THE ANNUAL NCC MAGAZINE

MESSAGE FROM CAPT. (DR.) SANJAY KUMAR SHARMA, ASSOCIATE NCC OFFICER

National Cadet Corps (NCC) came into existence on 15 July 1948 under an Act of Parliament. Over the years, NCC has spread its activities and values across the length and breadth of the country; in schools and colleges in almost all the districts of India. It has attracted millions of young boys and girls to the very ethos espoused by its motto "unity and discipline" and moulded them into disciplined and responsible citizens of the country. NCC has attained an enviable brand value for itself in the Young India's mind space. National Cadet Corps (NCC) aims at character building and leadership in all walks of life and promotes the spirit of patriotism and National Integration among the youth of the country. Towards this end, it runs a multifaceted training; varied in content, style and processes with added emphasis on practical training, outdoor training and training as a community. With the dawn of Third Millennia, there have been rapid strides in technology, information, social and economic fields bringing in a paradigm shift in learning field too; NCC being no exception. A need was felt to change with times. NCC has introduced its New Training Philosophy, catering to all the new changes and developments taking place in Indian Society. It has streamlined and completely overhauled its training objectives, syllabus, methodology etc thus making it in sync with times. Subjects like National Integration, Personality Development and Life skills, Social Awareness etc have also been given prominent thrust. For the ease of both Trainers and Trainees alike, a summary and a list of various types of questions concerning the unit have been added at the end of each unit. The syllabus has been revised to make it cadet friendly, colourful with large number of photographs, charts, pictures etc and visually appealing. It is hoped that this will facilitate better assimilation and increased interest among the cadets. Our college NCC has a vacancy of 54 cadets. Cadets actively participates in many camps like Republic Day Camp, Thal Sainik Camp and many other national camps and make the college flag high. Many of our cadets have been serving in defence forces at different ranks. It's my pleasure to present ~~vikrant~~ - The Annual NCC Magazine for the session 2019-20.

MESSAGE FROM SENIOR UNDER OFFICER HITESH KUMAR

“NCC is the torchbearer of the Armed Forces”

NCC is the largest uniformed youth organisation. Its motto is ‘Unity and Discipline'. It aims to develop qualities of character, courage, comradeship, discipline, leadership, unity, secular outlook, sportsmanship and ideals of selfless service among the youth to make responsible citizen which helps in Nation Building.

It gives me great satisfaction that RLA NCC is progressing in all its endeavours towards the overall development of cadets. NCC cadets of RLA participates in various kind camps which gives exposure to the individual/team to comes out and showcase their skills and prove their worth along with NCC cadets also contribute towards Nation Building through social service such as tree plantation, blood donation, cleanliness drive, aids awareness rally, foot policing, plogging, various awareness campaigns, disaster management and relief etc.

There are varieties of camps in which cadets of RLA NCC have participated and brought laurels to the NCC unit and college. It gives me immense pleasure to share that that our 4 cadets along with the ANO of RLA NCC attended the RDC (Republic Day Camp). Along with these 2 cadets attended AITSC (All India Thal Sainik Camp), SNIC (Special National Integration Camp), Chief Minister’s Rally, some have attended AAC (Army Attachment Camp) which gives the feel of Indian Army, Trekking and ATC (Annual training Camp).

~~vikrant~~ - The Annual NCC Magazine of RLA NCC is a platform for the cadets to express their creative pursuit which develops in the them originality of thoughts and perception it also highlights the success and achievements of RLA NCC.

I am sure, the coming batches of RLA NCC would leave no stone unturned to maintain the standard of excellence and would try harder to reach even greater heights in future.

ALL INDIA AMARKANTAK TREK – II

BY THE RIGHT: CDT SHUBHAM SINGH, JUO ANNU YADAV, CDT AMIT

NCC gives chance to face many adventures camps, trekking camp is one of the adventurous camps in NCC. The camp location for this trekking camp is Amarkantak, which was held from 28th May 2019 to 05th June 2019, 62 cadets from Delhi Directorate participated in it, out of which 3 cadets of Ram Lal Anand college were also participated:

1. JUO ANNU YADAV
2. CDT SHUBHUM SINGH
3. CDT AMIT

Madhya Pradesh and Chhattisgarh Directorate, Uttar Pradesh Directorate, Jammu and Kashmir Directorate and West Bengal Directorate also took part in this camp. May 28 is our reporting day in the camp. On the evening of May 29, we were informed about the routine and the rules of the camp. During this trekking camp, we were present along with Sub-lieutenant Sunil Kumar from the Delhi Directorate and the PI staff Hav Gajendra Singh from MP & CG Directorate who came in contact with the detailed information about all the famous places on the way. During this camp, many prominent and famous places were shown to us. We visit following places during our camp:

1. Son-muda – This place is the source of the Son river. This river originates from the state of Madhya Pradesh and joins Uttar Pradesh and Jharkhand to meet in the Ganga river. This river was named Son because its sand is yellow and it shines like gold.
2. Shri Yantra Mandir – This temple is one of the ancient temples of India. It is believed that in ancient times Saint Mahatma used to come here for his accomplishment. Now this temple is opened only once a year.

KAPIL DHARA

3. Shri Jain Mandir – This temple is constructed based on the belief of Jainism. This temple is architectural, sculpture, carving, dome etc. styles are viewable. Seeing this

temple being built, it appears that the ancient art is still alive in Indian civilization. This temple has been completed this year, 19 years.

4. Shri Durga Dhara – The scene here was adorable, as well as natural as well as variant. Durga Dhara is a very small water fall.

On the last day of this trekking camp, all the cadets visited to the Indira Gandhi National Tribal University. This university is spread over 600 acres. In this university, researches are done on naturally occurring plants along the river Son river and Johila river.

The closing ceremony of the camp was made successful in the presence of ADG and Group Commander from MP & CG Directorate on 4 June 2019. In this program, Cadets from every Directorate took part in which the Delhi Directorate got second place. This program was terminated by rewarding all the winners by the ADG and Group Commander.

Annual Training Camp

SUO HITESH KUMAR

Annual Training Camp (ATC), the mandatory camp for 'B' and 'C' Certificate examination, was held at NCC Bhawan in Rohini Sector 18 from 30 May 2019 to 08 June 2019. Our college reported at NCC Bhawan on 29th May for preparations of the camp like tent pitching and other things which were required during the camp. Other colleges and schools from 7DBN also participated in it and around 530 cadets from both senior and junior division reported there. All the cadets were divided into 3 companies (Alpha, Bravo and Charlie). Our college was under alpha company and it had total of 170 SD cadets. These distributions of companies were done on 30th evening and from 31st onwards fall in were supposed to be in the same manner.

We have to fall-in for our roll call parade before 0510 hrs at parade ground. Followed by PT, our parade was scheduled at 0710 hrs and in between this 1 hr of break we were supposed to change into our uniforms and have breakfast. After the breakfast all the cadets were present at parade ground for our parade. This parade was terminated at 0740 hrs and we were given tea break. After the break we had continuous sessions of classes of rifles, field crafts and battle crafts and many other topics. Between these schedules of classes, we also had special periods based on awareness regarding traffic control and its management, a traffic police officer was invited to deliver the lecture and share his experiences and aware all cadets. Besides this we had a class on Aadhaar card and BHIM app, this was for generating knowledge and how to use these facilities in a beneficial way. Classes on malaria and dengue fever was also conducted where we were taught the causes symptoms and its prevention. Classes terminated at 1115 hrs and we were given break till 1540 hrs. After the break one class was scheduled till 0610 hrs and at 0610, we had our games period. After the games period, each day we had different competitions such as solo and group song, debate and essay writing competition, solo and group dance, obstacle training competition. In these competitions our college also participated and even won in few events. On 07th May we had Bada khaana and in the evening all the best performers of different competitions performed

CDT GULSHAN KUMAR JHA

and entertained us. We also go at National War Memorial at New Delhi where we got information about our National Heroes and very much about them. We also go on firing range where our PI staff give a chance of firing and our college got two times opportunity than other colleges. In firing, PI staff give 5 rounds to each cadet for firing. On 08th all the cadets were given morning refreshments and were given certificates and officially terminated this ATC camp.

CDT AJAY SINGH

Achievements of the camp are as follows

- SUO Hitesh Kumar is our 2nd Camp Senior
- CDT Ajay Singh – 1st position in OT competition.
- CDT Hrithik Singh – 2nd position in Best Cadet competition.
- CDT Ujjwal Sharma – 2nd position in OT competition.

INTERNATIONAL YOGA DAY

RLA COLLEGE ORGANISING INTERNATIONAL YOGA DAY

The initiative taken by our honourable Prime Minister Narendra Modi towards celebrating yoga day every year has spread the awareness of the benefits of practicing yoga not only in our country but around the whole world. He said, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in wellbeing." The Indian Prime Minister Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

TRAINERS FROM BHARTIYA YOH SANSTHAN

International Yoga Day was celebrated in Ram Lal Anand college which was organized by 7 Delhi Battalion NCC. It was a three-day programme from 19thJune to 21st June. In which college students, cadets of Ram Lal Anand College, cadets from other colleges which fall under 7 DBN, teaching and non-teaching staff of our college participated.

Our chief guest Lt. Col. Rohit Gaur increased the enthusiasm of the cadets and the participants by his presence. Sir immensely motivated and heightened the spirits of the crowd by performing yoga alongside them.

Each day the crowd started gathering at 6:30 am and yoga session started by 7 am. During this time everyone performed yoga asanas under the supervision of the professional yoga trainers from Bhartiya Yog Sansthan. The yoga mats were provided by the college and were laid down in the lawn by the NCC cadets. Yoga sessions were really rejuvenating and relaxing as they were carried out in the morning when the air was fresh, clean and cold and the sun wasn't too bright. The yoga sessions were two hours long, all the gathering participated with great spirit and followed the instructions the trainers gave. The trainers not only helped perform yoga asanas but also taught of the various effects and health benefits of each yoga asana being performed. The three-day experience of the yoga was very fruitful and many people inculcated practicing yoga in their daily routines.

PARTICIPANTS DURING YOGA SESSION

Everyone must practice yoga and promote it in order to live a healthy and sound life with a healthy community. Alongside yoga, cleanliness and prevention of pollution is also necessary so that a healthy environment is available for practicing yoga.

The three-day event was organized and carried out successfully without any problems.

