

Statistics Society Report session 2019-2020

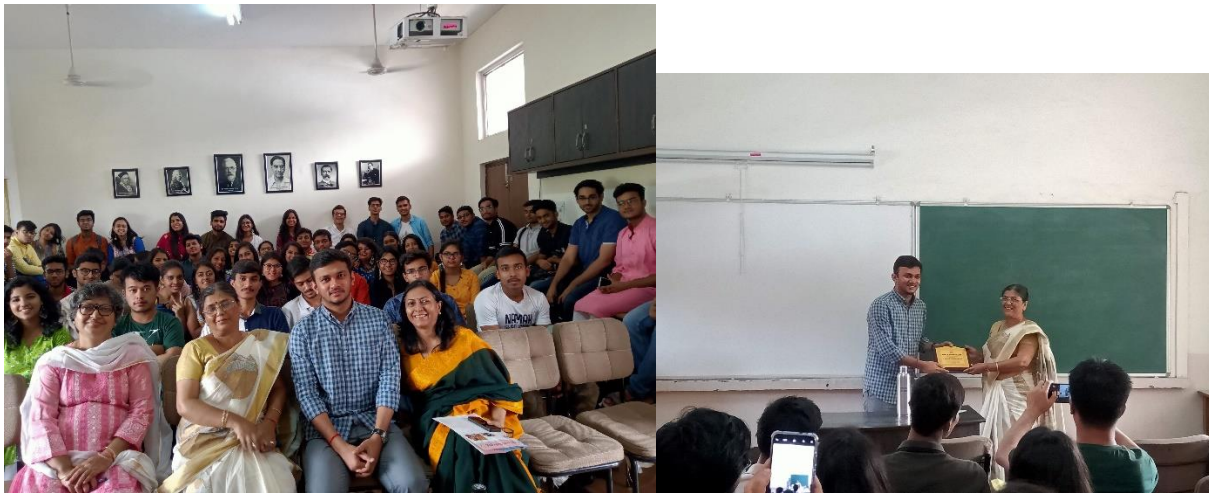

Teacher-in-Charge Dr. Seema Gupta

Convenor: Dr. Mukta Datta Mazumder

Statistics Society of Ram Lal Anand College conducts various events round the year to build up their confidence and help them strengthen their soft skills. Students under the guidance of their teachers do much of the planning and organizing of the academic and co-curricular activities. The society organizes various lectures with speakers from industry, workshops, alumni interactions and competitions. Every year it organizes its annual intercollege annual festival “Random Walk” which hosts a number of competitive events in addition to informative lectures by renowned academicians and experts.

Events organized in the academic session 2018-19

Department of Statistics, Ram Lal Anand College formally welcomed the freshers with brief introduction, lunch and fun filled activities was given to freshers on 14th September 2019. Students celebrated Teachers Day by organizing a small get-together on 5th September 2019. Department of Statistics organized a lecture for career guidance on Career in Biostatistics titled “**Career in Biostatistics**” by **2005-2008 Alumni Mr. Palash Malo (Pursuing Ph.D., NIMHANS, Bengaluru)** on 24th October 2019. The lecture was attended by approximately 50 students.

Elections of Statistics Society were held on 16th September 2019. A team of bright young students was elected to help organize various activities in the department and to motivate their peers too.

A career counselling session was organized jointly with Career Counseling and Placement Cell of the college on 16th January 2020 Mr. Sajid Hussain and Mr. Prem Dalai (Step Up Analytics)

young Data Scientist working in the industry to share the experiences and enlighten the students about **Career in Data Science**.

The department also organized another Alumni interaction session on 28th January 2020 with 2011-2014 batch pass out Alumni **Ms. Jyoti Nagarkoti (Indian Statistical Service, got 11th Rank in ISS Exam)** titled Prospect of Indian Statistical Service.

Students organized their annual inter-college festival “Random Walk-2020” with the same enthusiasm and excitement. The annual was held on 4th March 2020. Statistics festival is the right mix of motivating lectures and various fun filled activities. This year the department invited an expert and an Alumni from the field of finance and currently working as a Chartered Financial Analyst Mr. Varun Agarwal. This lecture was followed by another lecture by Dr. D. K. Yadav, Department of Statistics & Demography (NIHFW). The title of the talk was “Determination of sample size”. This lecture was followed by interested fun filled activities like Bet-Ball and X-Factor and Couch Potato.
