curricular Societies have spent their precious time with full dedication, honesty and hard work to magnificently decorating the campus and splendidly completing this two days memorable cultural fiesta. We, on behalf of the whole college fraternity, congratulate and appreciate the efforts of all these students and their team members for this grand success. We also appreciate all the students of the college who participated in the event as audience or in its organization and maintained peace and discipline in the college.

Thank You All