DU ECA NCC TRIALS

CADETS DURING TRIALS

Aspirants who wish to secure admission at Delhi University (DU) can secure admission under Extra Curricular Activities (ECA) Quota as well. NATIONAL INTEGRATION TOUR

POSTER DESIGNED FOR WELCOMING OF STUDENTS FROM J&K UNDER NATIONAL INTEGRATION TOUR

The Army's SADBHAVANA drive is an informal approach mechanism for the officers and soldiers to interact with and show genuine concern and interest in the welfare of the local population. With the deployment of Army units in the early 1990s to combat insurgency in Kashmir, the Army's Northern Command launched Operation SADBHAVANA in 1998 to extend a helping hand in rebuilding the socio-economic life of the people. The aim was two-folds: to wrest the initiative from the terrorists and to reintegrate the population with the national mainstream. Operation SADBHAVANA is being carried out in all the three divisions of the state of Jammu and Kashmir. The Army's focus has been on women & youth empowerment, providing quality education, infrastructure development, health, veterinary care, and educational tours to various parts of the country. In addition to basic needs like water supply schemes, electrification and animal husbandry in far flung areas is given a priority with projects based on participation of the local people, elected representatives and civil administration. In the last seventeen years, the Army has succeeded in providing basic essentials thereby winning the affection of the local populace. As part of the empowerment effort, women are taught traditional art and trained in skills in various fields. Youth are trained to be mechanics, machine operators, compounders, tourist guides, mountaineers and sportsmen and are given skills in poultry farming, animal husbandry and the like to enable them to gain employment, thereby restricting their entry into the cadre of militants. Education tours are organised for students and opinion makers to various parts of India with a view to providing them an exposure to the cultural diversity and the economic

STUDENTS FROM J&K.

progress made in various regions under peace and stability. The positive impact of the Army's SADBHAVANA project can be gauged from the fact that in many far-flung areas, the people have urged that the Army and not the local administration should get the Planning Commission's allocation for development activities.

A tour called "NATIONAL INTEGRATION TOUR" organised by the Indian Army for National Integration in which 20 Kashmiri students were the part had visited Delhi. In which they had to meet President Ram Nath Kovind. They had also visited various monuments in Delhi.

They visited in Ram Lal Anand College, Delhi University on 03rd July 2019 for seeking the college life in Delhi University. They were welcomed by our principal DR. Rakesh kr. Gupta and ANO Capt. DR. Sanjay Kr. Sharma along with NCC Cadets with bouquets and garlands. Thereafter students from Kashmir met college staff, students, teachers, etc. They got to know about the activities which can be done in college life. They interacted with many NCC cadets during their visit because ECA NCC Trail were going on at that time, in which we NCC cadets tell them about college life and experiences of the camps and the cadets who came for the trails tell them about the school life in Delhi. They also watch some of the trails of the cadets in which they saw drills and weapons. They got to meet our PI Staff there at the occasion and interacted with them. They saw our classes, and we guided them during their visit by showing them places of our college. They also tell us about the place in Kashmir where they are from. Our ANO addressed them about NCC and various extra-curricular activities of our college. He tells them about camps in NCC like Republic Day Camp, Thal Sainik Camp, etc. They were very happy to see our college and the kind of sanitation they saw in our college, they appreciated it because our college as usual follows the "SWACHH BHARAT ABHIYAN". After that we gave them refreshments and thank them for their visit in our college. They invited us to visit Kashmir and feel the heaven.

On this context of "SADBHAVNA" tour later on Indian Army officials said, they will continue to organise tour in the valley for giving more exposure to the children.

DU ADMISSIONS 2019

Delhi University admissions for the academic session 2019-20 started on 20th May 2019. ADVANCE LEADERSHIP CAMP

DELHI DIRECTORATE CADETS AT TAJ MAHAL DURING AGRA DARSHAN IN ADVANCE LEADERSHIP CAMP, AGRA

NCC organise many national camps, Advance Leadership Camp is one of them. As the name indicates leadership, it aims at inculcating leadership qualities amongst cadets and to acquaint them with Service Selection Board (SSB), preparing them for the entrance examination and interview for IMA or OTA. Best cadets from five NCC directorates, out of total seventeen in India, participated in the camp. Cadets who attended this camp were upbeat at the prospects of seeing through the stringent Services Selection Board (SSB) interviews more confidently as they aim to join the IMA or the OTA to be an army officer. Leadership traits of teamwork, team-building, motivation, morale, goal-setting and decision-making skills were also introduced to these young minds. Public speaking, debates, declamation, quiz contests, group discussions, mock interviews, psychological tests, screening tests with special attention towards developing communication skills were also held at the camp. The Advance leadership camp (ALC) was held from 16th of July 2019 to 27th of July 2019 in Agra, Uttar Pradesh hosted by 1 UP Girls Battalion, UP Directorate. Total strength of Delhi Directorate was 20 SD cadets. Two Junior Under Offices of Ram Lal Anand College were part of the camp, JUO Paramjeet Singh and JUO Nikhil Pathak.

FROM LEFT: JUO NIKHIL PATHAK, JUO PARAMJEET SINGH AT AGRA FORT

Camp is of 10 days out of which one days is for Agra Darshan. In the camp daily lectures were taken by various Psychologists, GTOs, IOs and many other Officers from different SSB Centres. In the time span of about 10 days they teach us many key things about SSB. Camp consist of cadets from five Directorate of the country are Delhi Directorate, Uttar Pradesh Directorate, Madhya Pradesh & Chhattisgarh Directorate, Tamil Nadu, Pondicherry & Andaman and Nicobar Directorate, Bihar & Jharkhand Directorate. 8th day of the camp is the most awaited day, on this day we were going for Agra Darshan to One of the Seven Wonders of the World which is a significance of love that is Taj Mahal and Agra Fort. We all have a group photo as a memory. This camp gave a vast knowledge not only about SSB but also many life lessons, this camp gives us many new friends.

SWACHH BHARAT ABHIYAN

CADETS IN FRONT OF AAM AADMI POLY CLINIC

Swachh Bharat Abhiyan was a nation-wide campaign from 2014 to 2019 to clean up the streets, roads and infrastructure of cities, towns, and rural areas. Its objectives included eliminating open defecation through the construction of household-owned and community-owned toilets and establishing an accountable mechanism of monitoring toilet use. The mission aimed to achieve an "open-defecation free" (ODF) India by 2 October 2019, the 150th anniversary of the birth of Mahatma Gandhi, by constructing 100 million toilets in rural India at a projected cost of ₹1.96 lakh crore. The mission contributed to India reaching Sustainable Development Goal 6, established by the United Nations in 2015.The campaign was officially launched on 2 October 2014 at Rajghat, New Delhi by Prime Minister Narendra Modi. It is India's largest cleanliness drive to date with three million government employees and students from all parts of India participating in 4,043 cities,

towns, and rural communities. As part of the campaign, volunteers, known as Swachhagrahis or "Ambassadors of cleanliness", promoted indoor plumbing and community approaches to sanitation (CAS) at the village level.[2] Other activities include national real-time monitoring and updates from non-governmental organizations (NGOs) such as The Ugly Indian, Waste Warriors, and Swachh Pune (Solid Waste Collection and Handling).

CADETS CLEANING POLY CLINIC INSIDE PREMISES

On 23rd July 2019 we the Cadets of Ram Lal Anand College has organised the cleanliness program in the Aam Admi Poly Clinic, Basant Gaon, firstly in the morning we all cadets as well as our SUO Hitesh Kumar decided the time of fall in at our college ground where we all meet and move for our next step around 0900 Hrs. After discussions we moved towards the Poly Clinic, Basant Gaon, there our SUO meet senior doctor and take permission through an application. We also used mask and gloves before start of the program. Then we start collecting the garbage and throwing it in the dustbin, cleaning dust. Even we also bear in mind about the comfort of the patient and their families that they don't feel any inconveniences or discomfort. We maintain complete discipline and after all we enjoyed and feel proud to be the part of this cleanliness program. The hospital staffs are so cooperative they provide every equipment so that we can reach our goal. At last we greet all the staffs and management and now it was the time for the group photo for promoting the cleanliness awareness in the youths and even in everyone through social media. Then we came back to college and our SUO submit report to our ANO Capt. Sanjay Kumar Sharma and even he encouraged and motivated us for such more awareness program for betterment of the society as he always does.

KARGIL VIJAY DIWAS

COLLEGE SEMINAR HALL DURING THE SEMINAR

Kargil Vijay Diwas, named after the successful Operation Vijay, is celebrated in India on 26 July. On this date in 1999, India successfully took command of the high outposts which had been lost to Pakistan. The Kargil war was fought for more than 60 days, ended on 26 July and resulted in loss of life on both the sides. The war ended with India regaining control of all the previously held territory, hence re-establishing the status quo ante bellum. Kargil Vijay Diwas is celebrated on 26 July every year in honour of the Kargil War's Heroes. This day is celebrated in the Kargil–Dras sector and the national capital New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at India Gate every year. Functions are also organized all over the country to commemorate the contributions of the armed forces.

PRINCIPAL DR. RAKESH KUMAR GUPTA DURING HIS SPEECH

This year, 20th anniversary of victory in "OPERATION VIJAY" is being celebrated at Ram Lal Anand College, we remembered our martyrs by revisiting the sacrifices and instilling pride, we rejoice by celebrating the Victory in Kargil and we renew our resolve to safeguard the honour of Tri-colour. On 26 July 2019 Cadets, College Staff, and other student of the college are gathered in Seminar Hall of the college to witness Kargil Vijay Diwas in remembrance of the sacrifice and bravery shown by our great soldiers. The seminar was started with the inaugural and welcome speech by our Associate NCC Officer Capt. (Dr.) Sanjay Kumar Sharma, he told some incidents in the same context and guided us to take pledge on performing our duties on policy of "Nation first" and then ANO sir invited our worthy Principal Dr. Rakesh Kumar Gupta, he delivered with speech and talk about his experience, he

73rd INDEPENDENCE DAY

CADETS WITH PRINCIPAL, ANO AND OTHER COLLEGE STAFF AFTER THE FLAG HOISTING CEREMONY

It was a great day in the history of India when the long struggle which started with the revolt of 1857 and ended on 15th August 1947 when India got freedom from the Britishers. It took us near about hundred years to break shackles of slavery. People in the whole country celebrate this auspicious occasion with great pop and show. The main program is held at Red Fort in New Delhi. This time also our honourable Prime Minister Narendra Modi hoisted National Flag at Red Fort and recalled our great victory from the

Britishers. Besides, Independence Day is also celebrated in every city, town, village and in every school and college. The Independence Day was also celebrated in our Ram Lal Anand College where most of the arrangements were done by the NCC Cadets of the college. We decorated our college with Tri Colour flags which was looking very beautiful and brought a smile on face of each and every person who looked at it. It brought our feeling of nationalism out and our love for our country. The Principal of the college hoisted National Flag at 8:00 am sharp. The National Anthem was played and nobody moved respecting and honouring it. The national anthem was followed by a speech by our Associate NCC Office Capt. (Dr.) Sanjay Kumar Sharma and our Principal Dr. Rakesh Kumar Gupta. Our Principal told us about the Independence Day and its importance as thousands had laid their lives for attaining freedom of our country. Capt. Dr. Sanjay Sharma told us about the sacrifice of freedom fighters and how we can pay them tribute by becoming a good citizen of the country. He also told students to follow ideals of great leaders like Mahatma Gandhi, Shubhash Chandra Bose, Bhagat Singh, Chandra Shekhar Azad etc. In the end of the ceremony sweets were distributed among the students and a separate arrangement of snacks were done for the teachers and NCC cadets .The independence day has great significance in every citizen's life and specially in the life of a NCC cadet who wish to serve the country by becoming a soldier, a warrior and a good citizen of our country. Independence Day tells us the importance of our freedom and the fact that it should not be endangered at any cost.

SWACHH BHARAT, SWASTH BHARAT

CADETS AFTER CLEANING COLLEGE OUTER PREMISE

Clean India Movement was initiated by our respected Prime Minister, Sri Narendra Modi that is known as Swachh Bharat Abhiyan in the memory of father of nation, honourable Mahatma Gandhi ji. Motto for Swachh Bharat Abhiyan is to spread awareness about importance of cleanliness among Indians and that comes with a short and powerful slogan, Swachh Bharat, Swasth Bharat that means cleanliness is a key to health and hygiene and conveys a lot about this major movement.

CADETS DURING AWARENESS RALLY

Every year a 15 days cleanliness drive is held by the Prime Minister before Gandhi Jayanti i.e. 2 October. This cleanliness drive is been followed by most of schools, colleges and different NGOs all over India. Each day is well planned and scheduled with

CADETS DURING CLEALINESS PROGRAM

different activities like run for cleanliness that put a deep and powerful message among the citizens of India.

Our college, Ram Lal Anand College specially NCC cadets and seniors are always excited for such activities with which they can participate in development of our county. NCC Cadets of our college started this campaign with enthusiasm. The energetic words of wisdom by honourable Principle Dr. Rakesh Kumar Gupta and our ANO Capt. Dr. Sanjay Kumar Sharma filled all Cadets with energy and inspired us for our contribution to our country with 100 hours of service under this movement. With a high and positive energy every cadet was desperate regarding their job.

The RLA NCC decided to spread awareness and gathered volunteers for 'Cleanliness rally'. Determined for spreading awareness among every student of our college as well as local residents of nearby colonies like Satya Niketan and Anand Niketan with posters and slogans NCC Cadets started their journey. Many people gathered around and even joined us in our rally. During this rally we managed to pick up the dry garbage that came on the way. On 3rd October the scheduled agenda was about Run for Cleanliness. This day also started with a high josh. All the participants and volunteers gathered for the 5 km run. The complete NCC unit motivated and appreciated every participant. All tasks completed as planned with a cheer and pride on faces of NCC cadets. We further hope for our NCC unit to continue participating in such events and activities for our country with same energy.

ALL INDIA SHIVALIK TREKKING

CDT VISHNU K VERMA (3RD FROM LEFT) AND SUO HITESH KUMAR (5TH FROM LEFT) AT CAMP LOCATION

Trekking camp is one of the adventurous camps in NCC. The camp was organised from 09th Oct 2019 to 16th Oct 2019 on the mighty land of Uttar Pradesh by 26 UP Girls Battalion. The camp was organised under the guidance and supervision of colonel Karam Din, along with a number of other staff. SUO Hitesh Kumar and CDT Vishnu K Verma have been selected to represent Ram Lal Anand College in this camp. Finally, the day came when we boarded the train from New Delhi Railway Station to Saharanpur from where we were taken to the camp site in army buses. Upon reaching the destination, we learned that there was a total of 450 students hailing from several parts of India to attend the camp like us. The camp site was a beautiful location with the view of the mountains at a not very far distance from us. We were very excited to explore these mountains and kept imagining what it would be to like to go to those mountains. We were welcomed by the JCO in charge of the trek and were made aware of the do's the don'ts of the camp. The next day, the cadets were divided into four houses and the names of these four houses were kept keeping in mind the name of the treks. The names of the four treks were, SHIVALIK, SHAKUMBHARI, BADSHAHI BAGH AND SHERPUR TREK. After a brief opening address by Colonel Karam Din sir, the treks were flagged off and the four houses marched off to their respective treks. Our first trek was on the hills of Shivalik where the cadets, with the help of two staff members, scaled the hilly and sloppy areas. The average distance of all the treks combined was almost 15

kilometres. The cadets were made to experience the life of a soldier and the difficulties that a soldier goes through as a part of his duty. We were told that soldiers on actual treks have to walk for weeks with limited supply of food and water and that our trek was just a glimpse of what soldiers actually did. By 2pm, all the four treks reported back to the base camp and the staff had to give a report of any causalities of mis happenings during the treks. The rest of the day was spent on various activities such as lectures, sports, and cultural activities. One or the other cultural or sports activities were organised every evening of the camp. Our battalion had participated in many of these events and secured good positions. During the time of dinner, all the cadets sat down together and had dinner along with a good motivational movie that was played every night during dinner. After 2 treks, the cadets were given a day break to relax. On the day of the break, the cadets were taken to a visit to Gurudwara Paonta Sahib in Himachal Pradesh. The trip was well organised by the trek staff and a special mention was given to the NCC cadets by the speakers of the gurudwara committee. The Commanding Officer made a contribution to the Gurudwara on behalf of the NCC cadets and all NCC battalions. A langar was organised for the cadets by the Gurudwara committee and the cadets also served at utensils cleaning areas.

CADETS DURING TREKKING

The remaining two treks were completed within a span of next two days and preparations for closing ceremony was in motion now. Special cultural performances were prepared and a BADA KHANA was organised on the eve of closing day. On the last day, we became a bit emotional to leave the place but were also excited to go back to home. We bid farewell to the friends that we had made there and the trekking staff wished us good times for ahead.

SPECIAL NATIONAL INTEGRATION CAMP

JUNIOR UNDER OFFICER NIKHIL PATHAK AT SPECIAL NATIONAL INTEGRATION CAMP KAKINADA

As the name indicates, it's something special, Special National Integration Camp is one of the rarest camps. Our moto "Unity & Discipline" say we must we unite and for unity we have to integrate the whole country. Objective of this camp is To CELEBRATE the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our Country, To PROMOTE the spirit of national integration through a deep and structured engagement between all Indian States and Union Territories through a year-long planned engagement between States, To SHOWCASE the rich heritage and culture, customs and traditions of either State for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity, TO ESTABLISH long-term engagements and TO CREATE an environment which promotes learning between States by sharing best practices and experiences. RUN FOR UNITY

CADETS BEFORE RUN WITH ANO CAPT. DR. SANJAY KUMAR SHARMA

31st October every year since 2014 has been celebrated as 'National Unity Day'. This day imparts the message to protect the unity, integrity and security of our country at any cost. On 31st October, this year too 'Run for Unity' is being organized. 'Run for Unity' is a symbol of unison, that the nation being united, is moving in one direction and collectively aims for- One goal! Ek Bharat, Shrestha Bharat. Sardar Patel integrated the nation with the thread of unison. This mantra of unity is like a sacrament in our life and in a country like ours filled with diversities, we should continue to strengthen this mantra of unison on all paths, at every bend, and at every pit-stop. Our nation has

CADETS DURING RUN FOR UNITY

always been very proactive and alert in strengthening unity and communal harmony in the country. If we look around us, we will find many examples of individuals who have been working ceaselessly to foster communal harmony. 'Run for Unity' is one such unique event which is beneficial for the mind, body and soul. During 'Run for Unity' not only do we have to run, but in doing so the spirit of FIT India is also reflected. We also find ourselves connected with Ek Bharat- Shrestha Bharat! And so, not just our body, but our mind and value system get integrated with ushering unity in India to take India to loftier heights!

CADETS DURING RUN FOR UNITY

This year Run for Unity is also celebrated in Ram Lal Anand College on 31st Oct 2019. The run inaugurated with a short inspiring speech by ANO Capt. Dr. Sanjay Kumar Sharma. His speech fills us with a new josh. And we start our run. Our route is about 2Km long. We have few posters about Run for Unity and some most inspiring quotes by Sardar Patel. We stared from our college with an enthusiasm and reach South Campus, then we took a U-Turn and get back to our college. SUO Hitesh Kumar reported to our ANO, and again with his closing speech our run ends.

VIGILANCE AWARENESS WEEK

CADETS ON THE COLLEGE STAGE BEFORE AWARENESS RALLY

Observance of Vigilance Awareness Week every year during the last week of October is taken up to encourage all stakeholders to collectively participate in the prevention of, and the fight against corruption and to raise public awareness regarding the existence, causes and gravity of and the threat posed by corruption. It is driven by the Central Vigilance Commission. The Central Vigilance Commission has the mandate under the Central Vigilance Commission Act, 2003 to fight corruption and to ensure integrity in public administration. It is charged with monitoring all vigilance activities under the Central Government and advising various authorities in Central Government and

organizations under it, in planning, executing and reviewing their vigilance work in order to bring out systemic improvement in governance. In addition, the Commission with its outreach activities also endeavour to create awareness amongst the common man, especially the youth, towards the policy of achieving transparency, accountability and corruption free governance. The 2019 Vigilance Awareness Week is being observed from 28 October to 2 November, 2019 with the theme **"Integrity- A way of life"**. Corruption can be defined as a dishonest or unethical conduct by a person entrusted with a position of authority, either to obtain benefits to oneself or to some other person. It is a global phenomenon. Affecting all strata of society in some way or the other. Corruption undermines political development, democracy. Economic development, the environment, people s health and much more. It is. Therefore. Imperative that the public must be sensitised and motivated towards efforts at weeding out corruption. Though punishment and penal actions delivered quickly are effective deterrents to corruption, a lot more may be achieved by inspiring the young generation to lead a life that combines righteousness and honesty.

Ram Lal Anand College also celebrated Vigilance Awareness Week this year from 28 October to 2 November, 2019 with the theme **"Integrity- A way of life"**. During this week our cadets spread awareness in college and nearby areas about Corruption through rallies and lectures. We were divided in four groups and we visit each and every classroom of the college, we took permission for a 2 minutes lecture for teacher and aware students about Vigilance Awareness Week.

SECURITY LEADERSHIP SUMMIT

HEAD OF DIFFERENT PRIVATE SECURITY AGENCIES

Our cadets of RLA NCC along with our ANO Capt. Dr. Sanjay Kumar Sharma attended Security Leadership Summit – 2019, The 14th Annual Conference of CAPSI & APDI was held at PHD CHAMBER, NEW DELHI on 16th Nov 2019. Central Association of Private Security Industry (CAPSI) – The preeminent organization for security professionals made its unpretentious beginning in 2005 and has emerged as an "elite association". Nationally and internationally renowned security professionals managing world's largest workforce of 8 million guardsmen and women engaged in providing private security cover to the nation. CAPSI's governing processes are being guided by an eminent Board of Governors having former Army Generals, Veteran Police and Para-Military officers, high ranking Intelligence Professionals from Central Bureau of Investigation and premier governmental intelligence agencies and renowned Risk Managers. The Executive leadership of CAPSI is provided by Security Entrepreneurs of Second Generation who have achieved excellence in the business of security management in India and abroad. The unique bouquet of experience and entrepreneurship has taken CAPSI to its new height within a period of 13 years, especially after the enactment of the Private Security Agencies Regulation Act-2005.

Association of Private Detectives and Investigators of India is the first & foremost national organization whose members are the leaders of their profession of investigations. In addition, free lancers and other investigation personnel as well as students are involved with APDI to better understand the constant changes in investigation issues and solutions. APDI is headed by Kunwar Vikram Singh as National Chairman. Mr. Subhash Wadhawan is the National president & Mr. L.N. Rao, Former Deputy Commissioner of Police is Working National President while Mr. Mahesh C. Sharma is the Secretary General. At state level also there are professionals heading the unit. APDI has duly formulated Code of Ethics for its members. They are also governed by APDI Code of Conduct, Rules. There are specially

empowered committees to take care of various aspects of enrolment & discipline. APDI (Disciplinary & Appeal) Rules are in force to take action against defaulting members.

The conference was started with the presentation of companies on security innovation. The minister spoke in great length about the role of a 'chowkidar' in our lives. He lauded the private security agencies for working tirelessly to preserve the stability of the nation. "In India there are around 23,000 private security agencies in which more than 1 crore people are working. We know that they are working under great hardship and realizing this our prime minister has provided you with number of facilities," After that lunch was organised.

CADETS AND ANO CAPT DR SANJAY KUMAR SHRMA AT PHD CHAMBER

Then followed by lunch there was after session which included the topic public police relationship and public safety. The chairperson of this session was Sh. KG Balakrishnan who is former chief justice of India. Many Famous personalities and ministers came as session speakers, who were Shri Arun Govil aka Ram (actor, producer, icon), Shri Manish Shankar Sharma, IPS, Controlling Authorities, MP and many more.

At 1515hrs Sh. Arun Govil sir addressed the conference and shared his experience about how he came there and need of innovation in security field. Then we had tea break. Right after the tea, Chief guest Shri Shiv Raj Patil, former governor of Punjab and home minister arrived and was welcomed by Kunwar Vikram Singh, chairman, CAPSI.

After his arrival a Valedictory session was conducted on the opportunities for security professionals from North to East. The chairperson of this session was Lt. Then followed by vote of thanks by Shri Mahesh Sharma and then followed by tea and all the cadet.

SWACHHTA PAKHWADA

CADETS AT PUBLIC PARK ANAND NIKETAN

Ram Lal Anand College NCC organised Swachhta Pakhwada from 1st December 2019 to 15th December 2019 under Swachh Bharat Swasth Bharat Abhiyan program. The main purpose of this program was to create awareness among the students and cadet of NCC regarding cleanliness and its benefits in our life.

Under this program all cadets of Ram Lal Anand NCC had participated. Even their rank holders are the essential part of this drive. All the activities that was held are organized by Ram Lal Anand College NCC and was guided by our ANO Capt. Dr. Sanjay Kumar Sharma. Under the Swachhta Pakhwada RLA NCC have organised cleanliness drive inside our College campus. Our main aim of this drive was to clean the whole college campus and makes the other student to participate in this drive. On the first and second day we focus on cleaning of our college front lawn. Senior Under Officer Hitesh Kumar started the program of the first day by cleaning the corners of the lawn. Some of the cadet picked broom and some picked poly bag and start their job. Some cadets start picking rapper scattered all over the lawn and after collecting them they threw them inside dustbin.

For the next day we have planned to clean our college ground. Again, some of that cadet took poly bags and pick up papers and trash scattered in college playground. After collecting it we throw them inside a dustbin. Since our hands were dirty and look after this, we washed our hands and seniors instruct the cadets for the next day.

Our surrounding is very important for us and it is needed to be cleaned so for the next day we had planned to clean the nearby public Park. We clean the public park of Satya Niketan and Anand Niketan. After cleaning the park, we have plogging from Ram Lal Anand College to Delhi University South Campus. We aimed to clean road and Footpath during jogging. Some of the cadets were carrying poly bags while some pick the trash and paper and put

CADETS ON SELF-HYGIENIC DAY

them into polybag. At last when we were done with plogging we threw the garbage collected into the dustbin. At last we wash our hands and got instruction from senior.

Cleanliness start from us and we need to be self-hygienic. To promote self-hygienic, we have a self-hygienic inspection. Junior Under Officer Nikhil Pathak inspect each and every cadet, he also gave a speech and lecture on self-hygiene and its importance in our daily life and gives tips about how to tackle unhygienic conditions in day to day life activities. To promote self-hygiene, we had organised an essay writing competition which took place in college front lawn so that a lot number of participations can be done and each and every student and faculty member of college can witness the competition.

Public awareness is very important as many of the people do not take care of cleanliness. For this we organised a public awareness rally which starts from Ram Lal Anand College passing through Anand Niketan, Satya Niketan, Moti Bagh and ends in Vasant Gaon. During the rally NCC cadet shouts slogans and carry banner poster which support cleanliness and its importance.

During the whole Swachhata Pakhwada our ANO Capt. Dr. Sanjay Kumar Sharma guided and motivate us to do our job. Everyday there was a lecture which is taken by any of the cadet and news and facts which are related to cleanliness and its effect on the environment and on human life.

PATRIOTISM

(- CDT ABHIMANYU SINGH)

Patriotism is devotion to one's country, and readiness to serve it and to defend it against its enemies. The word 'patriotism' comes from the Latin word, patria, which means 'fatherland'. In a very narrow sense, patriotism may mean one's love for the geographical area which one regards as one's native land. In this sense even some wild animals have a kind of patriotism, for they mark out their own "territories" into which they don't allow other animals to trespass. Lions and tigers do this do this conspicuously. Even some domestic dogs do this.

But to human beings, patriotism is not such a narrow concept. To them, 'patriotism' embraces also the people of the country. This is the patriotism that has been extolled by poets from time immemorial, down through the ages to our own day. A true patriot's ambition is to make his country great, prosperous, and powerful. He obeys the just laws of his country, and is always ready to sacrifice his own life to defend the honour and freedom of his country. He makes his own old Roman maxim, "Duleet decorum est propatria mori" (It is sweet and proper to die for one's fatherland).

Patriotism, however, should never degenerate into ultra-nationalism. The kind of patriotism is called 'jingoism', or 'chunvinism'. This is an extreme and unreasonable belief that one's own country is superior to all others, coupled with a bellicose attitude towards them. The Germans under Hilter, the Italians under Mussolini, and the Japanese under Emperor Hirohito embraced this pernicious philosophy. The inevitable consequence was defeat in war and national humiliation.

In the modern context, however, when high-speed means of transportation and communication have, in a metaphorical sense, shrunk the world into a tightly-knit neighbourhood community, the concept of patriotism or devotion to a limited geographical area, appears to be dismally narrow- minded and outdated.

MOUNTAINS

(- CDT ABHISHEK GUPTA)

Mountains are the high ground whose altitude above the sea level is measured by the grid lines and the appearance of mountains are spectacular risen high above the horizon.

Mountains are of different types such as fold mountains (The Great Himalayan Range) which is formed during the collision of Indian sub-continent in Tibetan platue and volcanic mountain (Mount. Kilimanjaro in Tanzania) which is formed during the volcanic eruption.

Mountains shows different properties with the increase in the altitude. The tree line ended completely above 12000 foot and above that one can see only scrubs. In the mountains weather rapidly changes and also can become worse on the high altitude. Below treeline there is lush green forest, river valley and also consists some wildlife. The high-altitude ground contains glaciers (frozen rivers) which forms U – Shaped valleys, they are full of snow (the area which gets highest snowfall in India is Gulmarg J&K).

The sports of climbing high mountains is termed as mountaineering which is having a high risk of getting die of major altitude sickness such as
high altitude pulmonary edema HAPE and high altitude cerebral edema HACE which creates life threatening situations.

SOLDIERS: OUR HEROES

(- CDT ASHISH TRIPATHI)

A Soldier refers to a person who works or serves in the army. His role is to fight for a nation or a region. Soldier are rightly referred to as the real heroes. They possess all the qualities we look for in a hero. They have immense love for the nation. It is this love that encourages them to join this profession and serve their nation. If I have to describe the life of soldiers in a single word, I will say it as 'patriotic'. Their life is 'tough', 'risky' and full of 'josh'. They have to stay away from family and friends for months, that too in some of the harshest and risky conditions, because they secure our borders and are under constant threat from rival countries and terrorist groups. Discipline, determination, mental strength, good intentions and love for the country are their qualities.

Discipline is one of the most attractive quality in a person. This is the first thing that the soldiers are taught in their training camps. If a person does not possess discipline, he cannot take on the responsibility of protecting his country. They are taught to value time and make the best use of it. Soldiers are extremely determined. The training they undergo to become a soldier refines and strengthens them. They are faced with numerous challenges, but they overcome all these as they are determined to achieve their goals. Just like a hero, soldiers possess good physic and are mentally strong. They are known for their physical and mental strength that helps them take on big battles.

The life of a soldier is different from a civilian, they hardly get any leaves. They need to be away from their family and friends all this while. This is one of the most challenging parts of being a soldier. It can be emotionally disturbing. Even if they manage to get leaves somehow, the possibility of the leaves being called off cannot be ruled out. They need to report back immediately in case of an emergency. They are also posted in areas with extreme weather conditions.

Thus, the life of soldiers is full of challenges. However, they do their best to overcome all the challenges and take it as their responsibility to guard their country and countrymen. They fulfil their responsibility with a smile on their faces.

LIVE TODAY, FEEL TODAY

(- CDT DEEPAK SONI)

There are two days in every week about which we should not worry. Two days which should be kept free from fear and apprehension. One of these days is yesterday with its mistakes and cares, Its faults and blunders, Its aches and pains. Yesterday has passed forever beyond our control. All the money in the world cannot bring back yesterday. We cannot undo a single act we performed. We cannot erase a single word we said. Yesterday is gone. The other day we should not worry about is tomorrow. With its possible adversities, Its burdens, Its large promise and poor performance. Tomorrow is also beyond our immediate control. Tomorrow's Sun will rise, either in splendor or behind a mask of clouds, but it will rise. Until it does, we have no stake in tomorrow, for it is yet unborn. This just leaves only one day. Today. Any person can fight the battles of just one day. It is only when you and I add the burdens of those two awful eternities' yesterday and tomorrow that we break down. It is not the experience of today that drives people mad. It is the remorse or bitterness for something which happened yesterday and the dread of what tomorrow may bring. Let us therefore live but one day at a time.

LIFE DURING LOCKDOWN

(- CDT DUSHYANT LOT)

Life has changed a lot coz of corona
No one is safe even Ronaldo Messi or Mara Dona
All the people are locked down in their homes
But still the problem in not gone
Nor Hinduism, nor Christianity
The biggest religion now is Humanity
Nor Bollywood nor TV actors
The real heroes are our doctors
Still some people are not listening these words
The only thing they understand in police's rods
Salute to the Army of our nation
Who are at borders even in this situation?
Our only weapon against this bane
Is to stay at home and wash our hands again and again.

LIFE IS ALWAYS A MYSTERY

(- CDT GOVIND)

A good life is the one inspired by love and guided by knowledge. Life is something you don't want to waste. Every second, minute, hour, day, week, moth and year are as special as the day a bird is freed from its cage. And every day teaches us something new and interesting. The time from when you are born to the time your life ends is like a road journey with many bumpy routes in between. Life shows you many ups and downs even when you think that "How could this happen." Or "Why only Me." Life is like a staircase which teaches us how to climb it and if we slip on the way it helps us in climbing it again. Life teaches something beyond our imagination. It also teaches us to break the rules and to forgive quickly, to laugh uncontrollably and to never regret the instances which brought a smile on our face. Eventually when we leave the world realizes the good or may be bad adventures that had taken in our life when we were standing alive like the others out there. According to Hindu mythology we take 7 births. But according to me we have one life and that, we should enjoy each and every day with pleasure. The bad and horrible days which we come across in this journey should not be ignored as they help us to realize that we can enjoy the good days even more. When everyone else puts us down it is life that teaches us how to get up again and fight. We need to live each and every moment to the fullest to ensure that the roads are we travelling on is good enough to be continued or not. You must be bold enough to make the things right which according to you are wrong, even if you are alone. Be child when you are child, be adult when you are adult but change when it is necessary.

All the opportunities do not come in a platter; they have to be struggled for. There are no shortcuts to achieve success and also the success gained by cheating is never referred to a success. Hell, or Heaven, both are here on Earth itself. If you are negative, villainous and have doctrine in conquering by bad then you will be reverted the same; but if you conquer the same with positive zephyr and elegance your life would become a glorifying and graceful paradise. So, create and lead your life in your own style and never let anyone carve it out for you.

POWER IS THE ULTIMATE GOAL IN THE WORLD

(- CDT RAHUL RAJBHAR)

Be aware of what is happening do not wait for things to happen. The primary things for goal attainment and survival we should have two quality one is power (LION) second is deception (FOX). The supreme value is National freedom. The main Responsibility we have is to seek advantage and to defend our interests to ensure our survival that requires strength. Therefore, we must be lion. That also require cunning in the pursuit of self-interest. Thus, we must be a fox. Our steps need to be intelligently calculated because one ‘s own power and interest as against the power and interest of rivals and competitor. We always be factual and realistic Rather than Actions and values based on morality. Do not wait for other to act: act before they do. A leader always be proactive rather than reactive.

SALUTE TO THE OLIVE GREEN

(- CDT SACHIN KUMAR)

For Its Tommy this, a' Tommy that, an' 'chuck him out the brute!' But it's saviour of 'is country when the guns begin to shoot". Rudyard Kipling to protect not oneself but the 1.32 billion people, to put their dreams, safety, freedom and happiness one's own, and to live one's entire life with the ambition of a happy & healthy India, the readiness to the battlefield with valour and the flag held high; is not only an Indian soldier's duty but dharma. I'm not open down or paraphrase the unutterable sacrifices or the hardships faced in Siachen, but attempting sermonize the upcoming blasphemous attitude towards the Indian Army.

Bullets were shot and the innocents killed, hardly any time to react, we picked our rifles up and still. Homla Hogaya Sahab!', gave us not even a chance to remember our families a bit, and there we were, firing back at the enemies, Seeing the fellow sepoys shed blood while each second felt like a decade by the clock's tick. When in the warzone, you don't fear your death but stare right back instead; It took us not just days but many precious lives to win the 71 war and bring glory to her, as we always will! And in return we expect just love and respect" said the 80-year-old veteran with painful and lit up eyes. For a soldier may stay awake for 5 days straight or might have forgotten what a three-course hot meal means, but he shall never forget or keep his countrymen's fearless sleep at stake. From praying every morning for our fathers whom we might haven't see for months, to shifting our house, school, friend circle from one city to other. After every three years; it takes a lot of courage, heart and bravery for a mother to give away her son the country and keep a promise to never remorse for come what may. It's ironical how we've started to call our forces "violent" , oblivious of the fact that The Indian Army was never established with the incentive of starting any war, but to protect US innocents from any sort of danger I applaud the kind hearted who condemn these soldiers and practice stone pelting, and bow down to the heroes who stand ever ready to take a bullet for them ; for such acts don't breakdown our respect for the country or our brave men, but Insha Allah make us love them even more n more. To conclude, "Yeh Dil Maange More, Yeh Dil Maange More, Yeh Dil Maange More..." – Capt. Vikram Batra. Aur tab tak Maange more jab tak na ho Hindustan ki har gali mein khushiyon aur "BHARAT MATA KI JAI" ka shor.

BROTHERHOOD

(- CDT MOHIT YADAV)

The wonderful time that we had,
Some old memories happy and sad,
I am glad I have you as my brother,
There is no one like, you are another,
Brother you are the best and you know,
I don’t have any gestures to show.

SOILDERS

(- CDT SHIV)

Soldiers are one of the greatest assets of any country. They are the guardians of the nation and protect its citizens at all costs. Moreover, they are a very selfless lot who put the interest of the country above their personal interest. A soldier's job is one of the toughest things to do in the world. They are supposed to fulfil challenging duties and possess exceptional qualities to become a great soldier. However, their lives are very tough. Nonetheless, they always fulfil their duties despite the hardships. A country sleeps peacefully as the soldier performs its duties. The first and foremost duty of a soldier is to serve their country without any selfish motive. A person usually joins the army out of love for his motherland and to protect it. Even though they know they will have to face numerous problems, they still do so for their country. Furthermore, a soldier safeguard's the honour of his country. They do not step back in the face of adversaries instead they give their best. It does not matter if they have to give their life for the country, they are willing to do so happily. Besides, soldiers also have to be alert at all times. He is never off duty, whether he is sleeping or on the battlefield, he stays vigilant throughout. Most importantly, a soldier's duty is to maintain the peace and harmony of the country. He takes on the responsibility of ensuring a safe environment for all. In addition to guarding the border, they are also always there in case of emergencies. They learn how to handle every situation carefully whether it is a terrorist attack or natural calamity. In other words, the local authorities need them to bring the situation under control.

FOOTBALL

(- CDT MOHIT PRATAP SINGH)

You might know about the game for sure but I'll try to make you feel how it feels like, to be a football fan.

As a football fan, like you I hold the magnificent game close to my heart. I have been a loyal supporter of my local team since I was a young child. I even remember now the first game I witnessed and the amazing feelings that rushed through my veins as the crowd chanted and roared. We've all felt this, and it is what is so great about the game of football. With football there are ups and there are downs, just like any other game, but unlike most other sports there are huge injustices week in and week out. Every game there will be a wrong decision made, no matter whether it big or small it is still unjust. I can't describe that moment in words how I jumped, rushed with joy, screamed, cried and laughed at the very same time, when the captain of my team scored the equalizer goal against our city rivals in the finals of the UEFA champions league when we were one nil down against them since the very start of the game, the game went to extra time and the final score was 4-1. WE WON, sounds very inhuman right? That's what this game will make you do.

BRAIN DRAIN

(- CDT TAMIM)

BRAIN DRAIN IS nothing but a serious problem faced by the developing country like India. It is the emigration of the highly trained or qualified people from a particular country. We can say

THE DEPARTURE OF EDUCATED OR PROFESSIONAL PEOPLE FROM ONE COUNTRY, OR FIELD to ANOTHER USUALLY FOR BETTER PAY OR LIVING CONDITIONS.

Problems associated with Brain drain- It is *ABHISAAP* for the developing country. The brain drain means that developing countries can struggle to develop because their Best skilled labour leaves the economy. Also, the well-educated person's, intelligent also leaves the economy. THUS, *IT BECOMES HARD TO BREAK THE CYCLE OF LOOSING THE BEST WORKERS.* IT is really a bad story that the Best brain of a developing country like India are working abroad. They don't contribute anything to the well-being and prosperity of INDIA or it's countrymen. IMAGINE, *a situation when all the engineers of the Silicon Valley and scientist of NASA return to work in INDIA. A SEA CHANGE WILL COME IN THE SITUATION. NO DOUBT, INDIA has the largest Base of engineers, doctors, technocrats and managers in the world.* However, our Best brain have gone abroad as they don't get facilities for higher studies and research in INDIA. Lack of *incentives* and in activities also make them go to EUROPE and the USA. Let's consider INDIA, it (BRAIN DRAIN) leaves INDIA barren of all its best brains. If they work in INDIA, they will contribute to the well-being and prosperity of nation and its people. INDIA IS THE LAND OF POSSIBILITIES AND POTENTIALITIES. Now, advantage and disadvantage of brain drain-:

I have already mentioned the disadvantage of brain drain i.e. they (highly trained, well educated, qualified) can't contribute in well-being and prosperity of any Nation. Advantage: - as the money migrants sent back are spent more in investment such as education, health and housing, rather than on food and other goods. At last, we can say that, BRAIN DRAIN is serious problem faced by the developing country like India.

MOTIVATION

(- CDT UJJWAL SHARMA)

Motivation is a powerful, yet tricky beast. Sometimes it is really easy to get motivated, and you find yourself wrapped up in a whirlwind of excitement. Other times, it is nearly impossible to figure out how to motivate yourself and you're trapped in a death spiral of procrastination.

Motivation: What It Is and How It Works. Scientists define motivation as your general willingness to do something. It is the set of psychological forces that compel you to take action. That's nice and all, but I think we can come up with a more useful definition of motivation.

What is Motivation?

So, what is motivation, exactly? "At some point, the pain of not doing it becomes greater than the pain of doing it." In other words, at some point, it is easier to change than to stay the same. It is easier to take action and feel insecure at the gym than to sit still and experience self-loathing on the couch. It is easier to feel awkward while making the sales call than to feel disappointed about your dwindling bank account. This is the essence of motivation. Every choice has a price, but when we are motivated, it is easier to bear the inconvenience of action than the pain of remaining the same. Somehow, we cross a mental threshold—usually after weeks of procrastination and in the face of an impending deadline—and it becomes more painful to not do the work than to actually do it. Common Misconceptions About Motivation One of the most surprising things about motivation is that it often comes after starting a new behaviour, not before. We have this common misconception that motivation arrives as a result of passively consuming a motivational video or reading an inspirational book. However, active inspiration can be a far more powerful motivator. Motivation is often the result of action, not the cause of it. Getting started, even in very small ways, is a form of active inspiration that naturally produces momentum. Habit motivation You don't need much motivation once you've started a behaviour. Nearly all of the friction in a task is at the beginning. After you start, progress occurs more naturally. In other words, it is often easier to finish a task than it was to start it in the first place. Thus, one of the keys to getting motivated is to make it easy to start.

How to Get Motivated and Take Action

Many people struggle to find the motivation they need to achieve the goals they want because they are wasting too much time and energy on other parts of the process. If you want to make it easy to find motivation and get started, then it helps to automate the early stages of your behaviour.

Schedule Your Motivation

If your workout doesn't have a time when it usually occurs, then each day you'll wake up thinking, "I hope I feel motivated to exercise today."

If your business doesn't have a system for marketing, then you'll show up at work crossing your fingers that you'll find a way to get the word out.

If you don't have a scheduled time when you write every week, then you'll find yourself saying things like, "I just need to find the willpower to do it."

Setting a schedule for yourself seems simple, but it puts your decision-making on autopilot by giving your goals a time and a place to live. It makes it more likely that you will follow through regardless of your motivation levels.

Stop waiting for motivation or inspiration to strike you and set a schedule for your habits. This is the difference between professionals and amateurs. Professionals set a schedule and stick to it. Amateurs wait until they feel inspired or motivated.

SHOULD ALL SCHOOLS REQUIRE STUDENTS WEAR UNIFORM?

(- CDT VISHAL)

For years, there have been hundreds of debates about whether students should wear uniforms or not. Many schools agreed with the idea and have already required school uniforms, while others are still considering it. Some say that school uniforms represent discipline and instil school pride, but others think that it is not creativity and comfortable. Despite that there are still arguments about it; school uniforms have increasingly demonstrated their importance and influence in many ways. Students should have to wear uniforms because it will help students to perform better at school, give students a sense of discipline, lower the cost for parents, and decrease the rate of crime. Wearing uniforms, students have to obey and follow the rules, so they will learn how to respect others. An article reports "Teachers and principals often report that discipline problems are reduces in schools that implements a standardized dress program." (School Uniforms). In addition, wearing school uniforms is a step of preparation for professional life. When you have a job, you will have to wear uniforms. Whether you are a doctor or a nurse, you are in the same position. School uniforms also help students to realize that they are a part of a group, so they feel liked they belong and learn to take responsibility for whatever they do. Next, school uniforms will encourage the learning environment. If school does not require uniforms, it will take more time for students to decide what to wear for the next day. They will have to think so much about clothing, shoes, or hair. Therefore, they cannot use that valuable time to concentrate more on their studies and others activities. Uniforms remind them that they are still students and the biggest goal is to learn. This will motivate them to try their best to achieve the goal. School uniforms are starting to be enforced more and more in schools as time goes on. Uniforms might limit self-expression in their clothes but it does not limit their learning which is the whole purpose of going to school after all. School uniforms in both private and public schools can be beneficial to students in regards of their social and academic skills. School uniforms can help prevent bullying and will make it easier on some students and parents as well.

In today's society all schools should require uniforms. The current generation of kids in school are more worried about whether what they are wearing to school is cool. Instead they need to be focusing on their studies. By making uniforms mandatory, everyone will look the same. This will remove the notion for the younger generation, that it's all about appearance. I strongly believe that public schools ought to consider making uniforms mandatory. We see a lot of schools ban certain items of clothing or certain lengths of clothing. In areas of gang related violence and gang-filled territories schools ban certain colours that students can wear. If they have a laundry list of restrictions to wear on campus, it only makes sense to ensure students wear a uniform to make it easy on the school and on the parents. The school can enforce a standard policy toward the students and the parents need only purchase a week's worth of uniforms for their children. Uniforms are reasonably priced and it teaches discipline toward the student as they focus more on their academics. When you wear a uniform, you cannot be bullied for looking different by people wearing the same school-approved uniform as you are. When bullying rates go down, it leads to a happier school with less problems between kids. It also can help the social system shut down, so there is less judging of fellow students. Actually, wearing uniforms is a good idea, I think. Some people say that it restricts us from expressing ourselves. By wearing uniforms, we are able to challenge ourselves in different ways. It's not expression when you and every other girl in you clique wears a Hollister tee shirt and Ugg's on Tuesdays. It makes those who cannot afford the same clothing as you feel inferior. I wear a uniform to school and it doesn't bother me at all. Sure, they're not the most attractive outfits, but the only people that will see you in them will be wearing the same thing anyway. Uniforms bring together the school. They uplift unity and school spirit. They also place the focus on schoolwork, not your clothing. Uniforms are EXCELLENT and I think more schools should change to uniforms. People can have their own opinions and this is mine. According to me When students wear school uniform they appear as one, or similar as there is no distinction based on clothing. This also helps in maintaining discipline and focus on schoolwork thus making it easier for students to perform better at school. Just like sports teams wear the same uniform and play together as a squad, students who wear uniforms give the feeling of oneness and belonging.

एनसीसी : एक असाधारण यात्रा

(- कैडेट अमित)

यह बात है उस समय की जब 12वी कक्षा के परिणाम घोषित हुए और मेरे ही नहीं बल्कि मेरे साथियों के मन में भी कई तरह के प्रश्नों ने घर कर लिया और हमारे पास एक सटीक मार्गदर्शन का अभाव था। कुछ साथियों ने ठान लिया कि वह घर पर रह कर ही आगे की पढ़ाई पूरी करेंगे, हालांकि उनका ऐसा सोचना ठीक भी था क्योंकि घर की कमजोर आर्थिक स्थिति उन्हें किसी और प्रकार के कोर्स की अनुमति दे। समूह के कुछ साथियों ने अपने मनोरंजन के अनुसार अपना क्षेत्र चुना और कुछ ने परिस्थितियों से समझौता करते हुए अपने सपनों की राहें मोड़ ली।

समूह के कुछ साथियों ने रेगुलर कॉलेज के माध्यम से पढ़ाई आगे करने का निर्णय लिया उनमें से एक मैं भी था। एक सटीक मार्गदर्शन के अभाव में मैंने जैसे तैसे विश्वविद्यालय की वेबसाइट पर रजिस्ट्रेशन करवाया और एक लम्बी प्रक्रिया के बाद मुझे दिल्ली विश्वविद्यालय के अन्तर्गत राम लाल आनंद महाविद्यालय में प्रवेश मिला। सभी साथी इस पूरी प्रक्रिया में बिछड़ छुके थे। मेरे साथ मेरा केवल एक ही साथी मेरे साथ इस विश्वविद्यालय में मौजूद था। कुछ दिनों तो बिल्कुल समझ नहीं आया कि यह जिंदगी में हो क्या रहा है। मन में प्रतिदिन प्रश्न उठता की क्या मैने सही राह चुनी है?

एक दिन विश्वविद्यालय में एनसीसी में प्रवेश को लेकर एक नोटिस निकाला गया। शुरू से ही वर्दी से प्यार और वर्दी कि चाह ने मुझे इस ओर मोड़ा ओर मेरे नए साथियों ने भी मुझे प्रवेश लेने के लिए प्रोत्साहित किया। बस क्या था मैं लग गया प्रयत्न में एनसीसी पाने के लिए। शारीरिक परीक्षण और मानदंड की प्रक्रिया आरंभ हो चुकी थी और मुझे उस दिन पहुंचने में देरी हो गई थी और मैं वहां नहीं गया। मन में प्रश्नों का ढेर , समझ नहीं आ रहा था कि अब क्या करू। जीवन का एक बूरा सपना समझकर कि जो होता है अच्छे के लिए होता है सोचकर भुला दिया।

एनसीसी के संयोजक जो की हमे पढ़ाया भी करते थे मैने उन्हे यह बात बताई तो वह हंसे और बातो बातो में वह हमे समय का महत्व बता गए। कुछ महीनों के बाद एक और नोटिस एनसीसी की तरफ से निकला गया और उसमे रिक्तियों के संदर्भ में बताया गया। खुशी का ठिकाना नहीं था। बस मैं तैयारी में लग गया और मैंने शारीरिक परीक्षण की परीक्षा पास कर ली।

सप्ताह की दो परेड जिसमें दौड़, व्यायाम, ड्रिल आदि की कक्षाएं दी जाती थी। प्रथम वर्ष के इस चरण को सबने बड़े ही उत्साहपूर्वक ढंग से पूरा किया लेकिन अभी भी बहुत कुछ सीखने के लिए बचा था। एनसीसी त्रिकोण सेवा का एक सैन्य संगठन है जिसमें थल सेना, वायुसेना और नौसेना तीनों संयुक्त रूप से सम्मिलित है और यह इतना बड़ा त्रिकोण सेवा संगठन एक आदर्श वाक्य पर कार्य करता है जो कि है “एकता और अनुशासन”। सभी कैडेट्स इस आदर्श वाक्य को ध्यान में रखकर ही कार्य करते है।

प्रथम वर्ष सफलतापूर्वक समाप्त होने के बाद द्वितीय वर्ष की भी शुरुआत हो गई थी। प्रथम वर्ष की भांति इस वर्ष भी हमसे उतनी ही अपेक्षाएं थी साथ ही कुछ जिम्मेदारियां भी थी जिनका हमे सफलतापूर्वक निर्वहन भी करना था। प्रथम वर्ष की भांति इस वर्ष भी सप्ताह में दो परेड ही थी जिसमे हमें ड्रिल, हथियार खोलना व जोड़ना, मैप रीडिंग, आपदा प्रबंधन के तरीके आदि कई तरीके का प्रशिक्षण दिया गया। इसी द्वितीय वर्ष के दौरान एनसीसी प्रशिक्षण शिविर (कैंप) में भी हिस्सा लेने का मौका मिला जिसमें विभिन्न तरह की गतिविधियां कराई जाती थी साथ ही सेना से संबंधित प्रशिक्षण भी दिया जाता था। 10 दिनों के प्रशिक्षण के दौरान सभी कैडेट्स मिलकर कार्य करते थे और एक दूसरे का हौसला बढ़ते रहते थे । इससे फायदा यह होता था कि मिल कर काम करने से आपस मैं एक दूसरे के साथ सामंजस्य बना रहता था और साथ ही कैडेट्स की आपस में एकता की भावना बनी रहती थी। इसी वर्ष हमारी “बी” प्रमाणपत्र की परीक्षा भी थी जिसे सभी कैडेट्स ने अच्छे ग्रेड से पास की।

यह एनसीसी का अंतिम वर्ष था जिसमें मुझे एक राष्ट्रीय स्तर के प्रशिक्षण शिविर में हिस्सा लेने का मौका मिला। मेरे साथ मेरे कॉलेज से दो कैडेट्स और थे। इस कैंप में दिल्ली निदेशालय के साथ साथ अन्य निदेशालयों ने भी अच्छा प्रदर्शन किया।

इन तीन वर्षों के अनुभव में एनसीसी ने मुझसे मेरा कुछ लिया नहीं बल्कि मुझे मेरे कार्य करने की क्षमता के अनुसार हमेशा ही मुझे बहुत कुछ दिया। हमेशा मेरे साथियों ने मेरा उत्साहवर्धन किया जिससे कार्य करने में एक अलग सा आनंद मिलता था। वास्तव में इन तीन वर्षो में जिंदगी के कुछ ना भूलने वाले पहलू भी जुड़े और मेरे भाई यानी मेरे बैचमेट्स जिनके साथ एक अच्छा खासा अनुभव और सबके साथ एक अलग याद बनी हुई है। इन तीन वर्षों मैं अगर कुछ याद आएगा तो वह है रगड़ा (जितना रगड़ा उतना तगड़ा), मोज मस्तिया, कैंप का रगड़ा, लेट नाइट की मस्तियां ओर सबसे खास “ सब्ते ढीला.....

यह 3 वर्ष जिंदगी के उन वर्षों में शामिल है जिनका जिक्र ज़िन्दगी की उन यादों की ओर ले जाता है जिन्हे भूलना असंभव है।

कोशिश कर

(- कैडेट मोहित यादव)

कोशिश कर, हल निकलेगा,

आज नहीं तो कल निकलेगा।

अर्जुन के तीर- सा सघ,

मरुस्थल से भी जल निकलेगा।

मेहनत कर, पौधों को पानी दे

बंजर जमीन से भी फल निकलेगा।

ताकत जुटा, हिम्मत को आग दे,

फौलाद का भी बल निकलेगा।

जिन्दा रख, दिल मे उम्मीदों को,

गरल के समुन्दर से भी गंगाजल निकलेगा।

कोशिशें जारी रख कुछ कर गुजरने की,

जो है आज थमा-थमा-सा चल निकलेगा।

वर्दी वाला हूं

(- कैडेट शिवा शर्मा)

वर्दी वाला हूं जान हाथ पे लिए चलता हूं

सोता नहीं सरहद पर रात दिन जागता हूं

सर्द हो फिर फिजाएं सारी या लू का तूफ़ान हो

भीगा हो फिर आलम सारा या रेतीला रेगिस्तान हो

वर्दी को जिस्म से चपिकाए, हथियार हाथ लिए चलता हूं

वर्दी वाला हूं जान हाथ पे लिए चलता हूं

बंता नहीं एक दिन में मै पूरी उम्र लगता हूं

रजाई में नहीं सर्द हवाओं में खुद को तपता हूं

मोह के जाल मेरे भी भीतर बनते है पर उन्हें छोड़ आगे बढ चलता हूं

अपने अस्तित्व की लड़ाई खुद से ही लड़ता हूं

क्युकी वर्दी वाला हूं जान हाथ पे लिए चलता हूं

ऐसा नहीं कि मेरे अपनों को मुझसे प्यार नहीं

पर एक फौजी का पिता कहलाना इससे बड कर मेरे पिता के लिए सम्मान नहीं

विदा करते वक़्त मेरी मां की आंख भी नम होती है,पर तू जुग जुग जीये

इससे बड कर उसकी जुबान पर कोई और आवाज़ नहीं

क्युकी वर्दी वाला हूं जान हाथ पे लिए चलता हूं

मेरी सांसों का हिसाब मै खुद नहीं जानता हूं

वतन की रक्षा को अपना धर्म मानता हूं

वर्दी को खुदा और,तिरंगे को तब मानता हूं

तेरे और मेरे का मतलब नहीं पता मुझे

एकता और अनुशासन का ही अर्थ जनता हूं

क्युकी वर्दी वाला हूं जनाब जान हाथ पे लिए चलता हूं

किसी की बाहें मुझे आज भी बुलाती है

मेरी मां की आंखे मुझे आज भी देखना चाहती है

बिटिया मेरी घर पर पापा कब आएंगे ये सवाल रोज़ दोहराती है

परवाह मै भी सबकी करता हूं पर वर्दी शान को सबसे उपर रखता हूं

क्युकी वर्दी वाला हूं जान हाथ पे लिए चलता हूं

सरहद पर जंग में मै मौत से नहीं डरता हूं पर

जब अपनों को देश के भीतर लड़ते देखता हूं तो हर पल मारता हूं

एक सवाल मेरे ज़हन मै आता है कि किसके लिए मै लड़ता हूं

किसके लिए अपने सर को मौत की सेज पर रखता हूं

पर फिर सब फिक्र छोड़ आगे बड़ चलता हूं

क्युकी वर्दी वाला हूं जान हाथ पे लिए चलता हूं

मै कलम हूं

(- कैडेट शिवा शर्मा)

मै कलम हूं

तेरी किस्मत का हर पन्ना लिख सकती हूं।

ये सोना, ये चांदी ,ये हीरे ,ये मोती ,ये क्या है

मै अपनी सायाही से लिखे तेरे नाम को जग में रोशन के सकती हूं।

मै कलम हूं तेरी किस्मत का हर पन्ना लिख सकती हूं।

तेरी मेहनत से तेरी लगन से ,तेरी सूझ से तेरी भूझ से

मै ब्रामांड का शिखर से सकती हूं

मै कलम हूं तेरी किस्मत का हर पन्ना लिख सकती हूं

जिन्हे चाह कर भी ना कोई काट सके मै वो पंख तुझे दे सकती हूं

जहां से चाह कर कोई गिरा ना सके मै वो शिखर तुझे दे सकती हूं

मै कलम हूं तेरी किस्मत का हर पन्ना लिख सकती हूं

इस प्रतिस्पर्धा के कुरुक्षेत्र में अर्जुन तेरे गांडीव का बान बन सकती हूं

मै कलम हूं तेरी किस्मत का हर पन्ना लिख सकती हूं

इस जीवन के भवर में तेरी नौका की पतवार,तेरी मांझी बन सकती हूं

तेरे अकेले पन की साथी बन सकती हूं

तेरे दुखों के आंसू और तेरी ख़ुशी की मुस्कान बन सकती हूं

मै कलम हूं तेरी किस्मत का हर पन्ना लिख सकती हूं

समय अनमोल है

(- कैडेट सन्नी)

समय चक्र की गती बडी अद्भुत है। समय का चक्र निरन्तर गतिशील रहता है।रुकना इसका धर्म नहीं है।

" मै समय हूं
मै किसी की प्रतीक्षा नहीं करता
मै निरंतर गतिशील हूं
मेरा बीता हुआ एक भी क्षण लौटकर नहीं आता है।
जिसने भी मेरा निरादर किया
वह हाथ मलता रह जाता है।
सिर धुन धुन कर पछताता है।"

समय के बारे में कवि की उपयुक्त पंक्तियां सत्य है विश्व में समय सबसे अधिक महत्वपूर्ण एवं मूल्यवान धनमाना गया है।यदि मनुष्य की धन संपदा नष्ट हो जाए तो संभव है वह परिश्रम एवं संघर्ष से उसे पुनः प्रताप करसकता है। किन्तु बीता हुआ समय वापस नहीं आता। इसी कारण समय को सर्वाधिक मूल्यवान धन मानकर उसकासदुपयोग करने की बात कही जाती है। मानव जीवन नदी के एक धारा के समान है। जिस प्रकार नदी की धाराबिना किसी बाधा के प्रभावित होती रहती है। ठीक उसी कारण मानव जीवन की धारा भी अनेक उतार-चढ़ाव से गुजरती रहती है। और गतिशील रहती है। प्रकृति का कण-कण हमें समय पालन की सीख देता है।अतः मनुष्य का कर्तव्य है जो बीत गया उसका रोना ना रोए अर्थात वर्तमान और भविष्य का ध्यान रखे इसीलिए कहा गया है कि-:

"बीती ताहि बिसरा दे
आगे की सुधा लाए।"

महापुरषों ने इस तथ्य को अच्छी तरह समझ कर एक सांस या एक पल को ना गवाने की बात कहीं है। संत कबीरका यह दोहा समय के सदुपयोग का महत्व प्रतिपादित करने वाला है।

" काल्ह करे सो आज कर, आज करे सो अब।
पल में परले होयेगी, बहुरि करोगे कब।"

एक शक्स पे ठहर गई

(- कैडेट अभिषेक पचौरी)

जब उसके नाज़ुक लबो से कहीं सदाएं गुजर गई

कितनी ली जाने अदाएं ढाते कितने कहर गई

जैसे मोम का टुकड़ा आ लिपटा हो अंगरो से

या कोई इमदाद मांगले दुखी और बेचारों से

दरवेशो की बस्ती में परवरदिगार की महर हुई

पचौरी ये गुस्ताख निगाहें एक शकस पे ठहर गई

देखा उसे जब एक नजर क्या बतलाऊं क्या मंजर था

काले बादल , ठहरा दरिया,एक तूफ़ान,एक समंदर था

छोड़ तितलियां बगीचों को अपने अपने शहर गई

पचौरी की ये गुस्ताख निगाहें एक शाक्स पे ठहर गई

पारस का एक पत्थर वो को छूले सोना हो जाए

हम उसके हाथों की कठपुतली या कोई खिलौना हो जाए

जब ये करम हुआ हम पे धड़कन वह की फिर सवर गई

पचौरी ये गुस्ताख निगाहें एक शक्स पे ठहर गई

एक दौर चला फिर बातों का सहमी सहमी सी रातों का

उनकी हरएक निशानी पे ग़ज़लें लिखते इन हाथों का

दिल के सूखे रेगिस्तान पर बारिश की पहली लहर हुई

पचौरी ये गुस्ताख निगाहें एक शक्स पे ठहर गई

शायरी कहने लगी

(- कैडेट अभिषेक पचौरी)

क्यों तेरे इश्क़ की सूरत मुझमें रहने लगी

दर्द जब मैंने किया अपना बायां फिर कागजों पर

इश्क़ के खाली कलम से टूटे दिल के हादसों पर

सुनके मेरी दास्तान ए हिजर वो रोने लगी

बाद उसके शायरी भी शायरी करने लगी

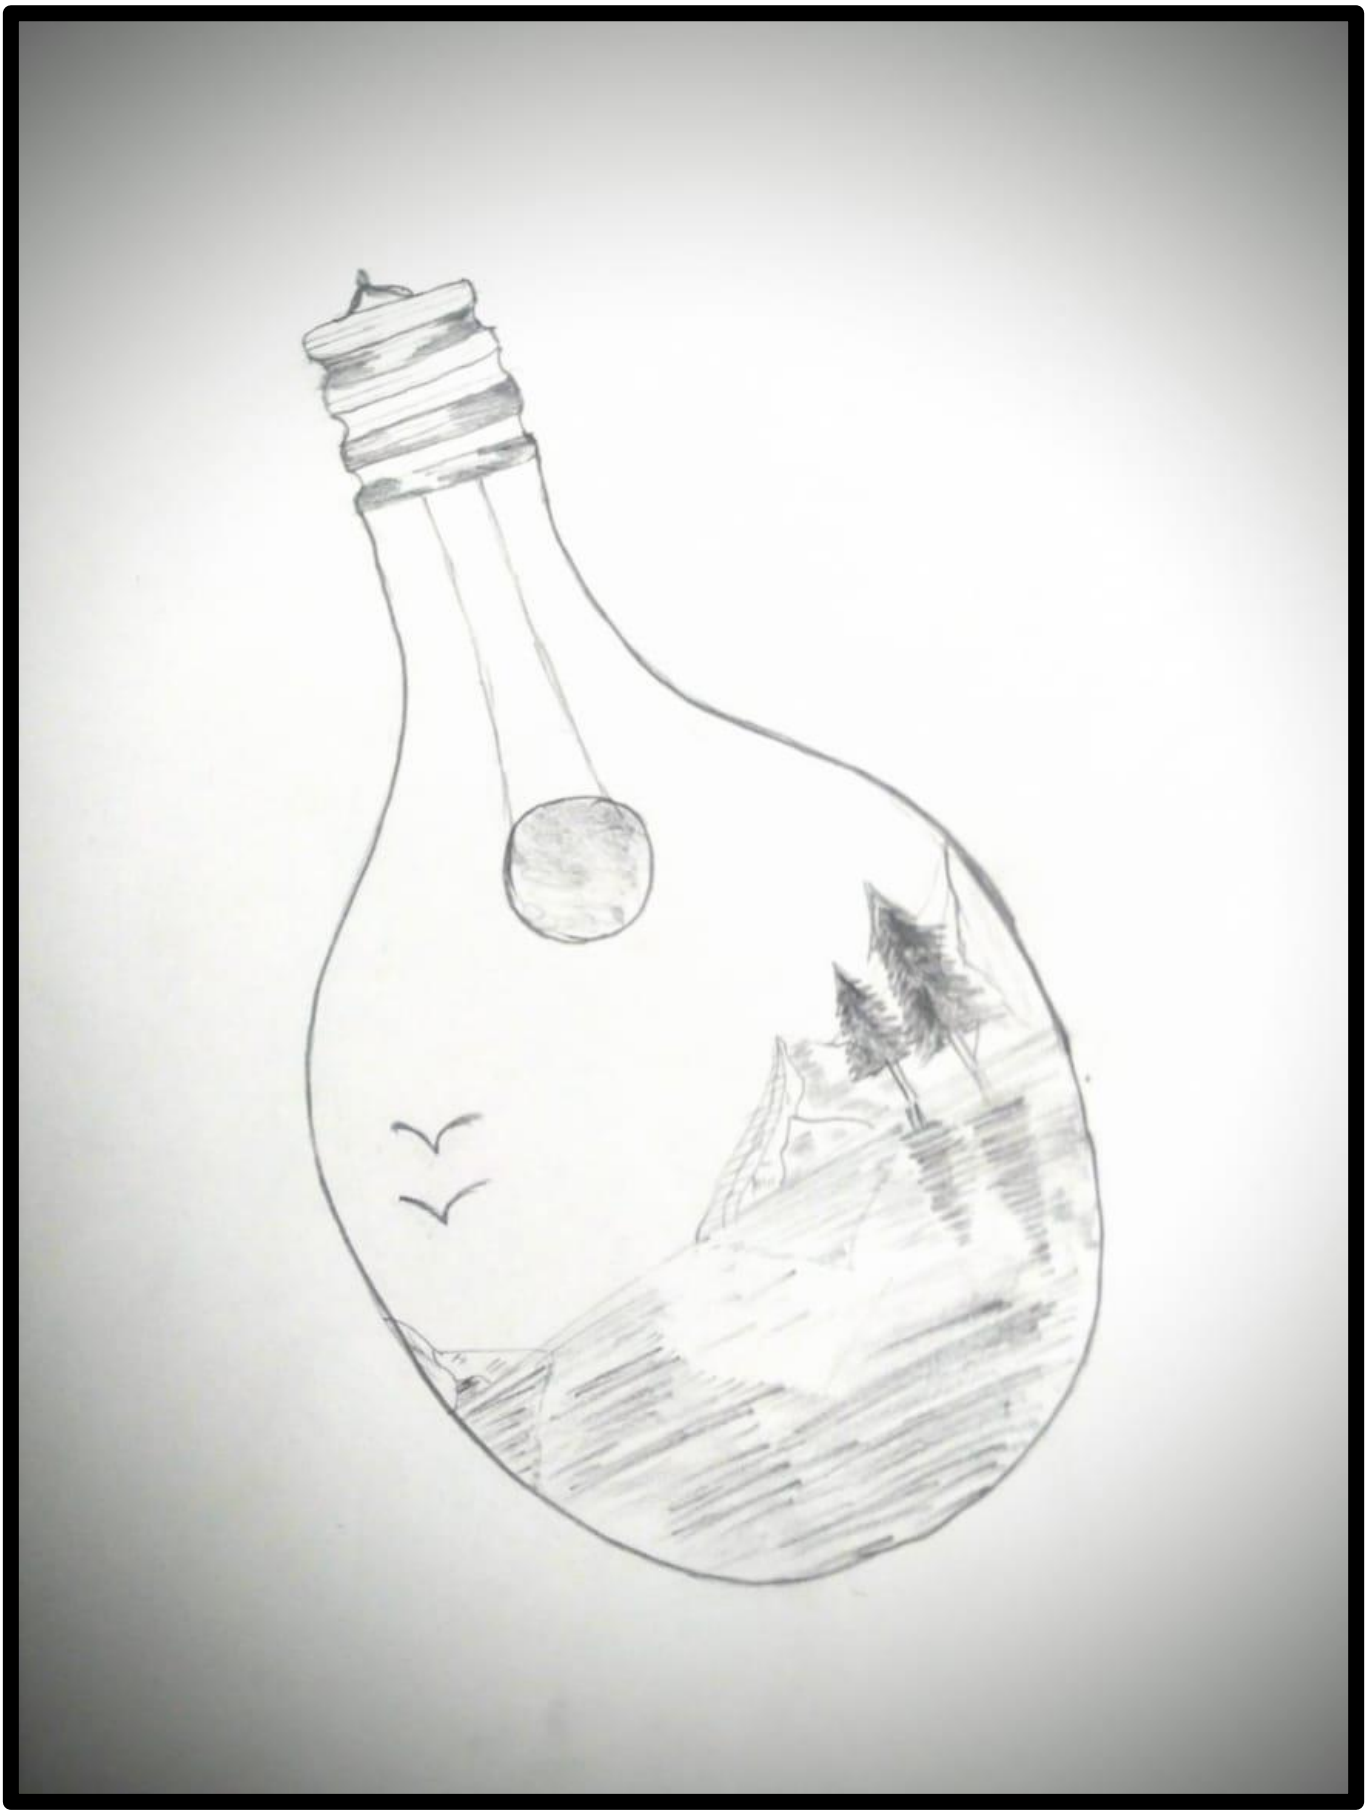

क्यों चिपा रक्खा है तूने दर्द इतना दिल के समंदर

चाहते है लोग भी देखना तेरा समंदर

कहते कहते अश्क की वो धार बेहने लगी

बाद उसके भी वो शायरी कहने लगी

सरदार पटेल को किया गया नमन

महेन्दर, नई दिल्ली

दिल्ली विश्वविद्यालय के राम लाल आनंद कॉलेज में लौह पुरुष सरदार पटेल की जयंती के अवसर पर उन्हें याद किया गया। सरदार वल्लभभाई पटेल के राष्ट्र के लिए किए गए बलिदान पर कॉलेज में चर्चा की गई। इस अवसर पर रन फॉर यूनिटी का भी आयोजन किया गया। कॉलेज द्वारा 28 अक्टूबर से 2 नवंबर तक सतर्कता जागरूकता सप्ताह मनाया गया। इसके माध्यम से कॉलेज के विद्यार्थियों को जीवन में ईमानदारी की प्राथमिकता के बारे में बताया गया। कार्यक्रम को संबोधित करते हुए कॉलेज के प्राचार्य डॉ राकेश कुमार गुप्ता ने कहा कि जिस प्रकार से सरदार वल्लभभाई पटेल ने देश की एकता के लिए कार्य किया। उनके प्रयासों से ही भारत एक मजबूत राष्ट्र बन पाया। भारत अथवा दुनिया के युवाओं के लिए सरदार वल्लभभाई पटेल आदर्श हैं। वहीं कार्यक्रम के संयोजक डॉ संजय कुमार एनसीसी अधिकारी ने कहा कि सरदार वल्लभभाई पटेल ने देश को एकता के सूत्र में पिरोया। देश के गृहमंत्री के रूप में उन्होंने चेतराँग कार्य किया। आज देश सरदार वल्लभभाई पटेल की जयंती मना रहा है। भारत के लौह पुरुष सरदार पटेल का जन्म 1875 में गुजरात के नाडियाड में हुआ था। वह भारत के पहले उप प्रधानमंत्री और गृह मंत्री थे। उन्होंने देश की 564 रियासतों को एकता के सूत्र में बांध कर अखंड भारत की रचना की थी। 1917 से 1924 तक अहमदनगर के पहले भारतीय निगम आयुक्त के रूप में सेवा दी। 1924 से 1928 तक वह इसके निर्वाचित नगरपालिका अध्यक्ष भी रहे। उन्होंने भारतीय प्रशासनिक सेवा और भारतीय पुलिस सर्विस की नींव रखी। 1991 में वह भारत रत्न से सम्मानित हुए। इस कार्यक्रम में कॉलेज के अन्य अध्यापक भी मौजूद रहे। डॉ प्रेरणा दीवान, डॉ सुभाष चंद्र डबास, डॉ राजेंद्र गौतम, डॉ देवेंद्र कुमार, डॉ कृष्णगोपाल त्यागी, डॉ रीटा जैन, डॉ कुसुम रानी गुप्ता आदि अध्यापक उपस्थित रहे। वहीं इस कार्यक्रम को सफल बनाने में कॉलेज के विद्यार्थियों ने भी अपनी महत्वपूर्ण भूमिका निभाई केशव गेयल एनएसएस अध्यक्ष, हितेश कुमार, निखिल चातक, परमजीत सिंह, अनु यादव। कॉलेज के विद्यार्थियों ने भारी संख्या में इस कार्यक्रम में भाग लिया।
